

Greta Ransom notes- several persons speaking out up to her first 27 years of life / - `All my- our post/mail from Xmas 1933 on & on being opened at the back of Buckingham Palace- by Earls Crawford Lindsay/scum & members of families of Angela (reports by persons who objected to this wild behaviour with post/parcels of other families)

Greta Ransom 21st birthday 11th March 1954 :

All overseas & outside Clacton area post/mail went to Noble scum at back of Buckingham Palace (as always) where they rip it open on trestle tables ...I G. R. received 9 cards & 7 modest presents from Clacton & area

...
nothing else

-
Later it is heard Teresa Gordon Ransom was given some few things to dispose of but not the valuable things
