*Andre Malraux 1970 Harwell...*

I Greta have NO POST/mail in my new life from October 1967 -

PJPW & his identical twin brother Sir Rowland Whitehead seem to have been persuaded I should have no knowledge-no photographs-no idea of the ancestry of RANSOM- *PJPW has been handed documents-photos-ancestry-but he appears to think he can take advice from the criminally insane-*

I have no chance to tell of the violence of the past if I do not have a memory

-

Andre is stopped by Peter speaking on many subjects-the Estate-even names of people-

In 4 days we were under observation yet again by *Mengele* royal Satrap who can  
summon CID secret service  
gaseous groups fro  
m Scarlet Town & Naval Intelligence !

-

*It is my shorthand notes & the contribution from older people that made some little sense*

-

1968 onwards - The threats began again - THE STEALING of my POST/mail IS TO CAUSE MORE DEATHS -VIOLENCE-FRAUD & THEFT & abuse of my father, sister, brothers...leading to their MURDERS by *Mengele* for his NOBLE daughter MASTERS... Victoria born 1968 we took her everywhere with us because of threats...

The RANSOM & Grote Estate is seen by the old monsters of fraud with violence as ripe for more tricks-tumbling of other nations-  
& THEY HOPE FOR MORE TUMBLING OF RANSOM INDUSTRIAL OVERSEAS HOLDINGS  
-grabbing at all Bank moneys-

They persuade PJPW he is control of the Estate because Greta Ransom W. is an APE/SUB-NORMAL & an Eskimo... & if moneys are put in big Museums by arrogantly taking the Bank Capital of so many pieces of philanthropy all linked as the original delicate flower garden now restored then they ARE IN THE MONEY AGAIN ! And more RECORDS CAN BE DESTROYED !

Moneys put in big Museums is removed after some months or a year -  
by the gangster set up  
operating as Gross Britain Lords & Crown-

ANDRE HAS NO IDEA WHAT HAS BEEN GOING ON... SINCE MY FATHER WAS GIVEN  
AN EARLY DEATH BY Mr *Mengele*

-

It is deceit all the time - as it ever was -  
NO POST- NO DOCUMENTS - no photographs -  
then I have NO MEMORY !

1970 - ANDRE MALRAUX -WIDOWER- reads his notebooks of MAI 1945 into 1948...

“ 1945 MAY - I returned to the seaside Clacton-on-Sea... I had friends at the USA base

near Ipswich & they helped with some visits...bringing me by Jeep into Clacton-on-Sea  
that first Summer & autumn, Peter

- The  
Winnlemanns old friends from the Continent had moved there a disused Chemist shop  
& small house by the Catholic Church... & I hoped to speak again with MARY GORDON.  
She had told me much of Ireland & its history...& problems...she had been there two  
years when first married 1890...She was born in Sackville Street & left when she was 12  
years old...her parents coming to Manchester...

We shared friends...Paulette Goddard in Paris

savage murder because I knew nothing of an Estate TO WHICH I WAS GUARDIAN...&

France because of this THEFT by your CLASS !

**The family place is near to Colchester - Castle Hedingham ...**

1960 - my detectives began investigating this early spring because people came to tell them...one was **Patrick MacDrew the child`s uncle...the only person left alive in the entire family ...kith & kin....Colne Engaine is very near to Castle Hedingham... people seemed to know the murderers..."**

**My detectives had time...they were for a long time awaiting an answer from me...which did not come ...all communications were interfered with...we did not know this for two years !**

" Papers-documents sent to General de Gaulle & I ANDRE MALRAUX-end of February-early March 1960-
