Greta allowed her mother to sleep in her room because she, Greta, was unable to protect herself when I was not there...I had to be in France...or away on matters for General de Gaulle... I had no idea of this dangerous position I had left Greta in ! I had DETERMINED by the end of OCTOBER 1957 to take up the marriage again...I needed a home & a hearth...a normal life...I HAD MUCH WORK...”

“ 1959 January...it came to my notice the violence going on...my staff called me over...knowing I had to be in France for work for General de Gaulle in a few hours time...I GOT A LIFT OVER...I came for a few hours... I was immediately told by he... *him Mengele* that Greta was at fault...I HAD FORBIDDEN HIM THE HOUSE before Christmas ! I had no idea he was coming in ! & JIM ! ”

When I learned details I went to that Club & stood on a chair & told them what I thought of this behaviour ! *Oh heroin was everywhere...he sold it from the Club, JIM...* At this time I had no idea, of course, WHAT THEY WERE HIDING FROM ME - !
What they had always known since I arrived to take charge of this French Mission - for General de Gaulle & the Catholic Diocese of Westminster 1952...when it was considered...

“ 1937 November-December - Teresa had to have told others, ...that I had been the Visitor that Summer & we had *Greetha* with us several weeks...& took her with us to LINCOLN 4 days... with us alone, Josette...myself...she & they were with dirty mouths trying to lock up young heirs...there are other cases ... ”

1945 May onwards - *Greetha* & I were in danger, great danger & all the time because Miss MINNI did not hand me the WILL... Greta was ordered by her Aunt in June 1945 to say nothing about an inheritance as it was a matter for her father & the British Government to decide -

Miss Win had been advised by the family du Cann & others...certainly Teresa...that her sister Teresa knew socially not to tell me of the Guardianship - All my postal correspondence was stolen from our visit ending...organised by your nation Peter...Great Britain -

1945 October/reminded in 1960 - “ I reminded Win Gordon 1960 of an attack with a gun made on me October 1945 at night in the Clacton Recreation Ground-two bullets aimed at my back ...”

1960 - “ Miss Gordon replies to my Detectives in summer 1960 that she was waiting for her sister’s husband to talk with me ANDRE MALRAUX...he arrived September 1945...she made no attempt to see this meeting happened...

Neither Winnlemann or myself could get an answer to our letters...**sent & put in the door of the house at the end of the REC...I had to be in FRANCE...I was over to the town for 4 days at a time...after the end of August...**”

1960 ... **“ She, Miss Minnie... had heard that some of the children had been deliberately killed in their Orphanages...that there might have been immorality going on... it was better then they were taken up to God !
She also heard that
it was worrying to the new reign...”**

1919 - **JIM Jong` & his childhood friend Angela - plaguing the Gordon family 1919 onwards - then saucy & vulgar messages & heavy violence directed after dark at the RANSOM families after marriage 1932 Gordon-Ransom- Arrogant CLAIM by Earls/Lords Lindsay mob that `an old Eskimo left them all this Estate...some part to Angela...**

1944/1945 - Miss Winnie Gordon born 1910 ***Greta`s aunt* -**

...received devastating reports... shooting-clubbing of Grote Homes children winter 1944/45 - A letter sent to she by a widow of a few days tells how her Officer husband SHOT AT DAWN - He pour soul had REFUSED to kill children whether they were diseased or not

He had a Major/Captain LINDSAY giving Orders -

The Officer is one of several men who did not swallow a DRINK given to them just before this SPECIAL OPERATION-

his Batman took his last letters to safety -

(Lindsay award themselves more DSOs...!)

1970 - **ANDRE MALRAUX** “ She was unwise Miss Win Gordon to ask advice of her sister’s son... (bastard 1924 du Cann).... He often visited her

after her mother who saved his life (

his grandmother Mary Gordon)

was killed by them .

He came with 2 others of legal status one was found to be not so after the Marital Court !

They were anxious to receive assurance of some monies from

MARY & GEORGE GORDON

both dead

“...& he Ed had advised the Orphanages were not wanted...

of no use in a modern world & moneys were being divided for British Trade & development...& gifts to The Crown...

She did not inform me, Andre Malraux...or Winnclermanns...or her own family...several in Manchester are educated & some in Southern Ireland can call upon THE VATICAN...as I did 1957 November...to tell Pope Pius 12 I wished to take up the marriage again...

HE SAID IT HAD NEVER BEEN CANCELLED...

I, Andre Malraux should have been informed of this...but all my post was stolen...”

“ Miss Gordon did know the meddling of her sister Teresa & the comments of many intelligent people...THAT HER SISTER SHOULD BE LOCKED UP ! She had been instructed by the Marital Court September 1946 to place her sister in the local Lunatic Asylum & they would access her & put her in a suitable ASYLUM ...

The understanding of the Vatican over the marriage was known to her by August 1947...

& S

he heard more at Christmastide

...she seems to have taken orders from a bastard nephew on heroin from 17 years of age !

He had been rudely telling the family who owned the Estate that he was given a SHARE... in a secret meeting at WESTMINSTER

...The lot of them should have been now PUT ON TRIAL !

I attended the Nuremburg Trials for a few brief minutes at a time...

There are a number of these dirty men & women in your Nation Peter...”

Miss Gordon, she felt he her nephew (*her sister`s bastard...there is another...& one was deliberately killed in 1945...a kindly person who has left a wife & child...hidden in the USA*)...

he was indicating that the nations with the Orphanages had risen up to KILL THE CHILDREN

...

& shown they did not want them -

She made it clear that she did not agree with this but then she was told all the children had been used for prostitution & were diseased...

She told him at first that the children could have been adopted...by families & childless couples...SHE DID KNOW THAT THERE WERE

one million GROTE CHILDREN in education around the world...

in 80 per cent of the nations of the globe..."

(...because she has a courtesy copy January 1938 the legal Will...she spoke to Greetah & Len & others when it arrived...there are a million & a quarter children & people in your care...WE SHALL ALL HAVE TO HELP...visiting about the world-I can teach a little-I can teach kindergarten...

Detectives/colleagues/Andre Malraux 1960 : Her cousin Julie

Butler found her talking of dividing up the Orphanages & giving to

Ed those NOT CATHOLIC - She-*Julie Butler* was angry with her cousin & felt she was drinking !
were giving her things - Later she believed the VISITORS

not exactly with her permission..." &

(Julie said) `Win had this Mafia - Earl - Lords & rakish families round her since she was 18-20 years- & the man JIM & his female chum & others Noble... since
Win was a child - 4 or 5 years of age perhaps...They'd been after the Irish branch-horses-tried blame them for Irish politics of the time - TREASON !
Murphys-O'Brien-Carroll-& they'd got 3 baronetcies-Southern Ireland-
they were into nothing violent -
good Catholics- only after some peace ~`

1970/*some heard 1960 Colne Engaine...* - ANDRE MALRAUX

“ There were also pointed insults from *The Cann* & others-Jim-

all of them on heroin- Sneers & attacks of a sadistic kind on *Greetah* & Colin- & the RANSOM families -
Talk of not having
the right birth to inherit overseas properties-a lot of smut- Racism-
Several family members held passports to other Nations- & North & South America...

Julie Butler did not live full time at Clacton until 1948
-she worked in Manchester & lived with her parents ”

ANDRE MALRAUX “...the matter of the Marital Court Rulings September 1946 - I as a man of Letters-ex-Army- was allowed to attend 20 minutes given a day & time decided by Miss Win- Greta’s father was not present that day- I did not know this would be so - Winn cleman & I were anxious to meet this man... Greta`s father !

To whom we had written since October 1945 several times & had no replies ! ...”

“ ...& I had no idea *The Cann* & their legal advisors were permitted into the Court & allowed to speak lies-they were found out- Greta’s father won Custody 3 children-not Teresa- she was to go into an Asylum by the end of the month- I did not know what the Family du Cann & their legal advisors knew - that I was GUARDIAN TO THIS ESTATE - all my post had been stolen in France by the British Government & Crown who acted for Earls of Lindsay & a woman in a purple gown ! ”

It was they (all of the Vagrants-scavengers-& du Cann) outside The Crown Court & Marital Court told Miss Gordon to disregard the Courts & keep

his mother free-

The evidence of her violence against Greta & Colin her husband & her own family-the poisoning of her mother 1944 I was NOT TO HEAR !

This is also a matter for concern-& more tragedy...

I am involved in this -

Again I was put in great danger...my life my career- & those I take care of

-

1946...the matter was out of control because of the emptied orphanages & the slain children dead on shore & off-shore- It required co-operation at the top...turning the other way... the full discovery had my

Detectives grow faint hearted...1960-

They had assistance from Territorial Army friends...you will have heard...

ANDRE MALRAUX “ Julie Butler was away in Manchester after leaving the ATS 1945...It is 1948 when she comes to live in Clacton with her cousin Win & they ran the Guest House to-gether ...

I did not meet her very often-she had no idea of major troubles-she is the youngest of that generation...a child of Mary Gordon`s elder sister Teresa...her brother Bill on Council Manchester-Mayor one year...”

1970 winter - **Andre Malraux, The Pillar House Harwell -**

(some of this read to G.R. 1960 by Arthur Malone Detective 7.30pm his visit to outside the caravan...he now carries a GUN...)

“ Julie Butler...she did notice on her visits - 4 days every 3 months -that her cousin was either sleepy or inebriated - In the ATS they'd learned to drink beer on night with the Americans on gun duty-

She, Julie mentioned to the two women helping mornings with the guest house ` that her cousin had hoped for a marriage- family- they'd have to cheer her up now she was approaching 40 years - see she'd got Church activities- & that she telephoned her sister in the town Mrs Esther Potter & their brother Harry over at Thorpe-le-Soken Garage-

They mentioned she Winnie did not seem to want to go out...not to the cinema or even fetch some little shopping from the Clacton town 2 minutes away ...”

Nota bene : 1959 Julie learns from Police/neighbours/detectives/ pre-war friends of Gordon family-events of past years-the visitors/& now neighbours & Police concern over the blue car paedophile with Court connections-goes about with Philip Mountbatten-

1945-1948 Julie was working a 16 hours shift most weeks running a machine shop for an old friend of the older generation Manchester-she earned a lot- to pay off the ATS loan for the Guest House- living with her parents Teresa & Frank Butler Roman Catholics Manchester-

perhaps called on Teresa who had tried poison Julie 1953...but charges could not be pressed or TERESA LOCKED UP...

Julie supposed MALRAUX was mixed up in this...he had wartime friends about Essex -

Julie, she had no idea of this Doctor *Mengele* Harrington who dressed up so like MALRAUX he

could fool the Staff at 50 Lancaster Gate Square if they saw him pass by-

Mengele

had boots with 6 inch soles-an identical raincoat to Andre-& a wig made to resemble Malraux's flop of hair over his forehead...
