

(NB : Teresa Gordon & Miss Plunket-Green spend two weeks Christmas 1924/1925 in France - at Deauville where they met ANDRE MALRAUX and friends (Clara Malraux not with him) - they were seen at the Races with very distinguished Racing figures - on to PARIS :

Malraux & friends heard of the two girls being robbed at Calais by JIMMIE `Jong` (he is well known to 1920s-1930s Paris - his Chinese heiress mother & her sister having an Apartment)

- and of a Warehouse robbery they were certain he had carried out

- in fact the Police traced the two girls to PARIS & questioned young MALRAUX and friends - by then they had seen them off to England.

JIMMIE JONG had the key to the `dusty French Mansion Bowes Lyon` as he was a friend of the family at Glamis Castle
