HE WAS AFTER GROTE HOMES

which he saw 1879 were set ABOUT THE ENTIRE GLOBE
on the RANSOM ancient seashores & lands

...

& investment was heavy into TRANSPORT ! He expected with his Noble Title Premier Earl of Gross Britain TO TAKE THE WHOLE LOT !

CLEAN UP

- as he usually did upon marriages no matter how distant was the blood line to his criminally insane

Lindsay Gang...

Saint Magnus Martyr with its steps to the THAMES was an imposing piece of Ancient Rome on the riverside & WITHIN THE ROMAN WALLS OF LONDINIUM .

It was regarded as a Mariners church -

the Carew mob at sometime in 16

th

-17

th

centuries had a punch-up & littered it with dead said somebody...

1883 The EARL Crawford LINDSAY saw it had a Churchyard...in no time as Premier EARL of Scotland & Gross Britain he brought a

silent DECREE

that the land was

not

OWNED by the Church...it could be built upon as OFFICE SPACE...

The sad fate of this church is a little related by a daring newspaper 1950s & unhappiness about

Londinium/Scarlet Town ...`a Priest had spotted somebody had been up damaging the roof so it would fall in...*the Priest may have got blamed...* ALL SCARLET TOWN KNEW ... if you wanted roofs to fall & joists cut then you got the LINDSAY gang & JIM JONG to arrange it... Why they`d even cut the joists of F. C. Ransom`s tiny place of MILLIE FROBISHER RANSOM his mother `Jerusalem` by Deptford park...when the boys & IVY had gone off to WAR 1939...
came back to find a heap of rubble
Yah know !

*LINDSAYbuggarhs & Noble dope-fiend chums from 1890s-1950s were responsible for some miserable development Clacton-on-Sea & its historic demesne ...**(historic lands)***

1937/38 - Miss Winifred Gordon, *Greetah 5 years in March* & her father FJR , Lennie Ransom & others , attend a Candlelight Vigil ...I believe it was Saint Magnus Martyr with its great spaces inside ... not Westminster Cathedral designed by Cardinal Vaughn which has galleries & JOAN d`Arc in bronze ...
(portrait of Cardinal done by John H. F. Bacon of The Pillar House Harwell)
)...`
Young Paccelli` is made POPE Pius XII March 1939
so this Service perhaps
was for the death of the old Pope...

“ 1883 - Millie Frobisher & JOHN RANSOM had a Tree Planting Ceremony in the churchyard - all the Frobisher clan were there...& Ransom families...a young RN James

Gunn read from a book of Quotations & Proverbs to the young couple `...

A description of the Family RANSOM with photos ... **JOHN Ransom** bridegroom wore his white suit they were very popular then...he has quite cruel looking eyes from the NORTH but as soon as he turns to you & speaks you encounter such a kindly man...the eyes elongated show he is Gertrude`s son & the Chinese from **POUL Gronlander** is there too...he is a man in Education who advises the globe...

his intelligence far above they **LINDSAY** who come at you at night with a **HAMBONE** in one hand an axe in the other. ..

Millie to be his wife has her father`s friends English Society & City **FROBISHER**...

there is still **PROTECTION** from those circles...

All the RANSOM children of FRED RANSOM of `the Mary Rose` are short, sturdy...they have lost the height of **PEN FRED Ransom Sumatra**

6`3`... & genius Great POUL the Gronlander their great-grandfather...

MARGARETHE Mrs Grote...Ah the eyes are elongated but she has not the exotic looks of her mother **GERTRUDE** whom **Delacroix** paints...but she is all a soft glow in the eyes & kindness & she & her brothers **John & POUL** have 12 good languages each...**IN SHE YOU MEET SUCH HIGH INTELLIGENCE** in **TRADE & HUMANISM**...

learned from her father & he from his line

...

they see **PROFIT** is not at all necessary all the time...their **ESTATE** is geometric shapes all connecting by ovals circles going round & round the globe...

Young POUL Ransom ...he wishes to see the globe...he is a figure you might think could go wild but **NO** he knows how the world in all dimensions works...he has not found a girl yet & when his parents were both dead he was at a loss but felt he must travel...

ALL THREE HOPED FOR THE ISLAND that UTOPIA to be FREE...& for they to open THEATRE school arts crafts as before...when they were all young growing up with **TIGGY** there ...**THE ISLAND IN THE SNOWS...DENIED INDEPENDENCE by greedy IMPERIUM...fights-gambles-vendettas-too high & living on dope...& dough...uneducated for any role ... ”**

(? Possibly the book of Proverbs read in the Churchyard is that by Fred Ransom after death of his Gertrud with her `eyes like diamonds in the Northern Skies` (Jacop`s Ladder - his

autobiography)...AN ACCOUNT OF THIS WEDDING, ceremonies, celebrations WAS IN NEWSPAPERS British & USA & Germany...& a sepia magazine...

we had it all until robbed for the British Government & Crown...

robberies 1890s onwards - with murder & violence beginning to the new generation 1937 & entering into our homes kin & kith ...& everywhere we have Records -

1883 - The great Cathedral WESTMINSTER is not opened before 1902 ...Saint Magnus Martyr therefore may be the church of the Wedding for Millie & John

?...(

Her Wedding gown was delicate white stuffs

but her going-away was SCARLET

...she knew his father had dressed Margarethe a bride in a Scarlet Wedding gown of Spain

TO SEE A SCARLET BRIDE AGAINST THE SNOWS...

Therefore when they arrived at JACOPSHOLMEN she would be so ...)

Therefore this Tree planting Ceremony is very likely in the Churchyard of Saint MAGNUS MARTYR the church that seaman had affection for

... & possibly Frobisher/Ransom lines had some kin/kith buried there...?

Now Churchyard being EYED for development by Earl Lindsay who is already criminally insane from `Insurance Fraud sinking of hulks/Black Hole ships/Jarvis Straights ...lots of histories of this which begins
