1880s- Grote Homes-`the island with no clothes` **after 15 years of educating orphans & insisting ALL their children go in the school- they produced the highest standard of literacy the globe had ever known-** Tig explained

well you will have no workers-& you cannot be bringing back slaves from the other islands anymore- Mag & I have been producing you teachers to teach a humanism happy life- they worked it out themselves in terms of humanism & contentment- they now sometimes wore cotton trousers & shirts & their library was stunning-

1880s-1940s...The Pacific Homes & Asia had RN British Empire sail in & demolish the HOMES where they could- one built on an Atoll was destroyed by British thugs- an Arab Prince said “ Tiggy the British have attacked your Temple-don't worry- we have got somewhere else safe for you ...”
