

1960 - **There was no hope of taking these criminally insane Nobles to**

a British Court ! From the 1930s & the RISE of DIVINITIES the Nation had two Governments... **one the Houses of Perversions (so called 1950s-) at Westminster... the other IMPERIUM with Ramparts increasing with EVIL WATCH TOWERS...ramparts of a top class who had seen pre-War the destruction of the Estate was ILLEGAL... & had therefore set about helping themselves... if exposure came it would have IMPERIAL BIG BOOTS cast from the shores with a suitcase...sailing about...in a ROWING BOAT...**

It was a matter for nations A to Z the globe- **Small nations had known Imperial G.B. were guilty from 1930s1940s-they had fraud-violence-murders came at them frequently from the late 1930s...they who had welcomed the Grote Ransom Estate, especially as the creators of it were of their own nation over the last thousand years from marriages of Sea Traders & were visitors to their kin ...**

The slaying of the GROTE HOMES children the world educating to 18 years ...*under cover of the 2nd World War*

meant 1960 the nations A to Z must unite & ask :

`WHERE ARE OUR GROTE HOMES CHILDREN & settlement families Mother England...`

These independent little NATIONS had their own newspapers & radio networks -

They were glad to be organised-their fragile economies were so damaged & always at risk

...

the logging was BARBARIC from 1939 on claimed `G.B. Crown lands` -

1960 POST/MAIL to ANDRE MALRAUX & a PRESIDENT

The monsters & developing nouveau monsters were protected by the vast corruption-greed-ignorance-cunning-able to use massive violence 1938 onwards into the 1950s - (*various stages of Syphilis causing MADNESS...should be considered amongst the Roaring 1920s-1930s Nobles...*)

These NOBLES were essentially VAGRANTS around the globe- helping themselves to Banks in the name of Margarethe RANSOM Grote/Lennie Ransom & Greta Ransom- Dr John Ray Ransom/Frederick John Ransom-Ivy Ransom-the Missionaries Murgatroyd-Weddell- MacMurray too -& other names kith & kin-

1938 - Guardianship of GROTE HOMES & RANSOM ESTATE was an honour to FRANCE - CITIZEN Malraux could expect some protection from his nation -
Gross Britain Government & Crown with violent fraud
`PROCEEDS IN SILENCE`
,

after the theft of the WILL & letter to The President of France handed to ANGELA
on her State Visit to PARIS , FRANCE, July 1938...

Massive murdering got going after this...

1938 - Points : **If the WILL with enclosures of Margarethe Ransom Mrs Thomas Immanuel Grote to ANDRE MALRAUX had reached him by Post from Great Britain & not been stolen by G.B. Government & Crown Noble thugs- Then MAY 1938 PARIS the French Government would learn of MALRAUX's Guardianship in the letter from Mrs Grote to The President of France himself- to whom she wrote personally-**

enclosing her letter in the signed WILL for ANDRE MALRAUX-

she asks Andre Malraux in a separate letter to deliver her letter by HIS hand to the PRESIDENT OF FRANCE- If the President had still been Leon Blum then Margarethe GROTE would have telephoned him-

*My Aunt Margarethe's Package arrived 17 May 1938 -she spoke of how she had posted it herself - she spoke to me Greta Ransom on the 15th May- JIM Mr Pong had appeared...& she must have been shocked at his presence...

1938 Mai - The big envelope arrived & it was retained by Phipps Ambassador G.B., Paris- Mr JIM Jong & Lindsay 14 tried to take it off Phipps "for the G.British Crown" on the 17th
Mai -

If the WILL had reached its Owner & notification to The President of France, the matter would have been known swiftly around the globe-The placing by the owner of the Estate to a French Guardian & young man of honour ...

Andre MALRAUX chosen Guardian to the biggest Estate the globe has

-
A million & a quarter persons A-Z the globe covered by the WILL/WILLS...would then immediately have protection from the criminally insane of The Gross Britain fallen Empire- Perhaps the evil slaying of the Grote children to get at the lands the moneys would not have happened- ?
Genocide stopped !

ANDRE MALRAUX WOULD IMMEDIATELY HAVE BEEN ACKNOWLEDGED WORLD WIDE AS the FIGURE HEAD OF **KUDOS** needed -

1938 - Ransom family - had our Passports removed -Greta Ransom's may have been removed some months before...many held dual citizenship other nations - THREATS CAME FROM NOBLE scum TO TAKE US OUT BEYOND THE 2 MILE LIMIT- TIP US OVERBOARD WITHOUT LIFEBELTS- There's a history of Noble Britain at this violence to people they have robbed- accounts/reports/

1933/1934 - `The new GROTE HOME commissioned of a young Albert Speer 1929/1930 was laid aside- Margarethe Grote explaining to him by letter & phone `she could not get mixed up in what might become War... *she disapproved of the Jewish matter beginning to show...*
She says she had to put the children Grote Homes first-it was known that the British Government Lords for the Crown disapproved violently of GROTE HOMES which were in nations not part of the British Empire...

This had begun 1879 when an insane Earl Lindsay, dripping snout (*& probably syphilitic*) from thrusting up pellets of *Divinorum Salvia Scotland* to keep up his RAGE demanded on the marriage of Millie Frobisher to JOHN RANSOM 1883 that all of Thomas Grote HOMES & his wife's lands, her father's too, be GIVEN TO HIM EARL LINDSAY...
Premier Earls- Upholders of the Faith- Gross Britain
