Suddenly General de Gaulle was dead so soon after retirement

...

1970s Harwell- *Saint George* ANDRE MALRAUX saw a home & my attempt at a holy house but it was sometimes impossible to keep monsters & Royal Satraps out when we went to the woods or activities of normal families

*we were to be expected to be searched as usual*

*It was a crime to have books on Ransom-Weddell-Greenland-INCA-MALRAUX-the old sordid tricks went on*

(as at Colchester Castle 1954- see burning of books of Donovan Bookseller Colchester & Strand in his Rare Book Room)

Simple gentle scholarship & philosophy is meaningless to those `whose spirit is slave to gold- they hath never drunk of civilized wholesome knowledge` ( Willis-a book of poems-Jean Weddell had from the time of her first marriage to young Smith

Argentine-married in Spain-she 18 years old-he died less than a year from  
appendicitis-given to me by IVY RANSOM her daughter 1962...

The poet of the lines on the power of the Odyssey Andrew Lang slept in our house I tell  
ANDRE MALRAUX Retired Minister of GAUL-

`how he came from Winchester on his horse to stay with the young artist illustrator L.  
Leslie Brooke & his wife Diana Sybil- renting the lovely house for 9 years-`

ANDRE MALRAUX

appreciates such knowledge-

L.Leslie Brooke's wife *returned to The Pillar House 30 years on*-her husband had left the  
immortal childrens books a mark of a civilized mind-

We have left our civilized contribution too- books-photographs-letters-

Is this some devilish brain-washing of those we feel we can trust-

They still rule -this HIGH CLASS SIN ON THE PIN**

**Politan-Arthur Malone said to my remark `I did not think Vikings were about in the renaissance` -  
`The Vikings ? Oh they got left over on Lindsay Island` - PJPW jumped in nervous horror- clearly I was not to hear the name LINDSAY

THEY DO NOT EXIST FOR G.R. -WHO LAST KNEW OF THESE MASS MURDERERS OF  
THE STATE IN 1940s

...

1953 New Year's Eve Nethrington Hall & the quick killing outside London did not have me  
retain that name- only a bunch of posh thugs that poisoned an old lady in their family at  
9.20pm because she was going to call The Police

...

Nothing was in my memory by 1957..

.

or by 1972 WHEN COM`TH ANDRE MALRAUX- with Lucretia Borgia an old friend from the
