1937 SUMMER - Andre & *Greetah* ...afternoon OUT on the TOWN Clacton-on-Sea...

At the High tea Clacton town - *called Cordys restaurant later ...*

Colonel ANDRE MALRAUX is speaking to me at the tea table about *this-&-that* - & I am solemn for I realise he is now as the Colonel of Spain he has been...& he is treating me like a grown-up- as I sometimes

hath

to be when Len & I are on Tiggy's Homes & Ransom Estate matters -

This Man of Letters-

a man of Freedom

he has been to Russia

speaks to me

& I do appreciate the honour-

RUSSIA - We have many kin & friends & there are matters of the JOYOUS VENTURE there - I

look at Colonel Andre`s

solemn moonlight face - sometime he is eating or sipping his tea - nodding at the shrimps -

requesting some 'mayonnaise' or perhaps some more !

He will look out of the window & not say anything-or at the other people & he does not

stare but looks calm-

I am wearing a frock & curtsey to the lady assistant taking my coat & hat for the clothes-stand-

Colonel ANDRE MALRAUX

is getting a taste for this -

even when we rise in the DAWN-

He demands the curtsey when I am 24 years old

-

He has very delicate wrists & uses his hands nicely....

TEA 1937 Summer - **He looks up in thoughtful mood saying quietly “ it would be wise to remind Mary Gordon your grandmother that she should tell Harry & his friends NOT to go to the War in Spain**

-

it is too late ” ...

`he thinks he has her understand this matter & she was

never in agreement with young men going to fight but has agreed in discussion...` sometimes you had to make a stand ` She agreed with him in their conversations several occasions...

T

hat a stand has been made

against tyranny

I doth follow.

Colonel Andre Malraux - **then tells me to get on & eat & go to my own thoughts - for he has his-**

He

has his tiny notebook on the table-

HE IS STUDYING PEOPLE...

he may call that evening for an hour with Mary Gordon I know that he & she share friends, acquaintances in Paris France & abroad-

Granny Gordon she has bought him a warm jacket for Lincoln & the Fens as its going to be colder up there out on the seas edges... & we are also advancing to September-
THEN FOUL WINTER DOTH COME !

“ The jacket is a present from all of us for going to Spain”

Colonel ANDRE MALRAUX

goes to the Co-op side-window on Sunday evening with me to look at the men’s clothes displayed

& he go`th

to try on jackets in the time that is quiet in the shop... that Granny tells him to -

I recall looking with him & seeing my dwarf-self in the windows...

he so tall & slender

like pencil mystical drawings I have seen

...

I a stout dwarf that could lift Cousin Clarke`s oil drums to his car last year...

but I have fair hair & blue silver green glints eyes !

I may grow tall ?

1957 November - at 50 Lancaster Gate Square Andre Malraux got this jacket out from the Queen Anne wardrobe he bought at Christies & tells me

“...your grandmother that summer...Mary Gordon bought it for me & I always keep it...

we went to LINCOLN -

it was becoming cold in the evenings & in the dawn...

”

Part of most days I felt as if I were in a grey great misty tunnel of thousands of years back into time - & I was trying to get inside my body-my head-frightened & embarrassed for *SHEshe* is again saying things about the family at the seaside-pulling them down-insulting them-but at the same time saying in her insincere way

It is called `dirty Jim`s by some young people... & **JIM** has pulled

down in the City of London some good men's sons - Nothing

can be done for he goes in & out of the Palace - & **two girls** call him `Uncle James` ...& he pours the **TEA**...

1950s - That dirty **JIM** Cur James is that Mr Pong Jimmie of my first 8 years I have no memory- he is now a very fat very short man who has come into this Roman Catholic household 50 Lancaster Gate Square & insulted me horribly...hit me on the stairs so I fell...I **FIRMLY SAID I PAY MY RENT HERE !**

....Late every Friday night the last young RC man on staff duty has to hand him 100 pounds in a paper bag - Dirty **JIM** says it is an arrangement he has with Andre-

It is a loan...they have to call him Sir James since 1954 -

ANDRE MALRAUX did not know of this blackmail moneys for sometime then knew he could not stop it as **JIM IS THREATENING**

TO PUT ON THE NEWSPAPERS THE MARRIAGE TO A SCHOOLGIRL ...& its FAILURE...JIM & Mengele
have insulted **ANDRE MALRAUX** so often with sniggering dirty **JOKES...very DIRTY JOKES... (1953-1959)**

“ We should continue ANDRE MALRAUX in Summer 1937-

He will now begin to put me on high places-a mantle-shelf over a fireplace & say ` SPEAK - NOW- SPEAK TO ME- IF YOU DARE`
