

... “ I had no idea that YOU and General de GAULLE did not know of the full GUARDIANSHIP you agreed to in October 1937 and wrote a letter to Mary Gordon saying so *(and she informed Pacelli of THE VATICAN)* ... You did not know that it included the THOMAS GROTE HOMES worldwide for CHILDREN

...

and our family worldwide RANSOM `JOYOUS VENTURE` Estate in 3 Parts :
I and my brothers, others of our families HAD NO IDEA THAT YOU HAD NEVER RECEIVED the WILL and the CORRESPONDENCE sent you since 1938 =

... there was also the matter of big sums of money drawn on a cheque book sent you from New York ? ... Replies to our polite correspondence received short answers ... `busy just now`

...

will get back to you

`

...

and so on

...”

“ ... You did not whom I, Len, was - I came in because we were worried about Greetha ...

I was allowed to use the name of a friend who worked in The Whitehall

...

our family RANSOM were very concerned

...

disappointed that Greetah Ransom had never been able, or interested enough, to take up her position as HEIR

...

the education she had received pre-war had proved she was not born mentally deficient as her mother and her very NOBLE CHUMS insisted :

...

and I am her heir

...

the matter of administration of the Estate was very carefully worked out pre-war

...

”

REPLYING : MALRAUX said that ` 1957 November he felt he lost the way when SHE Teresa came in - put herself to live and sleep in the room he had given to Greetha ... HE PANICED OVER THE REPUTATION OF HE AND GENERAL de GAULLE

...

the GENERAL and he, MALRAUX, had no other reason than SHE Teresa had a well known long Prison Sentence in the 1920s - a 6 years sentence Holloway Women Prison (1926-1931

...

release for kidney problems

...

`

(... in 1932 she married young FRED JOHN RANSOM ... father of 1933 Greta, 1935 John, and 1938 Colin - 3 healthy Ransom children

...

)

MALRAUX continues : `He and General de GAULLE were threatened since 1947 summer over the Catholic Marriage ... 1957 November he ordered Teresa OUT of the building ... he even packed her case early morning when she refused to go

...
**sh
e stayed out some weeks**

...
then came back in

...
He constantly heard from she and Doctor Harrington that Greta was insane and a danger to everyone

:
he did not find this to be true

...
but he found her forgetful

:

Reports to General de Gaulle bore out her quiet nature and her interest in the world of Museums ... She had been working in Colchester Castle Museum 1952-1955 and kept her friends there

...
He Malraux knew them

...
Mr Poulter Deputy Curator of Essex and Colchester Museums had been up twice to stay in the building

...
they had gone out to dine in places well known at the turn of the century

...
Poulter had been 20 years out East - travelling in CHINA before the BOXER troubles

...
,

That month November 1957 he had just learned that the marriage was never dissolved by POPE PIUS 12 ... HE HAD BEEN TO SEE THE POPE ... And he had said before dismissing him, Georges-ANDRE MALRAUX

...

POPE PIUS 12 = " I NEVER DISSOLVED THE MARRIAGE TO THE GRANDDAUGHTER OF MARY GORDON ... Yes - take up the marriage again ... go and see the Bishops ... clear it with them ... I HAVE OTHER THINGS TO DO

...

...

...

"

(((1957 November : And the friend known as `young PACELLI` to the Southern Irish families of Mary Helena Gordon, and Margaret nee Ransom MRS THOMAS GROTE

...

BOOTED OUT `young MALRAUX`

...

?

))))

MALRAUX CONTINUES 1970 ... " NO WILLS or WILL that WE KNEW OF if de Gaulle had known of the inheritance in 1947 he would either have dismissed me or had me

joyfully take it up

...

depending upon circumstances

...

He has said when we examined the WILLS March 1962 that he would have urged me to take up the GUARDIANSHIP

...

and help these poor people who HAD otherwise NOWHERE TO GO

**NOTA BENE : 1957 October : MALRAUX met my father FJR b 1911 - FJR read
1932/1933/1934 diary events to him : then my father is
seriously attacked in London -
the attackers are JIM Jong/Ed du Cann/JGR/and ex-Kenya-Scots thugs :
Ivy Jean RANSOM would not allow MALRAUX to see my father again - she was polite but
said he had to leave for some work ... SHE DID NOT SAY HE HAS BEEN TAKEN ABROAD
TO A SURGEON HE CAN TRUST ... It was feared damage to his liver - he recovered - only
to be attacked again March 1969 and killed by Doctor HARRINGTON friend &

EXAMPLE : ANDRE MALRAUX at St Edmund House, 50 Lancaster Gate Square received urgent message

from French Embassy London one evening about 8 pm ...

` General de Gaulle wished him to

REPORT BACK ...

to

General de GAULLE ...

URGENT ...`

*Georges the `BLESSED ANDRE` , he returned after two or three hours or so ... he knew he had been `HAD` ...*

... He may well have uttered as he came through the door ` I will kick MENGELE HARRINGTON up his stinking arse if he enters through this door again ... when I am in need of a good night of sleep ... & MUST have PEACE to think and write ...`

1957 November : I had complained of MENGELE hiding in the passage beside my top of the house room and jumping out on me with a NEEDLE saying ` I will not have YOU talking with my Patient ANDRE MALRAUX ` I complained to Georges-ANDRE of this and he said he had asked Mrs NURSE Mengele Harrington and she said I imagined it ... Her husband was between 6 pm - 7pm working hard in Hospitals

...  
:

... I said ` HE IS NOT !!! I CAN SMELL HIM ... and I have to come up the stairs without my shoes and RUN OUT when I can SMELL HIM ... that is WHY I do not come home until 7.30 or later ... I go to the Design Centre, the Haymarket Tea Centre, or call in at all the non-Catholic Churches where they are OPEN in the evenings !!! ` / *was hot with TEARS coming - age 24 years !!!*

Georgie-ANDRE MALRAUX-Colonel Gov-Sir ... looked at me carefully then uttered one word ` D U N G ` ... ..

... He gave ORDERS that MENGELE be kept out of the MISSION and HOSTEL in the evenings ... IT WAS IMPOSSIBLE TO KEEP THIS POWERFUL SADISTIC KILLER OUT :

RETURNING FROM THIS COFFEE BAR (where was it ?) ... perhaps Boy Wonder Dreamboat of the Asian and Western World
