

PRAISE HEAVEN- Villains are out to demolish GROTE HOMES Ransom Estates & kill us the heirs in scandalous ways-intending to hit the newspapers with foul destruction of our family character - I was fortunate to have toured our ancestral lands & been instructed by ` kin & kith ` - I was a good listener early on - it was the family manner- I am now 4 years & 6 months old July 1937 - He is learning too-this young man of Gaul - I hath begun on political economy - but we never take part in Governments or fight unless it hath to be so-

Tiggy was always asked to come & talk out political problems in dozens of small nations A to Z round the globe

1937 summer - The ARRIVAL of Andre then Josette -

It is coming to 2. 40pm & I am put into shorts & shirt- a tiny suitcase a bag of things beside the bed picked up & off we go in her old car- Somehow we are to meet Josette in at the Railway Station but I think he wants to HIDE from MEETING HER IN PUBLIC... I must each him some GRACE ! - We are to call on Unity`s mother`s father who is on the seafront - where Holland-on-sea begins - the white rather `a *rt Deco`* Convalescence Home- we go 3 times a day & this young *fellah* George or Andre says he *doth* not mind & it will be agreeable & he will help in the 3 daily Calls- He is nicely brought up

then- & later I will hear of his 3 Graces- who stopped him falling into Dante

s Hell-

His mother dead ... how sad

...

& his granny

Adrianniaea

...

but his Aunt Mary-Marie is alive- & she cares for him very much indeed

...

He is called ANDRE-but when in public places we should say Andrew-or George- even Andie or Georgie... I am to glean that a Clara is chasing him with a gun in FRANCE - & most of all wants to shoot JO-

Jo who is clearly a young lady

-

`French Law will allow Clara to shoot - & cry

`

Crème passion dale ?

-

cannot ask Lennie-he is away speaking Japanese-Dutch-or Portuguese as he is good at languages like Thomas Tiggy who communicated in 110 when he was 50 years of age...

1937 SUMMER - THE DANGEROUS SITUATION UNFOLDS to the grown-ups we meet during the first week... then it got forgot a bit :

`TO GET AWAY from FRANCE they had to dress a friend up as JO - this had to be done every morning & she the friend sat in a window wearing a big hat with a newspaper & a cup of coffee- Where Clara kept watch or had a watcher - the friend had been able to tell them that the ruse was working & she would go on acting the part sitting in the same sunny window with the newspapers & a magazine ...
but perhaps not too long if it became dangerous -`

JO is a writer- tall very tall, & he makes her sad sometimes- thus I begin to call him to his better feelings - HE George-Andre IS A ROMAN CATHOLIC & so am I...and Josette ... but also like Daddy & everyone our families the RANSOM side I am a Quaker & mixed Nonconformist - & a HUMANIST of course

...

JEAN is a half Catholic in the Argentine...& a full Roman Catholic in SPAIN with the AQUIDA cousinship who are Basques ...

I also have a Prayer Mat from the Arab family that Margarethe visits ...

G-A got himself christened a Follower of Mahomet in Paris when he was 15 years- he says his Arab name too fast-

RANSOM SEA TRADERS 2,000 years : We sail under an invisible flag- HUMANITAS -but we can also sail under that of ZHENG HE`

...

Admiral of the China Seas- he gave us a Courtesy Flag for 3 Emperors- for he came aboard sometimes- & they talked philosophy. We have at that time the Sea-trading two RANSOM brothers marry out EAST - & give Len & all of us 3 grandmothers in a straight line of CHINA

...

& `...we must have become slant eyed for awhile` says FJR `young Fred Ransom` my father -

1. Miss Siberia & other parts along the coast/ Kurile Islands dowry-

2. Miss `The Lady of the Miraculous Condition` -

3. Marriage 1450 - One of the daughters of the philosopher-Governor of the Settlement who shares Governorship with his friend 2 years on 2 years off so they do not get bored & can read poetry - HUE ARTAN -

He in his last Will & Testament 15th century demands we should all sail in for 10,000 years & visit him as he sits on the headlands & "I will be looking out to sea for you all to come & talk with me ."

himself he had made in his lifetime -

My father (FJR) hath warned me

...

YOU are of his line -HUE

- not he of yours- remember daughter -
he was a great man in solving human problems

he can be seen as Lazarus in Kalkar Altarpiece & probably the commissioned painter Joest let young Joos van Cleve his assistant their young friend do this portrait or part of it)-

F.R. has lost his wife & 2 sons at SEA 1499

-

A young Japanese Captain picked him up...her Japanese brother picked him up floating on a spar in the Arctic -he will wed again after a Courtship of 4 years for she is in a Convent Bruges age 25 years their mother having died & she is very rich but so is RANSOM son of HUE ARTAN`s daughter ...

F. RANSOM WIDOWER & his Lovely Lady of JAPAN :

IT IS TO A MARRIAGE OF TRUE MINDS & his diary first 30 years of the 16th century is a beautiful & holy account of HUMANISTS/sadness when Phoebe Mainwarring dies & her going to Court cost them most of their Fortune- but they SAILED HOME TO OKINAWA & to the 2 islets end of the LUSANS the DOWRY of the Lady YUSS?

(1939 onwards : **all this in depth history was in the Records destroyed by LINDSAYBUGGARHS British Government & Crown as they are never tired of throwing in one`s face !** **YOU ALL TELL LIES & ARE MURDERERS of the old RANSOMS here September 1939/2 witnesses & 2 who confessed 1960s !**)

-

It is possible this girl first wife is British/French / Uncle Liam & Uncle Fred MacMurray know these lines better than me - My father Fred Ransom FJR worked putting the VAST family histories from 11 years of age 1922 helped & guided by a Retired HERALDS historian

we have held a homestead/heimat on the EAST COAST of Britain since 92 AD ...Dr JOHN RAY Ransom & the USA historians put he this RANSOM with a history to 77 AD some stony ground an islet the Thames that was not good for growing things but he also has

RANSOM : We are a straight line from the 4 Ransom Brides of Asia- father to eldest son- I AM LEARNING ABOUT THEM 1930s for the Estate Len & I hath care of with all the families RANSOM - all lines - our RANSOM brides dowry lands have also made this great piece of philanthropy possible-

We all can visit everyone & they come visiting us too- or help with the Estate- & Xmas cards come from 11

th

century Palestine - Seward Ransom has given us our oldest Estate in Brittany- & holds lands Accre Palestine coast - his wife is Arab & Italian/French/Greek

(this may be

Hebithyaeah

(I G.R. would have liked to have her name !)

who writes poems & he plays flute & psaltery for her)

- they have 5 children & we are from the eldest son -

Our biggest RANSOM CHART with all the RANSOM girls married off is in the 2 dowry islets of the Lady Ransom-Yussah-*shampoo (Okinawa old Royal line)* the last two islands at the end of the LUSANS- her dowry given 1512- when FR & she visited in their ships & the marriage was approved- they took the 2 boys of the marriage- you see them in a famous painting by Holbein

...

I & Lennie have not sold the islets - I am hopeful the Noble British obscene thieves were outwitted here- **we always found our Japanese KIN so civilized- I missed out on going to see them August 1936-**

**(
Files/accounts etc.)-**

1936 August/September- I G. R. missed visiting Japan & New York with Sarah & the de Salle family & Aunt MARGARETHE because Mr Jimmie Jong & the evil little Lindsay Earl no 14 hit me with an iron bar ...I was in hospital with black face a month for they feared bleeding in my head - then resting - before going to school at the Convent of St Clares` Clacton-on-Sea September
1936 -
The EARL no 12
lied
& said they were OFF SHORE -

At the commence of the summer 1936 I G.R. was kidnapped on Continent from loving Grandparents who had got me to safety from the OBSCENE VIOLENT LINDSAY EARLS & their henchman JIM all harming us the RANSOM family so we sign a Paper that they can have THE ESTATE OVERSEAS - I am brought back to GROSS BRITAIN-
by the monsters of Whitehall
acting for Lindsaybuggarhs
& dough
WITH UNLAWFUL DECREES
that nobody ever sees but hears about
-
YOU SCUM -

1930s - A gigantic British Noble PLOT of obscene violent FRAUD is going on in *secret silence* t
o lay claws on this miracle of philanthropy & DESTROY IT so they can all PAY THEIR GAMBLING DEBTS of 3 decades or more & have HEAPS of dough & KUDOS in the small nations that we protect with fellow humanists -

WHITEHALL does as it is told

- **Len & I heard about the TRICKS of the British & Scandinavian TRICKSTERS when we visited our Brokers & solicitors Buenos Aries & New York 1936...**

1936 - “... WESTMINSTER we sent a Deputation ...**WE CANNOT GET ANYTHING IN WRITING FROM THEM** “ say these
lawful administrators of the biggest piece of philanthropy circling round the globe

-

I G.R. am not at all a Ward of Court or Len LIR - **& if that trick had been played then the Estate would have gone overseas to other RANSOM family as heirs**

-

1937 Summer -

I EXPECT these matters are not to be spoken of to ANDRE MALRAUX

-

because of the planes we have -

not that he could have any-

`for we do not fight`

1937 SUMMER - ANDRE MALRAUX **with his notebooks his book to read or make notes from ... the day** ’s needs on the old push-chair or

packed for the car journeys-that

1937 winter-spring - lessons in family history with Len :

I Greta am sorry I do not have the sloping eyes of some of the family- I think it very
romantic... mine are rather MINERVA's eyes she grew up alongside the SHAKERS- Olive
a Hesketh called MINERVA

for her Song Books & an owl on her shoulder at the piano-her pet- my
great-grandmother-

Whom I just recall holding me-there were photos-& she likes lavender & violet scents-old
lace collars` & always had a nipped in waist very small -
