

1960 January Colne Engine : Arthur Malone/Politan came over about 9.00pm “detective Malone reporting

‘you have been born on a hearse - trouble is you keep getting off` **There will be a Night Watch in the next hour-he carries a gun-stay inside keep the windows screwed down-not even a half inch open.** You can
use the skylight an inch-
wait a minute I had better check this with my Colleague-

Andre will be over in a few days he thinks-

And there’s another coming down to help-`

I cannot possibly grasp the enormity of the Estate-I can only think that this is something to do with the father I do not know him since 1945 & now I am told he has relatives- All of our life 1930s has been removed entirely from my mind during Wartime when they all went away to fight /

put back 1970s when LIR made tapes-with others-not to be heard until 1980s when they have slandered & murdered him-he should have been 80 years in 2001 here on this piece of Heaven in Gaul-an orchard-a West Window as we had on Jacopsholmen-a garden that grows things to eat-

(a poem by HORACE `all this the Gods have granted`)

1960 - I GR a pauper girl who sit at the feet of King Carpetua (a painting) must be calm & tell the important person of France-so-clever to put the Job in Gaul first-as I used to 1958-1959-but I do wish to be with him & think it is not possible-that is my understanding-
