

1960-1963... `... The Hollywood Bowl was got back by Kennedy & he KICKED OUT of the Bridal Home New York waterfront the thugs who said it had been left 1938 to an Asquith cousin of Millie Frobisher Lindsay...!

President Kennedy`s parents had letters/documents/which PROVED THE MASSIVE FRAUD IN USA done by Angela & her MEN...they using the next generation as pack horses for the crimes ...Kennedy wrote Angela a letter telling her to look after her own SLUMS & not create them in his Nation... *Many people the world thought of her as a woman who had abused her brother-in-law to get top job British Empire...*

1960s - TIGGY GROTE was still remembered...Margarethe had put bust bronze portraits of him about the globe...his appearance so appealing...one HEAD was up the stairs of the Eifel Tower...it was a pastime to climb some of the stairs up when the Tower was new...The bust of TIGGY was at a decent climb position :

it would have inscription to remember your local Grote Home...put a sou or half a franc in the Home-

it all helped the orphans educating to 18...Visit your Grote Home for Sportsday or a Christmas entertainment...meet the children...`

A life size bronze *perhaps in Austria/Germany*, was Tiggy in a chariot with children he has saved for the Homes educating to 18 years... a marble statue in our Villa Corfu was intact until 1963 when JIM thugs got at it smashing the head off...the Villa turned by them into a restaurant had to give big profit to them...claiming it as British Crown Imperial lands ! & the FRAUD was everywhere ...it was the NATIONAL INDUSTRY of HIGH CLASS SIN Gross Britain... from 1938...

Dr JOHN RAY ® - He has his own Estate Northern Canada a gift from Margarethe RANSOM Mrs Grote 1920 when she knew he was as a child physically impaired (this Estate was jeeringly called `Crown Property` by Pong Lindsay 14 & other SCUM PIMPS Paedophiles & PONCES in WHITES Gents CLUB a VICE BAR St James` Scarlet Town 1958)...

1937 Summer - **IT IS HERE** at the **TENNIS CLUB** that morning **ANDRE MALRAUX KNEW FOR CERTAIN THIS MEDICINE WAS NOT SAFE** for a child not yet 5 years !
& he will say when I am

1937 ... it reassures him finding he comes to Lands of Gospels Acted Out & that his mother's ancestors lived centuries here a Romance Situation you would say in those days... & he happy that nobody would tell CLARA & Maurice where he was... so they come fast over Channel waving guns to capture him

-
Those who fought in the War & found themselves saved not killed would hold their partners in a HOLINES - as this delicate music was 'the last dance'... They they'd go off home, arms about one another... Many returned men to Civilian life say how amazed they are to be alive...would tell us that they now had to-morrows- They had lived survived the War & had the certainty of a Life into the years ahead - they had friends, relatives who had FALLEN ...

1945 - All that Summer Andre Malraux thinks upon JO... **JOSETTA-Josette-JOSIANNEA-who is the dead & many in the town join with him in his mourning-** It is only months not even a year since her death... It was customary in those times early 20th

century to think upon the beloved in the coffin beneath the earth for the first year...to

visit with flowers...say a prayer...

Speak a little...say the name on the carved stone...

1945 Colonel ANDRE MALRAUX is aware that young girls can be carried away with emotions over heroes -
