marriage 1450 to one of his daughters

...

F.R` s is grandmother Northern Chinese half Mongolian

his great-grandmother Siberia/Northern Chinese - & he does have slanting eyes albeit he has the Jutland red hair -

It would be

surprising if he did not speak Japanese as well as the Chinese of his youth

- In his youth he has come to EAST BRITAIN & to the Continent...his ancestors, families, hold always a homestead Dunwich up to Scotland...He married 1470 a girl of the British East coast...she drowned with two grown sons

in his shipwreck 1499...two daughters respectably married- *issue* ...

1500 - F.R. meets his young rescuer's Japanese sister in a Bruges Convent - a letter from her brother asks that when in Bruges about his business he CALL UPON HER - their mother not long dead - The brother agreed a marriage & preparation began when they found they were suited - A Contract was drawn up - it was 4 years before they wed - The Family in OKINAWA disapproved when they were told...but will approve when the couple & 2 sons sail in to visit

1512

DOWRY RECEIVED by she is the 2 islets end of the LUSAN chain ...

He took his first widowhood in deep grief & holiness - the painting of him in the Kalkar Altarpiece by Joest is probably

done by a young friend Joos van Cleve apprentice to Joest -

This is the Lazarus/` He will awake from the dead` ...young Joos may have already painted F. Ransom his first wife & 2 sons his

2 daughters who are married when their father makes a 2nd marriage - & agreed upon it - Joos van Cleve painted when it is

`warm enough for my hands outside - otherwise I trade`

There were records/letters/diaries/charts/logs/ - RANSOM GRONLANDER WEDDELL archives are vast & every one has their own collections ...

“ ... it has been attempted to make again a RANSOM MUSEUM OF THE SEA ... but we got big IMPERIAL DIRTY BOOTS booting in...demanding

1949 Report : BOLIVIA GROTE HOMES CHILDREN ...

“ If you had come with us 1949 you would have heard about a monster

**from the deep...the little children were not burned but left knifed...gunned on the seashore...no photos yet but a drawing done of the big children taken off in the great net...dragged... it sank then it rose like a Monster from the Deep...dead children ?
...no not**

at all...The usual big RN ship stood out down the shores ...

they`d used the usual launches ...»

“ The children from the shores taken & given proper burials - we saw the little graves...yes they knew who had done it...later the Banks had no moneys...they were British but sometimes in American uniforms...

then they put up FRONTS of other nations as they destroyed the lands...

For dough - Noble Britain short of dough after winning the war ...

By now 1949 it had been decided to `drop it` & by USA too...

the records of returning servicemen from Europe we got copies from them - *or got them out to safety...*

Air photos

...

“ the great net it dipped & fell as they towed it out to sea ”

There are two dozen of these Reports by 1960 - members of the British Territorial Army went to check out... then began some serious undercover work giving the same treatment to the monsters of GREED where they could get them ... **Detectives**

Colleagues etc ANDRE MALRAUX ...

GROTE CHILDREN DROWNED IN NETS towed out to sea -

1945 - An account coming into BRITISH ADMIRALTY :

“ ... a child who survived such a net operation...he was given euthanasia by some

Naval/Medical authorities after they had heard his tale...

this was very distressing to the people who had

rescued this one child ” ... **Speaker says `you would think this**

one child could have been taken to a Grote Home USA & given MEMORY REMOVE as is known to be so very effective...

but it was decided the best thing to do was to give the child euthanasia...”

`... shadowS on GRAVE PLANET EARTH...`

Greta Ransom (Young Madam X of the 5 days) saw a photograph of a drawing 1949... I was sent to Miss Win

who was sitting on a concrete block beside the sea Clacton Pier

& said to me...`we could all have taken a child...raised one each ...Mrs Winnleman & I...they did not have to do this...

I will speak to Edward...*If you & ANDRE had not destroyed the marriage I made...Mrs Winnleman does not want him to suffer any more distress in all this*

...

her husband's son is Andre's friend

...he may come over...& they have children 2 girls...

She was humped up like a dumpling & her eyes reproachful-

she has not told any of the educated in the family...yet she talks of speaking to one of her evil sister's bastards !

Nota bene : This Edward I have no knowledge of but it is the heroin addict *from 17 years* born 1924 ...that she allowed enter the MARITAL COURT PROCEEDINGS autumn 1946 & TOLD NOBODY WHAT SHE WAS DOING ...

on his advice & his 2-man LEGAL TEAM trying to lay hands on the Estate of Greta Ransom & Doctor Len Ransom-

This bastard had told her `you cannot lock up my mother Aunt Winifred...why she is such a jolly person so full of life ...

CAREER ANY GOOD ...

have such a good education

...& ADVISED SHE TAKE NO NOTICE OF THE COURT RULINGS »

SHE MUST HAVE LET MONSTERS RUN OFF WITH HER BRAIN !

IT WOULD NOT DO MY

& I

THE DRAWING IS OF THE NET taking the

GROTE HOMES CHILDREN OF BOLIVIA

out to sea ... & they are alive ...

Unfortunately she will show the photograph & tell her sister Teresa where it has come from ... Mad Mother Kali who gave their mother a medicine of heroin & a poison 11 pm 2nd June 1944 ... She has kept Teresa mother of the BASTARD Edward out of the NUT HOUSE when the Marital Court committed her September 1946 for an indefinite time ... The two henchmen with Edward & his father have pleaded at private tea parties that Miss auntie Winifred DO NOT LOCK HER SISTER UP OR IT WILL RUIN EDWARD`s CAREER !

The little fascist Ed whom I do not know has been wishing me dead since he was 15 years of age ... when he saw Greta Ransom & Len Ransom HEIRS on the WILL & a woman Angela he knows when they visit CLIVEDEN told him he should claim a half of the money ! SHE DRINKS ABSINTHE ! Mixed with RUM !

1983 - information to PJPW from Aunt Julie :

‘ She, Peter , my cousin Win told me nothing much...well I am the youngest cousin so I heard things last of all ... & I was working up in Manchester to pay off our ATS loan quickly...for the Guest House...2 old maids we thought we had better think

of our old age...but we enjoyed it...nice Visitors came year after year...& in the winter too...& the family now & then...although the young had begun going abroad ...`

(*Julie Butler grand-daughter of Teresa Carroll Plato &*

Harmony degree 19th century Ireland) ...`WIN...she had for the sake of preserving the respectability & high education of Edward out

of wedlock...kept her sister his mother FREE...THE Court September 1946 instructed her to put her in the Hospital at Tendring by the end of the month - it would be for at least 10 years

“ I KNEW NOTHING ABOUT SEVERAL THINGS -

NEITHER DID ANDRE...POOR FELLOW...SHE WAS IN CHARGE

OF THE COURT PROCEEDINGS as the next eldest...Arthur the eldest of them (*Mary Gordon`s children - Arthur born 1891*)

was said to be not up to it- He`d have told ANDRE immediately ... Arthur was in Insurance City until he retired -

In the Royal Navy in Great War ... ”

Win, she did not confide in the old man who opened Murrays`

the closed Chemist Shop as soon as the war finished ...

he had been an important medical figure abroad - Professor WINNCLEMANN - OH SHE WIN, KEPT ME AWAY FROM SOME OF THEM...I could say about Fred`s family Estate...I did not come

to the Service in the Church...the early arrangement... permission from the VAT ... (G.R. is hearing this -I am not deaf...Julie wanted me to hear but Peter kept telling me to go to the bottom of the garden where the children were playing with her dog ...)

` ... About girls` getting hitched early ? ...Oh they`d usually have a big wedding again...when the girl got to 17...it was just after

the war & austerity...` Andre & the old man the Chemist the Austrian German some other people about the town...felt she was unlikely going to live ... **with what was coming around from her Mother`s FAST LIFE ... with them up there that had been on our Seafront**
...

Her father often away having to see to things...keep leaving...

... years on we hear from the Detectives & the old friends trying to help 1960s that all the post WAS BEING STOLEN...

Nobody was telling me things...or Esther...not enough...on account of us being the youngest in the families...

Marriage - Too early ? Well that`s what I thought but nobody agreed with me ... **girls went to College** ... **The y`d been**

spooning for a few months after he had been over a year ...

& it was felt to be more than the glamour of his uniform !

When it collapsed the end of the summer I said it was more than The Dissolution of the Monasteries all over again-we were told it was finished...then 10 years on he, ANDRE, got told by the POPE IT WAS STILL ON !

...Years later you can understand what it was about...greed & terrible deeds...well they will be well judged in Heaven
...its surprising more of them were not done in...but folks forget...

WIN felt it was suitable & he had the little boys...**but it had to be agreed by the Church...& on HIGH-**

Girls had to grow up fast always in Wars...but I did not know of the troubles before the WAR...

I came down 1938 for my birthday 19 years...

that was when I was first aware of her

Cousin Treasa

acting the Empress

ordering Aunt Mary her mother about & always coming in for money...

But I was`nt told anything beyond she had got in with the wrong kind...**THEN THE WAR CAME...we went in the ATS...**

“ ANDRE ? ... I DID NOT KNOW HIM WELL...I was working up

in MANNI & living with my parents 1945...I saw him a half dozen times over the 2 years & then only when he was in the kitchen the Clacton houses for a cup of tea...father Wilson might be in too...anyone from round about if they knew the time you made a POT OF TEA ... it was severe rationing after the WAR & we were all helping AIR LIFT in any way we could (*to starving Germany*) ... you`d give anyone a cup of tea & a half a bun from the corner shop...
If you got there early morning you could get a bag of doughnuts & buns ...»

“ That Edward... **THEY had been getting round her Win since Aunt Mary died so suddenly** (*Mary Gordon poisoned 3 June 1944*)

...I knew nothing about it...it was the neighbours alerted me first to HIM in that blue car...chasing little boys on our Front ...(*she means Mengele Harrington ?*)

1959 ! **Police said they`d tip him an odd Doctor off end of Pier if he did not keep out...** I thought it was ANDRE came down ... The descriptions were so like him Andre ... I had began to read his books -

SHE KEPT IT ALL TO HERSELF

... **She was not the one with the brain, was she Greetie ? «**

I began to wonder how I had ever lost all this-it spun in a cine film through my head as she spoke... I NEEDED ALL THIS WHEN ANDRE WAS ALIVE-my father...*I saw GREY ICE in my mind !*

Nota bene : MAY 25TH 1961 - SHE CAME WITH A POISONED CAKE to kill me at nearly 4 pm ...I see her enter the tiny

meadow Colne Engaine- I HAVE NO IDEA OF THE DEATHS in FRANCE ... SHEshe Teres a Gordon R. would with

Mengele

no doubt say ANDRE HAD DONE IT TO ME IN REVENGE FOR HIS BOYS BEING DEAD...

they`d now LOCK HIM UP

1961 May ... My pet thrush that hopped in the caravan in the mornings was dead ... it was this made me FREEZE WITH UTTER FEAR ! NOBODY WAS IN THE GHOST HOUSE I am certain...IT WAS AS USUAL LIKE A GRAVE...the happenings of winter 1960 seemed hundreds of years ago...

The old dog from the farm was ill too & later died /A VET's report was spoken of by JGR ' it will be removed by the Doctor ' -meaning
