1937 GHOSTS-Angels-demons, devils, witches...

Sitting in the garden one evening after a busy day on our feet seeing churches,
buildings, villages our talk came to ghosts & ghostly matters...Josette very level headed
here. I saying you
perhaps can see them if you can step back in their time-perhaps by thinking-but I am not
sure-there are ahead inventions-mankind may learn more-I ask about such matters of
family & friends.

I do not think

ANDRE

believed in ghosts at all-only memories having to be upheld-he may hath seen too much

GHOSTS & a possible other world- *Heaven was not considered-it was separate-* at least for me

of science I had some & the stars-& we would visit !

1937 THAT EVENING- I was allowed to speak on a party, queer that **SHEshe** gave (Unity's mother was in the kitchen
seeing to this & that

-
glad to have us out of the way)

...
.

SHEshe said it was a party for MEN TOO HOLY...it was last winter-some Salvation Army men & some Bookmakers came thinking my father a man of WISDOM would be there-she gave them a drink from a jug ...& they began to take their clothes off-

I did not hear what **SHEshe** was saying as they drank the pint POTS...I crept away on all fours & out by my secret way & went to the kindly neighbour who is half-Jewish & has the sick husband who needs nourishing foods so we have her help us for money-and she is pleased- Sh
e went to the other neighbour who has no fear of **SHEshe**
& they called the POLICE-men-

They took her off "to the Cooler" & the poor men were taken to the hospital after they had their clothes put back on- they never remembered anything- we could all protect them hereafter-

The POLICE-men kept her hidden in a cell for 5 nights-she'd gone mad again-they would not let her have a Solicitor & Dr Clarke her Family doctor as she brags (he is not mine) was told

"
little matter about your conduct in Canada before you came over here Sir

He went to his Surgery & dropped the matter-he

who is often GOT OUT by phone calls from her friends Mr Pong & Angela & the Lindsaybugarhs who want her destroying our lives

...

THE POINT OF THIS TRUE TALE WAS THAT I FELT YOU COULD SEE GHOSTS IF YOU WERE HYPNOTIZED...

I thought ANDRE-George looked placid at my finishing sentence- When I had just begun his eyes were like two big moons-
Josette is much more level headed
-& knows life is difficult

...

ANDRE MALRAUX has known *SHEshe* since winter 1924/5 when he & friends helped her & Miss Plunket Greene who were in Deauville & had come to CALAIS with Jim JONG Mr Pong & he had robbed them & knocked them with a SPIKED DRINK- he has the KEY to the
the Bloody Liars “dusty Mansion France of
a`s ANCESTRAL place-” *Angel*

1937 Summer- The House on the Corner Clacton-on-Sea-

Our hostess Unity’s mother came out with her apron still on-she likes to do some things on her own
...Just as I added “The POLICE-men went to Grandpa Gordon but he & Granny were away seeing his brother JOHN

.....

”

She explained ‘...George & Mary Gordon they go up to see his brother in Scotland- he

has A SEAT & lives alone with his servants-she died just before the wedding-he does not want to forget”

I was a little upset & felt fear about Scotland & said

“NO! Granny & Grandpa Gordon never go into Scotland because of what happened to John’s little Bride-to-be-hours before she was to put on her wedding finery... *We say prayers in church*

...

THEY ALL MEET IN MANCHESTER- with Granny’s families & have a happy time...sometimes he pops over to Southern Ireland to see them, all Granny

s cousins

...”

I G.R. was allowed to go on - “ He has had to wait 20 years to send them to Hell, all of his Retainers & the neighbours helping- they caught them one by one- everybody helped-

Great-uncle JOHN, he grows the best tomatoes in Scotland-Oh before anybody could grow them ...BUT HE DOES THESE THINGS FOR THE LIFE THEY SHOULD HAVE HAD-

She is not a ghost but he & all the servants go on living there as if the Wedding had happened-

Or they would all have gone insane or at least got nerves-

AT CHRISTMAS THE HOUSE IS LIT decorated & presents-

The table laid for a Christmas feast as it should have been-

They pretend she & the children they would have had

**all come down from Heaven- all the rooms are prepared as they were when she was
coming a Bride- & the children
their rooms as well-
he buys some toys-
then he gives them to the poor the next year & goes shopping for some more-**

**1890/91 `HE HAD EVERYTHING READY & SHE HAD HER WEDDING DRESS- then hours
before they should go to the Kirk to be married he found her beautiful young face cut off
& laid before his door.**

They never found her body

...

**So they built her a lovely tomb in the garden & decided everything must go on as
planned- but they would let *THEM* forget-then they would *SEND THEM TO HELL*. She
may have been called Marjorie**

...

but I am not sure

...

Great Uncle John is still there
