

1959 December - ` Miss Butler now learned from Andre Malraux himself that on his visit to VATICAN November 1957 he was told by `young Paccelli`/Pope Pius 12/ he had NEVER cancelled the marriage to Mary Gordon's grand-daughter - but put it ON HOLD

-

(

Malraux a bigamist in Heaven - hhhmn ...)

MALRAUX had not grasped WHY the POPE should know so well of MARY GORDON & her SISTERS & the Southern Irish O'Brien branch ... The Pope when he was " young Paccelli " pointed to Germany ... knew well of the violence dealt the GROTE HOMES RANSOM Estate by the G. B. Government & Crown from late 1920s - & that not a German or a member of the Nazi party would harm Grote Homes because of the good citizens they turned out going into science/medicine/agriculture/teaching/music/ ap

1946 - NUREMBERG TRIALS - Herman Goering **had got permission to speak about the Grote Homes deaths & WARN of the danger to the GROTE HOMES children who were left about the globe especially ASIA ... A person of Gross Britain was present at the Trials to see no such statement of the slaying of the children by G. B. penniless nobles was made -**

This was a carefully PLANNED crime already operating FRAUD & THEFT by Gross Britain NOBLES of the PENNILESS IMPERIAL FIST EMPIRE & begun before the rise of the NAZI Party - some help came from greedy Scandinavia - it had required use of Gross Britain`s national institutions/Armed forces - & the NAVY - to accomplish barbaric murder of the helpless

-
it was an agreed PLAN
to
SLAUGHTER
the GROTE HOMES children worldwide ...

...
I was able to get information from the INSIDE about this

...
they were not pleased with letting her NOT BE TRANSFERRED TO AN ASYLUM at least until her husband RETURNED FROM THE WAR ...the Court in Wiltshire or Worcestershire ... had said she should be in Prison a YEAR & then transferred TO AN ASYLUM for another YEAR ... & it was said her husband was to be requested FOR HOME DUTIES ... on account of the children Aunt Mary`s grandchildren - she being widowed ... & the Estate & the HOMES for children about the world had to be taken care of ... but the TRUE BLUES had begun theft we heard ...

1943 New Year`s Day - “ I could tell that my cousin Teresa ... she was still like them ... magic powders too often ... the cruelty to the eldest & youngest child at that first midday dinner the New Year`s Day seemed to not be noticed by Aunt Mary -
or perhaps she thought that best because I was there for a rest from the Land Army Hostel

...
Not to John G. Ransom ... cruelty...
whom she insisted was not his father`s child ... I had seen young Fred`s grandfather in photos & this child looked like him ... he a JOHN RANSOM helped Japan with education a little ... they could visit ... they had ships ...

Its all over there in papers I have collected
& MR MALONE HAS BEEN GOING THROUGH THEM

BUT YOU HAD TO KNOW

...their elders had been given to playing spiteful games `

& this all

happening

before her cousin Teresa made the marriage to young Fred RANSOM-

1890s - The true blues- had begun PLANS to topple the Estate before THE GREAT WAR
... & in silence to take all of it - divide it between themselves - pay

off the massive debts

often from gambling -

The Estate ... it would prop Great Britain up now its Empire was falling down ... & a lot of
PLANS late 1920s early 1930s

were being made to make CANADA the SEAT of IMPERIAL BRITAIN ... Gross Britain
would dominate Trade - destroy these overseas lands - the nature - happy communities-
schools & Welfare - destroy everything intelligent - & keep themselves as Rulers of the
globe in some manner -

the Empire for them was on a drunken stagger to its knees...

they little different to mug - alleys ...

Andre MALRAUX will call them SCREW BALLS ...`

1959 December - Miss Butler was listening to ARTHUR MALONE & a high position City friend ... commenting on her papers she had collected about the Estate left to her niece & her Ransom young uncle ...& what they gathered from Harry Gordon across the road ...

1959 December 17/19th - MISS TERRY BUTLER told Arthur Malone & then ANDRE MALRAUX whom the Detective with 2 years Law Studies got over from GAUL within hours ... to Thorpe-le-Soken Essex - THE MATTER OF THE YEARS OF VIOLENCE AGAINST GRETA & ANDRE WAS NOW EASILY SOLVED - AN HEIR HAD ARISEN & he Andre the Guardian from the Visit to the Seaside Summer 1937 ...

(Notes/Terry Butler/Malone others/Andre Malraux)

« Since 1938 ... Clearly a lot of people had to be DECEIVED that ANDRE KNEW THE FULL EXTENT OF THE GUARDIANSHIP

& HE HAD TO BE KEPT FROM GRETA`s FATHER & HIS RELATIVES ...

Harry Gordon immediately questioned could not follow a number of moves by THEM before the WAR ...

& his information was sparse ...

but it had a penetrating & reliable assessment of the TIMES & the boundaries limiting THE LAW when AN EMPIRE ...

still expected you TO WAVE A FLAG FOR THEM... »

but he had to work with cars ... it was the petrol fumes that were bad for his lungs ...
He had been a budding inventor

but the TRUE BLUES had come with all their gang & burned Harry`s drawings ...
they also stole his Eiffel drawings... by the man who designed the Tower Paris ...»

1944 - *Greetha* had restored a little of her memory ...concerning

bad memory lapse often by school teachers - & unable to follow speech & looking dazed
from not enough sleep at night - her mother said this ... Armstrong geographer did not trust
Teresa Gordon *Ransom ... she*
was violent & loopy as her noble companions...
they had not enough money ...

1945 JUNE - Miss Gordon told Colonel WIDOWER Andre MALRAUX “ Greta could not
