

1937 SUMMER *Discourses* - **ANDRE-JOSETTE-Greetha**

We were UNDER THE GREAT BLACK SKY with DIAMONDS set in its vast spaces- & we have all agreed with discussions that WE ARE TO GO TO THE STARS...

(& I know from my family histories that Gertruid Great POUL's grand-daughter had eyes like "diamonds in the Black Northern skies" when FREDERICK RANSOM came sailing in with his brother JOHN RANSOM & began his courtship of a Maid in Eskimo clothes with her girlfriends She can be seen my father

,

s

**Great-Grandma Gertruid
2-times-back for Greetah
in the painting by their old friend
Delacroix
Sardanapulas
-she wears an indigo veil-**

i

t is in the PARIS Louvre- Delacroix liked painting her exotic presence listening to her Greenlandic lore-she spoke several languages well having been in Finishing School Norway

...

**(The British Nobles made obscene drawings
in the 1930s
of an educated woman- & of her daughter Margarethe the richest person in the globe
to their CRASS bestial envious understanding-they the Vagrants sailing about the globe)**

“The RANSOM BROTHERS late 1820s borrowed a skiff at Frederickstown & went to look at a new harbour site called **JOHNSTOWN** but it would not do-not deep enough-they sailed along & eyed the girls for it was time they had brides & got some good blood coming in-their mother a Miss Keiller had died at 32 years of age from an Apothecary insisting she could not go to church with this little lump on her neck-autopsy done by FR 19 years old who took his young mother’s body to near Edinburgh in shawls & blankets & learned with the doctors-lump not at all going to her brain directed by the Devil- ignorant older family members her side persuaded to bow to pressure- Because of this he wrecked his ship channel-sat talking with young friend Gericault about wrecks

...

bought 3 paintings

-

ANDRE MALRAUX SAW photographs & article in a magazine 1920s on these- `Property of a woman who lived on a barren Scots Hebrides Island`

A Weeping Andre Malraux in winter 1970 said he had nothing to connect in SUMMER 1937 when

Greetah

spoke of an ancestor helping `paint a Raft`

`

...

`The RANSOM family were away in Spain on a rescue- a terrible tragedy happened- **JEAN WEDDELL** ballerina was soon Winning in the Spanish Courts for the bereaved **Murgatroyd Missionaries-**

Jean grandmother Ransom to Greta- her first languages

Spanish-Portuguese-French-American-some Peru & Tierra dialects-

she always spoke English with South American accent-so British Nobles called her an Ape

...

`

1820s West Greenland - **FRED RANSOM** spoke to this Maid in **GREENLANDIC**-she answered him in **NORWEGIAN**
-he tried that & she answered him in **FRENCH**
-He tried **GERMAN**
& she knew that-
& **LATIN**-
she tossed her head & gave him a Sermon on the Mount in **GREENLANDIC**
stressing the teaching of **JOHN** a favourite in Greenlandic Christian teaching-
She did not have Ethiopian to her tongue-
Frederick RANSOM was fluent- from putting himself in the **COPTIC** school 6 months when he was 12 years old & went to stay with a widowed Aunt for 2 years: his Aunt was told to stay living in the Residence-her husband had been the Consul
(USA or G.B. ?)

GERTRUID POULSEN- she is **Jacop's** only daughter (**Jacop Gronlander-POULSEN** eldest son of **POUL GRONLANDER** & **Margaret** *nee Yates* his wife)
& **HER DOWRY WAS GREAT POUL GRONLANDER**

S ISLAND agreement with her brother **Count Poulsen Norway**

-
SHE
WAS THUS COMMITTED TO
BUILD

A UNIVERSITY to her Grandfather **POUL** on the island **Jacopsholmen**-
a big island off **Xristenshab**-
Decree 1770 Danmark-

FRED RANSOM he records the first meeting ***“her eyes were like diamonds in the Northern Skies***
” its in Jacop’s Ladder an
autobiography by J.R after her death & their life of miraculous achievements-the Theatre Jacopsholmen Island going up & that world of intelligent civilized humanism visiting an Island of happiness- craftwork-hospital-school of outstanding intelligence- modern houses superior to Europe-hygiene-diet-Island able to provide for itself always 5 years ahead from the Ice Caves everybody had

...

“ Old Fred Ransom up within the Arctic circle had the first metal re-cycling Unit in the world ” says Captain Alan Villiers “THE FIRST BELL CAST IN GREENLAND, 7 feet or so tall
”

^Fred & Gertruid Ransom had the four children-

1st Frederick age 7 years to fall down a crevass with cousins Gronlander bodies never recovered- then Margarethe- John & Poul ***“the school the highest standard in the globe” ad ds Captain Alan Villiers Dec 1967 Oxford***

-`

“Utopia-democracy but they kept stopping them putting up the University- BOMBED IT- Peter- 7 years ago ! S HAME - SHAME - SHAME ! ”

bombed by Gross Britain & Denmark 1960 June onwards

-& Captain Alan Villiers named gormless big spenders of violent fraud-December 1967 Oxford-

All Hell broke out around us again snooping wretches with long black tongues sadistic brutes who drip blood & gore from the slaying of the Grote Homes children so they could get DOUGH

-

Greta being blamed by ice blobs on a mud puddle

...

for living at 50 Lancaster Gate Square invited by ANDRE MALRAUX April 17

th

1957

at 24 years of age-10 years after our Catholic Wedding of Grace-in happiness we both
now strode tall while -

Diaries/accounts

1937 January - **Nota Bene** : `have nothing to do with Courts & Kings young woman-we once
found an enlightened Ruler-down in San Salvador` Captain Liam RANSOM

...

1937 SUMMER HOLIDAY- nearly midnight after sad hours of they not in harmony the
daylight hours- I begin to describe to JOJo&Joh &

ANDRE-George what it is

like to be the Cabbage Fairy

& SHE IS SKATING ON THE

BLUE-GREEN LEAVES

encrusted with frost

...

FOUL WINTER HATH COME

to seacoasts the globe

& cabbages give us health -

1937 - *Did I attempt to tell of Millicent Frobisher Mrs JOHN RANSOM my grandpa*

Ransom 's tragic tiny mother & why we always keep the house 'Jerusalem' at Deptford- speak of true happenings nowadays

...

"Mill sits on the stairs- We say Lennie & I- `going skating Mill ? ` Wait a moment & we will come ...& we can all call in at the Ice Cream Makers Soho & go into the Park where you take little Frederick Charles in this push-chair I am happy to have- We can go talk with JEAN

s Grandpa Weddell sitting on the Deptford waterfront-give him some hope- say WE ARE ALL HERE & HEALTHY -& determined to survive-& its thanks to you & all of them our lines sailing down the years of the centuries- & you came a bride because you loved us all so

...

I must have said some sentences of family histories while relating ` a FAIRY SKATING IN WINTER not minding foul weather-

I always finish personal matters the family with ` A CHEERFUL ADVICE` - how to deal with grief ... & this is learned from both lines my grandparents- Lennie & I are unable to avoid sad lives lived or being lived but they must never be forgotten & trash put in their places-

we show to others PATHS OF HOPE...It is my father FJR his brothers JR & LIR who will pass written work on the RANSOM *et al* family histories to ANDRE MALRAUX 1960 on

...

1937 NEXT MORNING DAWNED & ROSY FINGERED DAWN WAS WEARING HER CLOAK

OF SAFFRON for we seem to
have slept longer-
& we three rose from our beds our natural chosen times /our beds are tied together &
I
because of the nightmare am welcomed to sleep at the bottom of their tied beds as
“
the little lion the little Palestine Crusaders dog at the foot of our tombs
”
-
We were all very happy more than before- &
Andre
Saint
GEORGE
was especially kind & attentive to
JOSETTE
at the breakfast table the next days- & the happy holiday routine went on
...
,

1936 April `GOOD MORNING SAVAGES`

...an American Gentleman saves the Grote Homes Ransom heirs- April 1936 -NEW YORK
City- I did
mention his duck-billed platypus now & then- but Andre felt this was beyond his
comprehension- even though he speaks English from Joseph Conrad
,
s translated books-
I expect the 17
th
century Quaker part speech was perplexing & coffee ice cream in Tierra del Fuego & how
to get out of our INCA cousins mound
-
Jean dancing Debussy
,
s
Iberia
for the Basque cousins the Aquida family of her great grandmother -
we have arrived by our own seaplanes & launch 1936

...

1937 SUMMER Unity's mother goes to help get her father get up *for the hours of the day*
at the white painted Convalescent Home towards Holland beach JO

s beach-

& she looks after this sweet little house & us & our laundry & things.

One morning

JO

said we would

make a broth

as they do at home in France- & she has seen cooking in Spain-& we will go

round the Town

for broth makings-so with baskets on our arms we left the key under the back garden
mat

for

Saint George ANDREW

...

Unity

s mother has shown us the Spanish wine she has got in 6 bottles- but she says we will
go to other Towns ancient Towns for more varied selection other lands- in

Camulodunum Colonia Victricensis

is a one man shop that has rare things-even Oozu-

its Greek I am informed-

I will pass this information on-the artistic peoples of Essex will know of this-

I do not know of Retzina yet-but its only meaningful to those who hath

lain upon those shores-& heard

the THUNDER & THE SURGE OF THE ODYSSEY-

`the surge & thunder of the Odyssey`

Andrew Lang writer poet-coloured Fairy Books-
