& declared Island in RED
…he tried sell it to
Angela taking a 4 days stay with her…but it had to go to her 2nd cousin
& JIM pocketed the DOUGH 1957 from the criminal SALE -
This is his old chum Angela whom he has had mischief with since she was 12 years old 1913
-
It is this pair used to torment MARY & George Gordon to try get in on RACING in Ireland - Greta Ransom`s grandmother Mary Gordon has cousins who sometimes raise horses - Murphy shipping/ O'Brien farming & International Brokerage/ Carroll a dour serious minded lot farm & they produced Teresa Carroll

CLASSICS, Greetah`s great grandmother & she studied PLATO & Harmony…
(
Debretts Peerage has information on them… try pre-1953 …)

The Irish cousins also have three 19th century Baronetcies between them…& JIM always wished to ruin them socially as they are related to Greta Ransom heir to Grote Homes Ransom Estate in 3 Parts who has ANDRE MALRAUX as GUARDIAN…!
The persecution Southern Ireland is continued & still an attempt to label them " TREASON " after

And why are the Frobisher families Canada being persecuted by him !

Memo G.R. from records : This insane little racist had been about the families Murphy-O-Brien-Carroll since 1919 when Teresa Gordon was sent to the Carroll branch to get her away from undesirable companions at the Horse training Riding Ceremonial Grounds *(somewhere near London)…*penniless Nobles felt they could get dough out of this Gordon branch with well off Southern Irish relatives …Teresa was felt to be showing signs age 6 years of age (1912) that she could be `a good horsewoman`… Mr Pong 1919 onwards & his travelling companions followed well connected people when they wanted some
`BIG GAME HUNTING`
for dough & fun…
1920 a young Murphy household was burned & only 6 years old Brian escaped
… Police ordered ` put Teresa on the next boat back to Liverpool - wired Mary Gordon to collect her…Teresa age 13 years old
was in with the wrong kind…`
Police S.Ireland & others so shocked at what had been done by this British Nobles bunch/

1936 February Colombia Bogota` - an IMP monster follows us…THE APPLE CART …He has British Diplomatic Sanctuary…

JIM Mr PONG, he expected the middle-aged man to agree to saying Greetah Ransom had stolen an APPLE from his cart…Suddenly my father said " HE IS THERE…LOOK…JIM…he has just slithered out of sight…He has followed us from England ! "

Fred John RANSOM my father, he went to the Apple cart man …we learned of the latest madness… They were nice people & this apple cart was for their retirement money…*chil dren grown & working…*

THAT NIGHT JIM TURNED OVER THE APPLE CART & smashed it badly…
then escaped as the Police sought for him

BOGOTA` Colombia **- In the HOME the children were returning… Aunt Mag had put in bedrooms for the children as they got to 10 years so they could be in small groups…2 in a room, 4, 6 up to 8 in a room. They could choose.** But they only wanted to be all together in this new home.
So they all slept in what might have been the Ballroom
.
This boy felt he would like a small room now to study.
He had his name down for one
.
The HOME had moved all the staff into the rooms as they had been empty for years !
It is a great impressive building with a lovely garden at the back…Everyone was very happy.
They were not all without parents.
Some had one.
A parent had died or was not known .
They were the hope of Colombia.
They are a mixture of races.

JEAN tells 1937 of how the boy has been found dead just outside the garden gates- his father so broken to pieces…he was all he had from his dead wife ! (Letters from JEAN TO Dr John RAY
Ransom)

My father, JEAN`s ELDEST , **was sure it was Mr PONG *! But the LINDSAYBUGGARHS were somewhere following on for the FUN of HUNTING BIG GAME.***
I can see the boy in my memory & he is getting tall & thin & dark straight hair & serious…he has his father with him.
They are all talking with parents & foster parents…
It was a happy scene.
It is a palatial HOME in BOGOTA … they learn quality & HUMANISM -

Chapman always worried about you Child, & his wife did too…

& later when matters did not go as planned he had written to Andre a letter of PIETY , as I always had an address where private letters could reach Andre…Chapman was deeply sad & wrote as one soldier to another…but he lacked this information !
ITS ALWAYS BEEN ABOUT BRASS !
