THE 3 young HUMANISTS amongst The Gospels Acted Out…East Anglia…

1937 SUMMER-ANDRE- Josette & Greta-LIMPETS-

I *doth saye* in my QUAKER speech….`It is a slip of a shop-thin- between the others-I like it very much in winter or on wet days-I get my best shoes there-but it makes me miserable on hot sunny days…George….
Well they are poor shops but very nice people
-it
is
the older part of the town-before the Sea Front became fashionable- It is
our
road-
the Ancient Way everyone says it was
-down from GREAT CLACTON of The Doomsday books-Uncle Liam had the little one OUT in the Library-you don't touch it but turn the pages with gloves…not everyone does but this is best…I hear them say…

-This little poor shop ANDRE-*George-* it sells the shoes the women who gather shell fishes wear to walk on the mud flats- they have FEET 2 or 3 feet long
(a joke)
….it is the only shop for miles and miles along the coasts…young Fred Daddy says…`

I am troubled that he *Georges* ANDRE does not see this little home of ours lit by candlelight-with our friends who come and speak upon the whole world upon ALL TIME-I would like to have him linger and light candles, we all prepare a supper on the great cooking range and the old tiny range the first ever made at Birmingham -
see them lit up-
I sense his misunderstandings of the HOURS OF THE DAY THE WEEK THE YEARS & THE CENTURIES
…
`yet he doth come our Way
…perhaps he has been too long amongst the bright lights…as they say…`

In my mind as happy are these days as the child with these two so tall young people -gol den silvery days they will feel even if the SEAS are wild with the wind & then the centuries they rise from the sunken ships & towns & villages gone for ever because of the coastal erosion… & there are happy times for our line that I know about from Ransom histories & many parts my bedtime stories… & even when all is greyness we have our little home & there is `Jerusalem` at Deptford with JEAN ballerina and all of them-
This the WAY OF THE SEVEN CHURCHES TO THE SEAS & I share it all with Josette and he Saint George ANDRE this unexpected Summer Holiday-
I am told by Lennie & the family it is called aesthetics to think so… Young Fred Daddy Ransom and I talk upon these things as we
go`th
a SUNDAY
now-and-then
to take me to our Church of Our Lady-that incredible piece of ROME architecture at the entrance to the Holland cliffs-

Earl Lindsaybuggarhs & their Evil Fairy ***(D. Lindsay who poured paraffin down the old lady to get her paintings-he uses too much purple dope say the others…)***
tried stop it going up & hassled the Architect & his clients and families…
for they
smelled
the
moneys
…2 widows with 20 thousand pounds said- `and you can have more…WE WANT SOMETHING AS WE SEE IN ROME
`…`
Young Paccelli and the Pope sent an Important scholarly Priest to be first in command…`

1960 In March 1960 ***Mengele*** **Harrington Golum paedophile Royal Satrap sends Brown rnvr over to my own home… I have bought it new from the makers Sprite…from my wages 2 years at Jaywick Holiday Shops- the little caravan**

Mengele Harrington **with his female vampires was showing his Imperial authority but pretending to The Ghost House Team that he was physician for Malraux**
& only interested in keeping him & his moneys safe for his family…
he was also holidaying with Clara as of old- he seemed to suddenly have a lot of DOUGH
…
Mengele
now began drawing up PLANS-
“
To be destroyed by The British Realm ALL BOOKS WITH THIS CHURCH-Booksellers would be told they were helping the Government
…
Secret Services would deal with any stubborn persons
…
All the old
Mengele
Harrington threats were flying about
…
MALONE/Politan NOW FOUND HIM TO BE DANGEROUS & INSANE
…
but knew he could lose his own life if he made this known to those who might talk and say where they had this information
…
He could only alert Philip Silverlee & then when they were certain of not being overheard
…
Mengele
had under INVESTIGATION All people who have married there-been baptised-funeral services-
LISTS OF PROMINENT CATHOLICS IN AREA WHO USED THIS CHURCH-
The Agents used would be told they `were in training` for this type of work in the future
…
CUNNING DECEIT was the FLAG that
Mengele
waved
…
Many Agents used would not live if they came to question too much
…

& it was the custom to REMOVE some of this type of STAFF
…
tip them off the NOBLE FLAT EARTH
…
They could now use Break-in-&- ENTRY- remove in name OF THE CROWN all iconography memorabilia that shows this church EXISTED
…
`

The book of ARCHITECTURE was a 21st birthday gift 1954 from Brown rnvr's mother-it had belonged to her dead son John… shot by British in Wales for flying on heroin-and bombing ships- killing 30 or more off Ipswich-he'd dumped his bombs at sea outside the harbour-
Things went dreadfully wrong with HILDA's two boys-she had not wanted to marry-she wanted to be a Nun-she liked Saint Hilda-Whitby…her grandfather was Bacon Shipbuilders but they ran down and produced second rate work…

The Plans for the Our Lady Church Clacton-on-Sea were NOT in the book- I was amazed it was returned to me…

***Mengele* Doc paedophile sadist *Gollum* Harrington friend of the Crown & Noble Britain had decided to** PULL DOWN THIS Catholic Church**-**
WHERE ANDRE MALRAUX & GRETA RANSOM took the Roman Catholic VOWS `early Wedding -Marriage of GRACE` 17 April 1947-

1960 **March `THE PILGRIMAGE FROM ABROAD HAS STARTED` says Arthur Malone/Politan…`to see where you and ANDRE married`…we can't believe it either- the inside is magnificent- you feel you are in ROME…that altar…**
the stones of blues, indigo, gold were made in FRANCE…Andre says…a glassworks…
the sweep of those steps…
it cost a fortune…`
(30-thousand pounds sterling & the widows & families did not mind at all…
they had created beauty…)

1937 SUMMER**….`I am not sure Andre-*George* if he wants to walk back the Old Road way and look… I felt from his face that he did not understand our old little home**
- where he com`th upon
HIS ARRIVAL
-
JO was coming 2 hours later by train
- This was where he picked me up from my brother John Gordon's cot-I had to have a sleep
- *Monsters of the deep are gone to Scarlet Town for hi-jinks…*
I am safe until
Stella the Stars
Unity's mother comes-

….I heard what they said as I looked at his moonlight colour face & the very bright eyes brown then green shooting stars & he had a much too tight grey woven raised weave jacket on- oh very tight as if he had collected his school jacket from home in a hurry-

She said `we have had to keep her from school a fortnight-the little intellect is racing ahead of its time-the Nuns cannot cope-LOOK ANDRE-the little thing is already in its sub-conscious mind"

(they have all thisw Junk Fraud bunkum 1920s-30os TALK)…` ` ` ` `She went on about Granny Gordon… `Mary just widowed has her part of the time but she does need a rest now George has suddenly gone…Oh such nice people…part of the town…a loss…Freddie will tell you…`

I *Greetah* RANSOM see YOU- ANDRE MALRAUX- & you are a cine film a movie in my mind 2008 AD & I found you very pretty looking 1937 as I tell you 1957
when the kissing began again …

…I do wish there was an invention to get this out of my head onto a DVD…hurry somebody & invent it…**big eyes brown or green flashing very bright staring at me-& I rise & stand on my points looking at you…I have seen JEAN dance in her LANDS- she put one silver shoed foot on just her toes and stretched her other leg beside her ear…she is my Grandmother…Miss Auntie Winnie says I cannot call her JEAN but must call her `Nanny` as Mary Gordon is Granny…My father only 22 when I am born & he GROANS at this over refinement…but it is really because Miss Winifred is nagged & instructed by Mr Pong & some of the Lindsaybuggarhs Earls as to what I am to be told…**
SHE IS WARNED BY HER MOTHER & brother TO KEEP AWAY FROM THEM & DO NOT SPEAK WITH THEM ABOUT OUR LIVES…
THEY Lindsaybuggarhs on the Sea Front in their Grand when they have the Bailiffs in there other lairs…

DO NOT WANT ME TO KNOW HOW WONDERFUL HOW WORLDLY WELL KNOWN & PERFECT AT SO MANY THINGS IS MY FAMILY RANSOM WEDDELL of `Jerusalem`…

But then they sneer snigger at everyone and never pay their bills in Clacton-just say the EARL Lindsaybuggarh will pay later…he seldom does…They have pushed to his death the breadwinner of the young woman with 2 children- pushed her goodly husband out of the grains loft-he just asked they Lindsay Earls pay for the petrol they kept getting for 2 years from his one forecourt Pump…put in on the marshes for convenience…he sells grains & things to farmers… She took it over putting on trousers & we put in Capital to keep her going…we took a half…then immediately the War was over my father FJR gave her the moneys for free…to keep she & her children safe…she was able to go away & not work so harshly… RANSOM ARE HUMANISTS… So are George- ANDRE & JOSETTE MAL RAUX

LIMPET SHOES…It is in the Old Road Clacton-on-Sea this little slip of a shop with its Wares hanging up outside*…& sometimes the scent of a good dinner cooking in the back on a slow fire…* It is not far from our little house on the other side, past the Dr Barnardo's Orphanage where we have to put little John Gordon RANSOM *for SHEshe has taught him to growl at us & pull all tablecloths off tea tables*
- the thin shop it is almost next to the hairdresser with the girl who gives me my hair shampoo-washing on Fridays in winter & keeps me with her family until my father comes

for me as
Sheshe
& Lindsaybuggarhs ordered petrol & brown
vinigre
to wash my hair & they hoped to blind me so I would not be able to sign documents for GROTE RANSOM Estate…
They do these things in Scotland where they grow this dangerous narcotic and stick it up their snouts AND A RAGING BEAST IS IN THEIR BRAIN
…Since I am 1 year old two of the girls who are at the old Quaker School had a care to me to help my young father …& again when I went in my pram at 14 months…Our teacher was 81 years old and very learned- The girls are of families which go to the Rutland Boughton OPERA Season & some take part…
It is sneered at as `Poormans Glyndebourne` after the 2nd
World War…
by those dripping blood & gore Grote Homes moneys…

I take George- ANDRE to show *HEEE*… & now he is not so fussy about his name & people talking to him about SPAIN. He has become a young person of Clacton !
The LIMPITING shoes he wishes for are a bit like my Eskimo baby boots that
cousin Sarah
Poulsen
de SALLE
of Paris
sent me & which
SHE
she
Teresa Gordon R. threw on the fire- This solemn faced young man
ANDRE MALRAUX
a Catholic as I am…
but also a Free-thinker like Great Aunt Annie artist her only brother John Carroll Williams
…he is talking intently with the sparse small woman with gold-greying hair & another woman who came to buy them for her trade looking very much like the shop owner woman-

I Greta Ransom am alone & suddenly lost because no RANSOM family are with us… But I doth gaze upon the SCENE knowing it is of TIME & will not be the same again unless we

film it or take some photographs-but then only WE can say how this TIME was *(Lennie says I am speaking aesthetics & he thinks that all humanists do this…he too is learning especially when he flys our planes)*
…

***Saint George* ANDRE he is intent upon his conversation with them…*I do not exist…*I know I am fragile but at 4 & a half years of age perhaps not able to comprehend the grown-ups are fragile too…**
especially in this JOYOUS VENTURE…which I have begun to tell to he but mostly to JOJo&Joh…
.
I see you
Georgie
-ANDRE bending swaying, examining the Wares…a white shirt no tie & dark grey trousers & you are so very & tall & slim as Fred Astaire…but like the marsh grasses isolated against the November frosts that lean aslant gracefully…YOU ARE VERY BEAUTIFUL…& your mind too…

& I am suddenly a dumpy dwarf as SHEshe insists I will be if I live to be 17 years….she is not sure I can for I am born of Apes & Eskimos her Noble friends/fiends tell her so… Linsaybuggarhs & Angela…

1937 SUMMER **…ANDRE MALRAUX looking so carefully at the shell fishes *collecting-shoes* hanging in a row downwards outside the shop…that I wondered if his eyesight was perfect… He bought a grey coloured pair about 20 inches long not the expensive ones for he will only use them here a little… but he will take them back to Normandy & show JOSETTE the seaside there & talk to her about his childhood some more**
…
I said I would pay-but he said he would like to- we are very `butch` about these matters
…
Andre-
Saint George
& I who discuss EMPIRES when we hath seen our dear JOJo&JOH a young lady she is
…
off to London town to research & see the great Museums & be
free of bloody SPAIN
& matters about the Universe
…& THE S T A R S
for we will sit out late

& she JO wish she com`th too because it is interesting…
but we all going without enough sleep…`

1936 April - **I have learned some ETIQUETTE FROM Paul Whiteman`s Establishment New York…when he waked us Lennie & me saying `Goodmorning Savages…I have opened your Bank & you may go shopping all over New York…the Manager Carnegie Hall will hand you a tub full (with 3 Senators USA he had kicked the British Ambassador & his evil staff up the `arse`…APRIL 1936...USA…)**

1937 Summer **- Next afternoon we JO & me-*Greetah*- watched ANDRE wade out to the groyne & begin to pick off the limpets-with a knife I think…**
I tell he & Jo of our shell gathering, fishing, and shrimping, in the right seasons-winter fishing
…

…not about the accident-the first- *Sheshe & 'satin & lace' London Town,* & the Lindsaybuggarhs &
Mr Pong
caused to Daddy & friends/ last winter…
1936/1937...

***accounts*-the worst being the intended night murder of them all -the SOS lights & the torches, with dud batteries- *but all had been OK when they began to pack the equipment from the Clacton-on-SEA Old Road house into the car to go to the Pier beach where our boat is…* Oh how they managed to save themselves from being dashed to pieces under the Pier where the Steamers come in- 2 young men bracing their feet against those great pilons that are the re-inforced columns under the Pier built by the Kingsman family…the other young man rowing like mad to get over that great inset BAY…to where they could just stand under the seas if the boat overturned…**

WHY ? this is because we are Ransom-Weddell & we are keeping the GROTE Homes safe & Grote Brokers & all the Solicitors round the globe are stopping then Noble Penniless Imperial Britain taking any more moneys to pay their gambling & obscene lives-because they are Earls & FIGURES FROM A MORGUE…..

1937 Summer **… Upon the beach that first day -to become known as 'Jo's beach' We hath received the arrival**
of a sad wilting
JO-so-tall
Along the SEAS EDGE there was sent
HEEE raised by 3 Graces France
but caught by Clara in his teens…

"Andre do go & speak with her.." & to my surprise he went obediently as if he had just understood. Stella *say'th* to Freddie-theatre- " and I have told her not to upset him, Freddie- not to row with him whatever she does ! Not to give him any unhappiness ! THE TROUBLE IS HE CANNOT STOP TALKING WHEN HE IS WITH OTHER PEOPLE
…
."

I Greetah guided by Lennie & my father FJR guides us both with firm speech…*know'th* signs of severe youth- a Grote child will tell you- I do look forward to going to school with them in Montevideo when I am 5 years.
I am going to be told not to speak about my worries-
but
I can think about them- and I am hurting, my limbs my head-
my aesthetics…

Unity's Mother goes on speaking rapidly with worried nods…

`IN SPAIN- she *(Josette)* has had such scares with him- in Spain-every time there was the sound of gunshots- he would stride out to get a better look ! She said he does not seem to know how tall he is ! If this man had not dived at him and pulled him down

he'd have been killed ! **She thinks Clara has done this to him` (** ***Clara is a heroin addict…)***

I Greta Ransom can see us, hear us…feel us…to the music of Claude Debussy LA MER…my grandpa Frederick Charles Frobisher Ransom & my Grandmother JEAN Weddell SEA ballerina Ransom have taken me to a performance of it…Music for the Stars & THE SEAS that will come …COM`TH THE GUARDIAN Georges-ANDRE MALRAUX…& a young lady JoJO&JOH… out of BLOODY SPAIN…greed greed greed cause such catrastrophi…

with Rosy Fingered Dawn`….

In a few days he George/Andrew ANDRE MALRAUX shows us & many citizens of the Essex shores that he has been raised by `Three Graces` and is a caring clever young man-

ANDRE MALRAUX is elected GUARDIAN October 1937 to the greatest Estate, to the care of a million orphans in education to 18 years around the globe-A University to HUMANITAS say`th a man of Letters friend of Andre Malraux
who hath gone down on SPANISH SHORES of the SEA & collected up with others school books of SLAIN GROTE CHILDREN alive a few days before…
when the great Royal Navy SHIPS of Gross Britain stood off-shore….

`The children emerged to Act the Gospels Out and enjoy worthwhile lives & give of their learning from their GROTE HOMES much needed & civilized assistance to the world of civilized men women children & bring succour- comfort where there was none-resourcefulness & sufficient enough & help to humankind and a care of the Globe…

century Osbert Ransom & family line descending to Fred Ransom & his grandson Frederick Charles Ransom & he to his sons FJR and Dr JOHN RAY Ransom…and Lennie Dr L.I.R…all three had sons murdered in bestial violence by Gross Britain NOBLES for this Crown…

O tempora Oh mores`…Cicero who designed some gardens along the Tiber for an only child…

December/January 1937/8 Andre Malraux's POST/mail stolen by BRITISH GOVERNMENT & CROWN & May 1938 his signed Copy the WILL
stolen in PARIS by a Visitor with a serious drink problem & with Lindsaybuggarhs & Ilk all on HIGH DOPE
-
The USA Grote Brokers & others were the high intelligence administration & Argentine all employed since 1830s
-
NOW a penniless fallen EMPIRE MOB of FIGURES FROM A MORGUE…
put ANDRE
MALRAUX-
his families-his associates-his future work-ALL under investigation by British Intelligence-&
they employ those with violent criminal PLANS able to manipulate the Gross Britain State-
A DOUBLE RAMPART OF GROSS BRITAIN
ON THE PIN NOBLE
KUDOS
knew there was ENOUGH FOR THEM…If ANGELA did this then they should have their share…& give protection for THE GREATEST CRIME OF MANKIND…hee haw hee hee haw…
They had all known one another since kids in the Noble stables…messing Sunday afternoons…stuffing pellets from the bowls of purple PLUM Divinorum Salvia Scotland used by Elders for a hard ride…
and the jockeys too…

1946 ANDRE MALRAUX begins to help General de Gaulle-in French politics-

G.B. Government/etc./noble thugs-trigger happy TRICKSTERS : HAD THEM BOTH UNDER CONSTANT OBSERVATION in case either should hear of the Guardianship to this Estate-now being abused-seashores gutted/ Properties lands in France too-investments-dead children Grote !

Blackmail was openly added to what neither de Gaulle or Malraux knew about Grote- it was spotted early by Gross Britain nobles these were MEN THAT TOLD THE TRUTH …& as both were Catholics the Noble Brits could compound some mischief over the permission by `young Paccelli` to the WEDDING OF THE GROTE RANSOM HEIR TO HER GUARDIAN ANDRE MALRAUX…Orders given …none to know…KILL IF THEY COME TO KNOW
…Say`th Gross Britain …`we can have fun and make moneys this way… Oh Sunday Games
as of old when we were all 16 years to 24...before we had to think about a career…
hee haw…hee haw…`

The matter of the failed April `1947 early wedding` in the Church of Our Lady, Clacton-on-Sea permission `young Paccelli` Pope Pius 12- was well understood as the MISCHIEF of Ed du Cann bastard of Teresa Gordon & Angela and her men…
Miss Winifred Mary Gordon Child of Mary had been led to give Ed a bastard her first consideration…he informed her he had the better education in the family of her nieces and nephews… She a lonely spinster whose three chances and 2 engagement rings had been trodden under foot pre-war by Lindsay Earls and JIM a perverted little half breed Racist…now fell to AFTER WAR NERVES…she could not think very clear
…
SHE DID NOT HAND TO ANDRE MALRAUX her courtesy copy THE WILL OF Margarethe Ransom Grote…
because of hints from Ed that `it was not legal…Angela had said so…` & anyway her kids had been on the big spend & her in-laws of Scandinavia…
Miss Winnie was persuaded to be PORTIA & not to tell the more educated members of her family
…`OUR Bill Mayor of Manchester & all of them…`…

NEITHER De Gaulle or Malraux knew THE WEDDING OF GRACE 17 April 1947 was allowed by `young Paccelli` Pope Pius XII with his burden
1938-1947
of the slain GROTE HOMES CHILDREN
a crime of foul greed done by ugliness of Noble Britain…
The Pope he was assured by several persons including Professor Winnclemann that as he himself felt THIS WEDDING OF DELICACY & GRAVE ROMANTICISM by two young people
`
WHO STEPPED INTO OTHER CENTURIES TO HAVE A CHAT`
(a letter from Professor W i n n c l e m a n n who possibly made a Vatican Visit February 1947)
…Such an unlooked for solution…an ethereal Union of two Catholic raised young

persons who by their nature would GUARD
THE GROTE RANSOM ESTATE
…& this union would guard they
the heir Greta Ransom & the GUARDIAN Andre Malraux-

There was also a Report from the Catholic School the Church that the girl *Greetha* Ransom had tried to help her very insane mother Teresa Gordon daughter of Mary Helena Carroll Williams Mrs George E. Gordon
& there was the question of the bastards one son of a Prince `Henry Hall` of Noroway…& Ed du Cann…& dear Jack Gordon who had died unnaturally Spring 1945 after his 60,000 English pounds had disappeared he a Ward of the English Court…his father a medical RN man had been pushed off a boat…after making the 3 year old a Ward of Court…
The British Nobles were PENNILESS… Suddenly the British Crown was sporting dough & they could not be asked
`
where have you got it from this blood and gore river of slain Grote Children…whose given it to you ? `
FOR THE ELDERS who administered this philanthropy Grote Ransom OF THE GLOBE it was a WAY FORWARD- they in shock 1947 from the discovery of the slaying of the GROTE HOMES CHILDREN ages 3 years to 18 years… A widower of Gaul & a British Maid of 14 Races & 27 nations she could travel into & enter a HALL of her KIN…
(It went on being BIG GAME HUNTING for British Nobles…the descendants of all Grote children had also to be slain…some had risen high in humanism…records/archives/)

Both General de Gaulle & Malraux were under death threats by dope & booze divine BRITISH NOBLES & CROWN & Scandinavian **Vikings out of ditches Ale mugs in their paws-**
if they should learn of the WILL-
de Gaulle & FRANCE & MALRAUX they lived dangerously-
not knowing- 1946-1960...

ANDRE MALRAUX, Detectives, Colleagues, Colne Engaine January 1960 were horrified to find that Mis s Win Gordon
had never handed to
ANDRE
her Courtesy copy the WILL when she had him in her kitchen from June 1945...`

BUT SHE HAD PUT IT IN THE ORDINARY POST TO HIM when told to do so (*upon its discovery by Julie Butler cousin)*
mid OCTOBER 1957 telephoning Greta to 50 Lancaster Gate Square… GRETA WAS TO TELL HIM IT WAS IN THE POST…Then Greta did not answer the telephone or was never in
…/
Mengele ordered removal telephone & told ANDRE MALRAUX I Greta Ransom was misusing the telephone…/
She Miss Win Gordon had no idea that British Naval Intelligence RUN BY
MENGELE
HARRINGTON
Gollum
paedophile had permission to
TAKE ALL MALRAUX's POST/mail
for the
BRITISH CROWN
…& not bother too much The Earls of Lindsaybuggarhs…

That ANDRE he had been put in such danger she could not grasp- her nephew Ed du Cann had told her the Estate was the property of the woman Angela & these nations A to Z had risen and slain all the children- That his not knowing of the Estate had led to a persecution of he & Greta whenever seen together for so many years she did not follow-

`When Greta was to live at Andre's London home Miss Win had put her copy in the ordinary Post to him at 50 Lancaster Gate Square, October 1957- not come with it- or sent a messenger- made some arrangement with the Solicitor who had this package for her ! ***(Astonished Detectives Colleagues of Andre Malraux 1960)***

IT WAS OF COURSE STOLEN AT THE DOOR BY *Mengeles* Harrington working for Naval intelligence Government Lords Earls and The Crown…
ANDRE & GRETA now had horrendous weird happenings about them-dope used on them-putting they and the staff 50 Lancaster Gate Square , the 2 hired Detectives in the most horrific danger…Nov. 26th
when Andre & Greta visit her Clacton she was annoyed but she was clearly bewildered & the THUG the Royal Satrap paedophile
Gollum
Mengele

HARRINGTON
was again THUDDING HIS BOOT IN HER DOOR when cousin Julie was out a day… du Cann & Lindsaybuggarh Earl 14
an evil little Jack In The Box…
were also messing about around her & all on HEROIN & now they have added LSD as well as the purple pellet up their SNOUTS…
Account/tape
The Visit to the Seaside the country that wasn't-for St Andrew's Day/ Life of Andre Malraux & Greta Ransom …Guardian & Heir…

All wartime the Grote children & staff & others were being killed- revenge killings of madness to remove whole families Ransom Weddell and other lines has been going on- 1953 the electrocution of Len's 11 years old son- Many families- individuals distantly related with properties of their own were missing -no Weddells alive in South America by 1960 - accounts/records/

1962 MARCH- IVY RANSOM realised MALRAUX & de GAULLE HAD NEVER SEEN THE WILLS when they should have received them spring 1960- there had been messages supposed to be from them saying `matter under consideration` The Detectives had explained they could not risk their lives trying to get to them
…& ANDRE MALRAUX was under threat of death as her brother Dr John RAY Ransom found out Summer 1960 when he saved MALRAUX's life WITH THE VATICAN…
IVY now explained what she had discovered from this unexpected visit from Greta March 1962 arranged by a Miss Rose Holder who worked all her life at The Main Post Office St Martins le Grande London
….
She IVY had 10 minutes alone with Greta before Fred came in-she IVY had just come in from work herself-they had taken a flat above an old shop in Deptford known in happier times to the family-her brother the eldest of them was in a break-down after all this THEFT FRAUD over the Estate of Aunt Margaret ~
…Greta her niece whom she had not seen since a babe in a pram had NO IDEA of an inheritance- or an Aunt Margarethe- SHE HAD NO MEMORY OF BEFORE THE WAR- of Ivy's parents ! An interest in Greenland the girl had but no idea of an island in the snow… Greta said she had received no post/mail…but some had been spoken of by her mother & her Aunt Winnie…nothing more… The girl seemed to her fragile but strong inwardly perhaps…
She saw her for about 15 minutes no more
…

Greta clearly had no idea that her brother Colin born 1938 had lived with Ivy 1949/1951...that she had put him in a London school & given him a proper home…then the mother had called for him back…

The Detective Malone now called immediately & told them some more---she Ivy & her eldest brother Fred Greta‘s father whom she gave a home to for he was ill from it all… & all his Argentine moneys had gone missing & they were told it was Property of the Crown England- you could not get anything in writing from them-

She had had them This Crown hanging about her after dark waving a halter… Mr Malone he had not known any of the families Gordon or Ransom before the War…Philip Silverlee had …& his daughter at 28 years of age 1960 May had been murdered in this…
it was clear where moneys were being directed …
it was spoken of in The City as FRAUD-THEFT…gigantic theft…a river of blood …
but nothing had been done after the War…They were learning more…some Army Officers & others were helping find the criminals who had slain the children…that was there business & they had objected…& thank goodness for that…

Immediately after Greta`s visit she told her brother in the USA- he told the old Kennedy family members who had known Aunt Margaret & Thomas… THE WILLS WERE NOW TAKEN DIRECT to General De GAULLE & ANDRE MALRAUX who then began to read the 3 Wills/letters/diaries/ This was what had been sent to them just 2 years before by Arthur Malone & his Team…it had been STOLEN FROM THE COURIER FROM General de Gaulle… By the thieves of the moneys of the Estate…those who had had the children killed had STOLEN THE PRIVATE PACKAGE SENT LAWFULLY to General de Gaulle & ANDRE MALRAUX…you needed no more proof of who the criminals were…
She was weary with it all…nobody told the truth… it was all done for 2 girls who had too many clothes…` They her families & Advisors had all had to have a long discussion…
The Estate was being connected up again with the nations that had the Childrens Homes…it was a private matter now & her brothers took good care of it and Malraux when he could…he had been ill since they took away the lives of his boys…she had a son killed in the same way…he‘d been hit by a car…there had been a lot of it…to get hold of Aunt Margaret`s moneys …` IVY Jean RANSOM & Detectives Colleagues of Andre Malraux & her three brothers FJR Dr JRR & Dr LIR….March 1962 onwards…

There are files/archives/letters/diaries of harrowing accounts of the slain children-others- 1939 onwards 1948...

Andre Malraux & General de Gaulle reading the 3 WILLS with Ransom brothers & Advisors are shown what has happened… " A gigantic obscene piece of British Statecraft " says the General - & learn that from spring 1960 when the package of precious Papers from New York by a Courier of their own was intercepted there has been hurried depth-charging to remove Grote children bodies sunk in nets at sea…/Pits on shore landscaped/concreted/ some labelled in small diplomatic lettering CROWN LANDS/ Fraud theft A to Z AROUND THE GLOBE- 2,500 HOMES/schools/ settlements/ etc had everybody dead ! & JACOPSHOLMEN ISLAND of the MARTYRS de Salle of Paris… WEST GREENLAND WAS BOMBED June 1960...de Gaulle & ANDRE MALRAUX had no documents earlier so they did not give the precious Island protection… records-photos-accounts-objects-bodies-personal belongings-books of the dead were collected/ "

For JAMES WEDDELL who has not yet written his book on the sub-arctic SEA is officially OFFERED THE POST OF FULL GOVERNOR BY SPAIN ! Education **Greta Maureen Ransom age 8 to 12 years… has January** 1942-1944 **summer Headmaster Captain-Commadore Leroy, Llewellen Road, Clacton-on-sea & University teachers invalided out or Pacifists/ Then she moves up to Pathfields School /Teacher for Drama & then Head of School is Laura Lawrence- Newnham College Cambridge/ Geography & history both schools was ARMSTRONG Cambridge University-**

Many of these teachers are companions of ANDRE MALRAUX widower 1945 into 1947 & some onwards...

In October 1945 **I Greta Ransom put myself in the Convent of Saint Clare by the R.C. church Clacton-on-sea inspite of orders from Teresa Gordon R and her Nobles that I was to stay where I was… I prefer to go back to my pre-war school just opened this Term…& I have no intention of walking across empty farmlands where I am quite certain they mean to attack me…Miss Lawrence was upset & felt I should stay put but then she objected to all girl establishments perhaps…**

ANDRE MALRAUX WAS NOW PART OF MY LIFE EVERY MONTH FROM MAY 1945 to the `early wedding` April 1947...

Miss Winifred Gordon my aunt allowed me to take some drawings of *Aelovedmah* into school 1944/winter 1945 but there was VIOLENCE FROM HER SISTER Teresa Gordon Ransom & the appearance of old Noble freaks from pre-war…A man was found dead after seeing TGR talking with `log of wood-old centaur of the sea Louis Mountbatten` *(See the incredible burst in 1937 by him waving a gun to have something signed by TGR… They have all been nasty kids to-gether early 20th century…)*
One of the SAN JULIAN treasures was a braid of Greta's great-great grandmother Aelovedahh-Maria's hair- her drawings & some by other persons of her show a pretty girl, freckles, auburn hair in two plats round her head, INCA cheekbones a sweet rounded jaw of perhaps her Tierra del Fuego grandmother who is also part Gaelic/Norwegian …
she is the heiress with her brother to lands very extensive San Julian land & marries 2ndly the INCA last of his line-their issue the one son Yahama Josef San Julian born in the 1770s …(
Older Blood brother Aztec)

I do not know the fate of these precious Ransom family mementoes…
