You do not talk light heartedly in New York to

My poor father's vast collection he carried about to stop destruction further-as LIR- brea
k-in & Entry in name of G.B. Government & Crown had vast paperwork & ancient records
burned-as Earl Lindsay 1938 in front of Augusta Frobisher & Greta Ransom
!

My father took such care of our Records- to write upon

IN MY LAMPLIGHT YEARS Daughter

From 1953 Ivy took care of our papers-books-she knew they were destroying things we had placed in the great Collections of the world-or putting their foul names on-

1962 March - IVY Ransom says- they took everything-I had it hidden in my drawers-your Dad was about to begin work writing more up- It was after MALRAUX came here with a staff worker one evening 1957

- They left a framed photo of you on the floor-crushed beneath a boot- I have not told your Dad-he cannot take much more ...h

e had to return from the War & see what they had done to our family home-cut the joists so the upper floor fell in-the neighbours reported who they were taking our property out of the little home 2 days before

...

1940...

They could not wait to destroy our family after robbing us of our work-our property

...

(Ivy still did not know that ANDRE MALRAUX was an abused very good man- & that Charles de Gaulle had British Naval Intelligence stomping from early 1950s all over his country home-searching his papers-books-his FRANCE Intelligence

1957 November Report- **G.B. Naval Intelligence thugs-JIM & this queer no-doctor- broke in & stole this collection- Ivy was at work-**

They took all photographs- IVY did not tell her brother FJR-she said he could not take anymore.

His health would give way again- then the attacks began again on him-after this he was given Police protection in the local library & told not to be out at night-

MALRAUX a public figure-name in Press-work with General de Gaulle-was blamed for this casual attitude to a great Estate

...

No post was answered by MALRAUX-no telephone calls answered-Various members of the Ransom families

were called obscene names from WHITES CLUB a vice bar running 2 flats of prostitution close by & dopes

-JIM now CUR JAMES Steward

...

Angela sent message

`Greta did not have to straighten her hair anymore`

-this came via Whitehall-

1940s-1950s- LINDSAYS- insisting on calling Ivy `cousin` in public-& men now drinking in that CLUB WHITES had come at her parents so often before the War with their filthy mouths- & she had to be guarded outside the school when a child - going to school & returning home to 'Jerusalem' by

Deptford the little sloping Park-

1940 the joists of the sweet house were cut overnight when 2 ex-Lord Mayors of London were getting a Magistrates Document to STOP

-but Lindsaybuggarhs raided & got some off them- & some they had stolen from Montrose Ransom Farm too Sept. 1939-

Before 2nd W. War-afterwards- JIMMIE JONG- *Cur James put his loot in `the Bloody Liar Dusty Mansion`* France-

1960 ANDRE MALRAUX Cultural Minister of France officially emptied it of RANSOM documents- to which he was GUARDIAN- "... but R.N. thugs & *Men gele* & JIM

...

1937 There was a painting of *Greetha* sitting with legs curled by the Island
Jacopsholmen- sun rising on a snow peak -Lindsaybuggarhs took that to AMERICA
1957- painter is well known-Grandpa Ransom paid for it- I sat the whole painting-we were
talking non-stop-his housekeeper would come say
he has to have a rest & his tea

` I am 4 years-I have tea with her !
It is said to have been burned by LINDSAY branch in California

...

1962 March IVY RANSOM (I give her phrases from her bewilderment at my not knowing
anything) `It was a dirty nation at the very top & they kept
people about the globe so poorly educated-
*Thomas got his ideas-but Margarethe & her father had put a lot of money into the Poor-
she was only 15 when she set up the Home for the widows & orphans Dussledorf-her
father helped of course-*

This violence & theft envy...the murders of the children in their HOMES had made him
your poor Dad- your Father- so ill in 1945- He would not tell his brothers & me his sister
at first- but then they learned of it- others knew-the dead children-
Other nations were in shock-there was no doubt
WHICH NATION HAD DONE IT TO GET HOLD OF THE LANDS THE MONEYS

to prop up its
DECLINE-
now its
EMPIRE HAD FALLEN- from their greed-
Everyone was waiting for
