

The Holy See were well aware whose friend TGR was ...

& aware of the GROTE HOMES difficulties - LINDSAY EARLS & JIM for Angela ...& their penniless Nobles trying to LIFT the paintings ... Thomas & Margarethe had given the children around the world lovely art works

-

Some paintings were famous like our Raphael with the broken vase - LIFTED 1945/ Berenson said he

“ had THEM

... NOBLE THUGS OF G.B.

in searching his desk so FJR should

DO NOTHING ...they are getting away with theft of the Paintings & sculpture ...”

Pacelli had the custom to slip out in a worn monks robe to sit sketching ...&

1959 December - **Miss Terry Butler to Malone = Malraux :**

“ 1947 autumn - the mother Teresa Gordon Ransom was demanding moneys from the father & now from Andre Malraux - saying she did not give HER PERMISSION for the mock marriage ... She was writing to Clara whom she knew of & met July 1947 ... THEY HATCHED MISCHIEF OVER MY NIECE GRETA ... two old cats ... then Clara spoke with WIN Gordon my cousin on this visit ...& they were upsetting the old Chemist the German Professor whom Andre & all his families had known on the Continent before the WAR ...

but in Manchester we did not know everything at once

...
”

“ 1947 autumn - The reports on my cousin Teresa from the VATICAN spokesman speaking with Cousin O`Brien & my brother John Butler ... say she was felt to be badly unjust & unstable & they were told she was to be put in a psychiatric hospital ... her sister Winifred Gordon had the authority to do this -

In Manchester the relatives had no idea that this was to be done by Miss Win Gordon in 1946 immediately AFTER the Marital court Case ended September !

1947 September - VAT Report : The career of ANDRE MALRAUX & General de Gaulle’s position were taken into consideration & they would talk perhaps with the General ... the Estate was vast worldwide & in Catholic nations - THE MATTER OF THE SLAIN GROTE CHILDREN was only discussed by the few - (possible it was only known to the few in Vatican circles ?) `

1959 December - Miss Teresa Mary Butler reports to Arthur Malone/Malraux : “ She had been assured by 1948 the Roman Catholic marriage was not dissolved at this time ...

ANDRE MALRAUX 17th December 1959 assures her it has NOT -

He discovered this talking to ‘Pacelli’ Pope PIUS 12 early November 1957 when he went to ask if he could take the marriage up - even though he had made a Registry Office marriage to his sister-in-law March 1948 - they lived their separate lives from 1951 when he was given some shocks by her friends - & fiends -

but there was sympathy for him -

1959 December - “ Concerning 1947 July to September - ANDRE MALRAUX RELATES
HOW HE WAS DECEIVED BY TERESA GORDON & NURSE MRS CONNIE NAPPER -
Teresa Gordon whom he’d met in 1924 -
he felt now she Teresa was insane with jealousy at the time of the marriage spring
1947
-

1957-1959 ... He had Teresa squatting on he & Greta ... *she insisted on living in her room*
... his London home the last 3
years - In January this year
1959 he hit her on the
jaw & threw her in
the doorway next to the Kent Hotel Lancaster Gate Square -
she had threatened... without warning both of them at 1 am ...
with a knife &
a bowler hat with
lighted
candles on her head ... ”

(Nota Bene : JIM & Lindsay gang have these tricks - it is the DOPES - but they all will kill in
this state of HATE ! The head gear was
from a Theatrical Party shop down the Mile End Road - well known ...)

Malraux continues : “ 1950s ... Teresa was insulting him threatening his Job in France -

his entry into General de Gaulle`s Government -

This was the blackmail of she Teresa & her friend

Jim

- WHITES Club - in the Club they had often been joking - sly - some threatening verbal abuse about

the

nature

of his marriage to Greta after she came to live in his home 50 Lancaster Gate Square ! ...

”

(1959 December/1960 January information given to ANDRE MALRAUX)

1962 March - “ Now he knew it was much ... so much more -

`The GUARDIANSHIP TO THIS THE MOST POWERFUL ESTATE OF PHILANTHROPY IN THE WORLD - IT HAD TO BE KEPT FROM HIM & GENERAL DE GAULLE & FRANCE...` DECEIT HAD ENABLED NOBLE BRITAIN & SCANDINAVIA TO ALL DRAW VAST MONEYS FROM THIS ESTATE ... DEMOLISHING HELP to SMALL NATIONS ... emptying them of moneys investments & education`

1960 - after New Year Miss Teresa Butler was poisoned ...

Her cousin Teresa had “ been heard ROWING at her ” **Thorpe-le-Soken...** The blue car of the Doctor of Royal connections had been seen about the village 1959 November-December onwards **... Aunt Terry Butler returned to her caravan at Thorpe probably for New Year` Eve/I Greta had been moved that morning to Colne Engaine ... She was happy in the village - & in her own caravan home she had peace to read & write ... she could be warm & snug & had friends in the village also Harry & wife & child ...**

Nota bene : 1960 January 2nd - BUT Doc Mengele Harrington in a HIGH STATE OF VENOM ...

BARGED IN on my new

caravan HOME Colne Engaine 2

nd

January 1960 ...

HE HAD A KEY !

He threatened me - it is unlikely he would leave Teresa to poison Aunt Terry on her own

...Doc

Mengele

was IN THE AREA THE DAY Aunt Terry was poisoned !

HARRY arranged the transport of the Caravan `Mistral` to the tiny meadow Gallows Corner C.E., 31st December 1959 ...

1960 January - **ANDRE MALRAUX** heard some little evidence of the slaying of the **GROTE HOMES CHILDREN** -

swiftly documents-post-letters/pa

pers delivered or left for him to 50 Lancaster Gate Square or to his PARIS home were stolen !

The first horrific information is from his Grote Ransom Estate Visitors - then he had to hide for his life - & they were immediately under

Gross Britain special gaseous thug groups Intelligence -

death follows for many trying to help

- Frank Sinatra & friends saved Andre`s life by spotting a slouchy fellow listening ...

reflected in the BAR mirrors ... they `d had to look out for this kind of

cove/crittah

when they began their careers ...

1960 January - **ANDRE MALRAUX must carry on his job as CULTURAL MINISTER FRANCE -**

1960 - **British true-blue ON THE PIN establishments were with arrogance demanding of France that MALRAUX NOT APPEAR at any events where their FIGURES FROM A MORGUE OF VIOLENCE WITH IMPERIAL FISTS enter upon the world's stage -his life was threatened all the more ... by those dripping blood & gore MONEYS they have shovelled up in haste nations A-Z after killing the GROTE CHILDREN in their HOMES ... FJR managed to administer a third of the Estate left intact in *secret-silence* & he had much goodly help from many nations ...he was often threatened in Gross Britain ...**

1960 JUNE - *Mr Doc Mengele Harrington Royal satrap GOLLUM paedophile sadist - of that famous blue car ... using the G.B. State System had FJR robbed of all his private income from the Argentine... A cheque my father paid Arthur Malone with was overseen by Mr & Mrs Mengele with SNOOTS IN THE GHOST HOUSE MATTERS ... MALRAUX arranged the Detectives be paid TIME AFTER TIME (*it's a popular romantic song*) ... but nobody got a sou ... it was always intercepted by GROSS BRITAIN extremely efficient FRAUDSTERS ... *imagine if the Eastern Terrorists had these skills ...**

1960 - Arthur Malone/**Politan** reports “ Andre **had his head as with all of us - swimming**

with this information -

“ ... When MISS Teresa BUTLER heard the MARRIAGE WAS BEING DISSOLVED she felt
it was done by her cousin Teresa Gordon & her chum

Angela -
both had chirpy little JIM about them since they were children -
& their
MEN those
true blues

-
then she`d heard the Marriage was laid aside -
she learned some more over the first years - & she noticed things in the newspapers ...

There was the inability of the LAW to try stand up against the true blues at this time ... **Penniles**
s they were all after the old Lady Margaret Ransom her lands & her **MONEYS** ... her
husband had orphanages all over the world ...

the children murdered in the War
... the British said later the **NATIONS ROSE UP & SLEW THE CHILDREN** ...
so the **TRUE BLUES** would have to

keep quiet
about it

... **BUT IT WAS NOT TRUE** ... they were penniless ... could not hold a job ... & all on
DOPES ... she had seen them at Cliveden ...

then she would see them in the newspapers-
these famous names -
her cousin Teresa could call on all of them...
front or back door ...

Miss Butler said she was frightened when she learned how many children up to 18 YEARS had been murdered - near a million - in every nation - the small nations - the Islands - the Pacific - they had no chance -RN ships were able to sail in - anchor - thugs went ashore -special duties ... she`d not say where she learned the details ... but they were good people who told her ... good men ...

WHEN YOU SAW IN THE NEWSPAPERS THE MEN HER COUSIN HAD KNOWN WHEN SHE WAS YOUNG -

you could not expect anyone to stand up to them -

& there was one they called Angela

- the way they assumed power with such crimes

...

1960 April - Miss Teresa Mary Butler -

her death is a murder ... she another MARTYR to the slaying of the GROTE HOMES children to grab the Ransom lands & entire Estate the globe A-Z & prop British Trade up ! ...

she collected papers upon the TRUTH ... as her brother Dr John Butler ... Manchester ... his murder to follow after he came with lawful AID

...

after the slaying of ANDRE MALRAUX`s two sons age 21 & 18 ...

they FORBIDDEN IN GAUL & WHITES CLUB

vice bar

from entering a goodly Catholic school AMPLEFORTH -

where Tolkien had his sons ...

1948 - She Miss Butler began to LAY PAPERS ASIDE - **collect things** - it was distressing to a

Catholic -

perhaps

they would be needed one day -

She could write something

-

Neither she or her Manchester families had a letter from

ANDRE MALRAUX-

no telephone call-there were messages of a sort she heard of - from a department - an Embassy

-

perhaps the blame was being laid on the early marriage-

She had to leave it to the men in the family who had the better education...

but it all made her quite ill...lose heart ...

1920 - Her cousin Teresa was 12/13 years old in 1920 when she & these true-blues burned the Murphy household down Ireland -

little Brian age 6 years was dropped out of a window - nobody else survived - The Irish Police were horrified & knew it was not the work of Teresa Gordon a niece on her own -

“

(Murphy Families have 2 baronetcies & lose male heirs - as Sir John Edmond O'Brien loses his son in the wartime...they appear in Debretts 1953-)

Aunt Terry ... she speaks to me G.R. on 16 & 17 Dec 1959 but I thought she was writing a novel & distressed

although some things were from long ago...I had no memory of Margaret Ransom or of Orphanages ...

but I began to get

frightened

at what I could not follow ...

I could remember Xmas 1942/3

...

as she spoke upon it showing me the EGG COSY at 9 years of age had knitted her ...

& the game she taught us

... `Mrs MacKenzie is dead ...`

...I got frightened at talk of Malraux...my head swam with misery & fear ...

She said she had seen Teresa my mother enter my new caravan 3 or 4 times December 1959 ...

I

said perplexed & yet frightened

“

You can't have seen her go in ... I HAVE THE KEYS “... She assured me that she saw her cousin

enter

...

& therefore

*I should consider
that my mother
had to have a key
to the new caravan ...!*

1957-1959 - **SUNDAY GAMES ...**

I had been at 50 Lancaster Gate Square two winters 1957/59 with **ANDRE MALRAUX**
coming & going from GAUL -
but had little memory sometimes - I had been physically attacked & attacked by
Mr Mengele
with
a needle
to have me
not remember
Andre Malraux
-
Mengele
has a reputation as a woman hater as well as a paedophile ...
Another name for him 1950s is
Doctor KILL THE BIRDS ...

I could see George-Andre & an hour later have no memory - Nota bene: *Mengele* now
had aerosols with Memory Remove - as well as his case of needles

1957 autumn - SUNDAY GAMES/ *originally `Marlborough House Set`* ... ANDRE MALRAUX was
fooled about his sore mouth - & told he had to have all his teeth out -
it was
Mengele
& his blonde Nurse with Teresa &
JIM
at their old Sunday Games of the Roaring 20s-30s -
Mengele
got a set made in Scotland like horse teeth... this was supposed to be a joke
... Mengele
is so jealous of MALRAUX who is a MAN ...
Mengele
is a
GOLLUM ...
(they have put acids in his toothpaste powder for spite
...
old 1920s trick to stop a girl getting a good marriage ...)

1957 November-December - **I was embarrassed at my mother mouthing rudeness at Andre Malraux**
& squatting in
my room
at this Holy House as it should be - Brown rvr was told to tell me it was a common
boarding house - demanded my rent in excess too -
I threatened them all with Paddington Rent Tribunal !
The V & A Museum helped me ...
I come from Colchester Museum

...
THE HOUSEKEEPER IS APPOINTED BY CLARA MALRAUX ...
there is another called after a Roman Empress you should not know too much about as a Catholic

...& Maurice the Mouse can DRINK in WHITES vice Bar...he helped tumble GROTE BROKERS NEW YORK ...

but all this is nowhere at the front of my memory...

Again - I do not know the man in the Glenn Miller raincoat very well except that he makes my legs go weak when I look at him - he is not always here - he goes to Gaul - I am having a few weeks study while my rent is paid here to CATCH UP -

I had to leave the Convent School

The Blessed Georges-Andre said rearing up 8 feet tall
“ A telephone call from a Minister of the Parliament in GAUL -

Clearly at the commencement of the Minister`s announcement from the Citadel of CLOVIS, he was near to tears ...`What had he done to offend SPAIN & SHANGHAI`S HERO & what should he do with the nasty package ... ? ... & possibly he went to drink seriously for the rest of the DAY down the Chant-ea-sleezzzie - there was a nervous TRUCE Britain & Gaul ...

Now & then they invite her to this or that/

call her `a Racing Queen`-

In the 1940s early 1950s I used to feel sorry for her ... such a life of drear ...I am never able to collect up the years ... my MEMORY IS INTERFERED WITH ... this is her JOB ... for dough ...

SHE & Noble Britain with Angela & JIM saw the silent cinema- they have collected the mannerisms of the villains & have learned especially THE EVIL STARE -they all sat drinking liquor with a pellet of
