1962 MARCH - IVY Jean RANSOM realised MALRAUX & de GAULLE HAD NEVER SEEN THE WILLS - " when they should have received them spring 1960 - there had been messages supposed to be from them saying

matter under consideration`

The Detectives had explained they could not risk their lives trying to get to them & they were loaded with research to do/ could not dare have their helpers discovered after murder of Philip Silverlee`s daughter Argentine May 1960 / ...”

“ IVY SAID her brother Fred never had a letter from MALRAUX after the two meetings they had October 1957 - & MALRAUX had gone OFF with the photo album of Fred & his only daughter GRETA... He had NEVER RETURNED IT

...

She felt this had badly harmed her brother...”

` SHE DID NOT MENTION THAT FRED HAD ALL HIS MONEY STOLEN FROM THE ARGENTINE FOR HE BRITISH CROWN

T

...

they had been told this by JIM swinging a halter again with his ex-Army Kenya

... &

LINDSAY who would call you COUSIN IF YOU HAD MONEY THEY COULD GET OFF YOU...

she had a dead son 9 years old in Switzerland...

THERE WAS NO JUSTICE...

THEY HAD DONE NOTHING TO DESERVE THIS...She also had been robbed of a little income left her by her mother JEAN WEDDELL Ransom...

& there was only violence if they said they were the great grandchildren of JAMES WEDDELL THE SEA..."

« ...& ANDRE MALRAUX was under threat of death as her brother Dr John RAY Ransom found out Summer 1960 when he saved MALRAUX's life WITH THE VATICAN

...

IVY now explained what she had discovered from this unexpected visit from Greta March 1962 arranged by a Miss Rose Holder who worked all her life at The Main Post Office St Martins le Grande London...`

1962 March - ` She IVY had 10 minutes alone with Greta before Fred came in - she IVY had just come in from work herself - they had taken a flat above an old shop in Deptford known in happier times to the family - her brother the eldest of them was in a break-down

after all this

-SHE IVY ASKED ABOUT POST over the years/were there some cards letters little presents her Dad & others had sent... Greta said she had received no post/mail & certainly

THE FAMILIES HAD ARRANGED FOR HER IN LONDON MARCH 1954 &

ANDRE MALRAUX to come if he wished

...

they were told to expect Greta at 9 pm...she never came to the big table...her father was brave but BROKEN UP...he went abroad...he had caring work -

1962 March - **Greta told Ivy what she had for her 21st - she had 9 cards from the Gordon family & friends at Clacton & the Colchester Museum & some gifts...**

she told I VY what the important ones were...a camera AGFA from the Magowans & a gold watch from her mother & a friend ...

I VY LATER LEARNED THE WATCH WAS FROM ANDRE MALRAUX...

Detectives/Colleagues Andre Malraux 1960s/

1962 March...that evening of 10 minutes had IVY fathom out matters & she soon spoke to Detective Arthur MALONE who had kept contact with her at work... Greta had heard some mention of an adopted brother of her father spoken of by her mother

...

nothing more

...

The girl seemed to her fragile but strong inwardly perhaps
... she clearly earned her own living

...

She saw her for about 15 minutes no more
...»

1962 March - **Greta clearly had no idea that her brother Colin born 1938 had lived with Ivy 1949/1951...that she had put him in a London school & given him a proper home**

...

then the mother had called for him back

...

The Detective Malone now called immediately & told them some more---she Ivy & her eldest brother Fred Greta

‘

& all his Argentine moneys had gone missing

after someone had removed

all their IDENTIFICATION IN THE ARGENTINE...

you could not get anything in writing from them-

She had had them JIMMIE & his ex-Kenya Pals - they who were This Crown hanging about her after dark waving a halter
