th-

`we were all here- just a handful of years ago- WHILE THE SEA CAME IN & OUT-

I can

,

t forget her & I never want to forget her- there are our two sons-

I Greta Ransom am wearing a little tomato wool jacket with a peplum that *JO wore-* it buttons up the front-

I am told by

SHEshe

Clytemnestra-Mother Ransom

who came striding across the road

`its dirty-take it off- I will pay the 2 shillings to have it cleaned-you could be bringing disease into

up their snouts is frightening & numbs the body & mind of their victims-for no Newspapers will help-no Parliament officially

...

We never saw the tomato jacket again- *SHE*she either gave it away in London or tore it to pieces-

Andre

The Widower George Colonel

looked so pleased as he

buttoned me into it & proud when he looked at me from a distance as I stood by the TREE in the centre of Clacton Town its circular seat full of old people with shopping bags-she came insulting me when she knew it was from him-`you look a fat fool in that-peplum-with your fat behind-your fat legs & its dirty dirty dirty from France
