Everyone, families, staff, has use of the 2,500 HOMES world-wide & the many attached smaller homes/it was cheap in Asia to run several small homes linked ...& salaries of the crème-de-la-crème teaching staff were not so expensive... Information Arafat to Malraux-

1970 - **ANDRE MALRAUX** notebooks - The Pillar House Harwell -

Malraux Retired Minister of France asks Greta Ransom W.

“ This barrel-like creature Earl 14 - **he looks like a Railway Office booking Clerk can you recall him that New Year`s Eve**

?

Malraux &

PJPW try wake Greta`s memory of 1953 The New Year`s Eve of the MURDER ...

“

He a young man with dark hair, with a brother...he the elder one going to put the poison in the old lady`s glass turned to look at you...felt you had recognised him...you looked at him on the stairs...Did you know what you were there for...” ?

"No...Brown RNVR said we were going to a Road House...I had to pay to go in...I had a five pound note. He did not give me any change ! Yes he said

ANDRE MALRAUX would be coming...I should dance with him... then I was to meet this fat man with a deep voice...he was covered in medals...I thought he was a cinema manager...I asked if we were going to see a film before the Ball... Talking to the old man upstairs where I changed I thought at first it was a NUT HOUSE...an asylum & for retired people...I wanted to leave & go back to Colchester... I was frightened & felt that talk from the old man and his wife had some truth

...

but I had it hidden from me because SHE Mad Mother Kali Clytemnestra was always nasty about the father I had before the War...

I wanted to go back to Colchester & perhaps say something to Mr Poulter...there was a small Quaker party in Hollytrees that night...about 12 people

...

MALRAUX wore a grey wig...& I only knew him when he spoke to Finlay Currie...the actor... he had come with his daughter for the meal which they had booked...they were not staying long but said `there was a HOOD at the BAR & a waiter they knew had come to warn FINLAY incase he had trouble with gangsters in any way ?

Finlay said he had not !

FINLAY & ANDRE as he called him immediately because they were old acquaintances...he now spoke about London gangster life then about a new film that might be made`...

I FELT MISERABLE & scared

...there was no food or even packets of nuts & only gin & orange or beer...

A kind man came & said " WOULD YOU ALL BE CHEERFUL & not let the old folks down...dance & keep the party going..."

`I saw the old man calling out...but could not understand what it was he called...**She was brought down in a chair...**

it was not to be said she was dead...just going to hospital

...BROWN SAID THEY WERE ALL GOING TO FAKE EVERYTHING NOW...

MALRAUX frightened me in the grey wig...

I felt everybody was a bit mad...they were not interesting people like we have coming into the Colchester Museums...

I HAD NO MONEY SO COULD NOT LEAVE !

Or I would have tried get a taxi to a Railway station or even to Chelmsford then gone on by train !

I felt it was all unfair to me at 20 years of age !

There was a lot more I observed...thought...felt...but I WANTED TO LEAVE...& I knew I did not understand enough of it all...everybody was boring & disappointing...ONLY IN COLCHESTER MUSEUMS were interesting people...the pink frock was much admired...by strangers...& that was nice...but I was frightened !

Malraux was invited into this SUPPER at 10 pm the LINDSAY MOB were having it in a seperate room & doors were firmly shut...Well he was lucky to get away ALIVE...the invitation from the film woman (someone may pull her under a boat later ?) was certainly to kill him or BURN HIS BRAINS OUT... This MOB WERE FRIGHTENED...& at MIDNIGHT THEY GOT ANGELA IN...and JIM...he is called dirty JIMMIE in the West End now... I saw JIM dirty Jimmie who is a very fat short insincere ORC about 4 days ago when we bought this frock one morning... which ANDRE MALRAUX paid for I learn in 1957 & he came with me- Brown RNVR was the driver of *the Malraux grey car in central London/I came up by train from Colchester...* I was told by SHEshe & Brown that they had bought this beautiful pale pink net long frock ... but certainly MALRAUX nodded in agreement when the shop assistant had me try it on ...

GOING OVER THE RECORDS of this time ... IT IS QUITE CLEAR THAT I AM BEING GIVEN DOPE TO HAVE ME WITH NO MEMORY & THE INTENTION IS TO GET MONEY & a SHARE IN THE ESTATE

BUT NOT LET ME OR MALRAUX KNOW

...

We seem to be caught by the SYPHILITIC NOBLE BRITISH SCANDINAVIAN CROWD...most of them criminally insane

...& that they are advanced cases of SYPHILIS should be considered perhaps...

!

IN short they are MAD

& because of their upbringing & KUDOS have gone criminally insane to GET HOLD OF MONEYS PROPERTIES using the Realm & the LAW !

1980s - ` Britain Rules the Waves ON THE PIN...Land of Dope & Tory` sing the front row of the Arena Albert Hall Proms 1970s/1980s...

it was after losing her first husband in Spain & then their stillborn child before she was 21 years of age...»

When are you coming home you silly people « !

I remember the Basque GROTE HOME 1935 November ...

& the pride of the fishermen & local people in the Home that afternoon as we arrived by seaplanes...JEAN WEDDELL RANSOM speaking Spanish & accepted as one of them- Lennie too- I introduced as newest Ransom-Weddell LOST TRIBE... & they happy to be told

“ she is being trained by Aunt Margaretha Mrs Grote with Lennie as heirs to look after you all round the globe...”

These seacoast peoples France-Spain sometimes sail up to the ISLAND IN THE SNOW & are anxious we OPEN JACOPSHOLMEN UP AGAIN - theatre, & settlement, safe little harbour...& THEY KNOW WE BOUGHT SOME LAND time of Abraham Lincoln at JOHNSTOWN further down towards Frederickstown... Everybody is looking for safe homes & enjoyable work & nice things for leisure hours...

In 1996 an aged woman in the market Atlantic coast nearly to Spain asked `where from ? ` as she put her hands either side of my high cheek bones & tugged my long plat- I said Greenland-Groenland- she smiled saying her family had sailed there from Bordeaux years ago- I had not Occitan or French language to tell her of ANDRE MALRAUX's seafaring lines- how they'd sailed with RANSOM from Bordeaux 1600-1633-

19th - early 20th century - GREED...perhaps encouraged by untreatable SYPHILIS...advancing them into madness...

1937 - Noble SCUM/the SYPHILITIC crowd... got the British Empire & Realm & Scandinavia to give them all the post/mail of the RANSOM Estate the Grote Homes & the kudos to listen in on telephone calls - ... trace them & kill if needs be - as they did to Margarethe Ransom Mrs Thomas Immanuel GROTE...

1938 15 May Records/account by Greta Ransom age 5 years of Aunt Mag's last day before she went to Heaven - I present 10 am to 2 pm `... she rose from her bed like a dancer & put on a housecoat of sun yellow with tiny flowers... she had bought it in USA... & she showed me 2 books written by ANDRE MALRAUX one with a cover of dark blue & one I think a dull red...`
`GIRL OF THE SNOWS said
" I am waiting for him to get in touch with me...Everyone has written to him...YOUR GUARDIAN..." ...

` She was Oh so young...so delicate...very plump...but her face reminded me of mine...her hair is to her waist & she said she has not yet lost the colour...it is dark brown with gold lights from the sun...about 15 grey hairs she had...She put on a suit of brown, and a big picture hat as you see in the 19 teens-1920s...in New York...we thought we were going to a restaurant...`

NOW WE WERE HORRIBLY INSULTED BY dirty JIM...MR PONG...JIM JONG...a PIMP...ON THE PIN... She must have been shocked to see JIM with me...says Dr John RAY Ransom...` he JIM had destroyed her grand-daughter...he had tried marry her but she would not have him...

we think he now hovered about her with THE PIN

...

His idea was to marry her...AND TAKE ALL ...*(no loyalty to Angela & the LINDSAY EARLS...)*
