

LIFE AGAIN AS IF IN A MIST & PENCIL SKETCHES somewhere but NOT TO BE FOUND...

MALRAUX owes me some small sums- pennies-silver-a pound or two -

paedophile Mengele

with his vicious

dead fish eyes face his spiteful black tongue November 1957 stopped Andre's salary from Westminster Diocese 40 pounds a month or took it

?

- He was writing FILTHY LIES ABOUT MALRAUX in those horrible notebooks he keeps & at which he spent most of his life...

Some are shown to PHIL the GREEK & noble business world companions ...

... then *Mengele* could draw his PAYE down the WHITEHALL on the sheets he submits in meticulous detailed hourly work...

They have all gone mad on LSD/purple

narcotic/

& heroin...

ITS WORSE THAN THE 1920s

because there are more in that HIGH CLASS/

natural rise of population/

1938 onwards - 1948... **THE MATTER IS THEY SLEW THE GROTE HOMES CHILDREN AROUND THE GLOBE...a million of them...A - Z nations to get hold of the GROTE HOMES LANDS , the investments attached & the JOYOUS VENTURE of RANSOM FAMILY...3 legal Wills administer the Estate overseas... The whole is the property of Margarethe RANSOM Grote & she trained her family to run it after her death...Her heirs are Lennie Immanuel RANSOM polymath nephew...& Greetha RANSOM niece, ANDRE MALRAUX the GUARDIAN...**

CHOSEN BY SHE Mrs Margaret Ransom GROTE & her Trustees, Advisors, Brokers, Solicitors & FAMILIES

She was killed by Vultures Vampires of the Roaring 1920s...

1950s & onwards !

THIS ESTATE IS NEVER IN THE RED...

THE SYSTEM IS HONESTY & THE ESTATE CAN NEVER FAIL...around the globe it goes twice & up & down from both Poles...where our ancestry is...we get Xmas Cards from Palestine the Holy Land up to 1929

...

THEN THE GROSS BRITS slew them...for gambling moneys for a fashionable London SEASON...

1957-1959 ... At 50 Lancaster Gate Square often I find myself in this awful dissolving mists I my mind & lack of comprehension...The staff were living in & then it began to fold up Xmas 1958-1959. Had I not heard early 1954 that dirty JIM & thugs had

fixed the lease on a place-

this Malraux place

- it was in a Square they used a nephew of the ancient Duke of Westminster -

The nephew keen to

develop the Square - pull down - erect concrete commercial & shopping blocks....

no safety anywhere

- Byron's childhood home gone in Hollis Street... built into the stores John Lewis...

We saw it 1953-1954...

I wrote later` where the only DAWN came from the memory & there were landscapes in the dark ... trying to describe the removal of the memory day-by-day` - **G.R.**

1960 ` & 1959 he HAS TO BE A MINISTER OF GAUL- ANDRE MALRAUX-

I had no memory of the happiness winter 1958-9 *only the queer weird things happened when he was not there..* .The girls he

knows in The Marks & Spencer Stores getting him socks shirts underclothes his size -
The Menagier de Paris/Goodman of Paris
needs un-darned socks now, & he is very tall... Nothing in my memory left by 1960 of
that few hours a week or a fortnight of normality of the day by day...

Greta is to give ANDRE breakfast when he arrives from GAUL...the porridge bowls of
Willow Pattern I bought...for I am to give him breakfast as Auntie Housekeeper has a
little morning job at the church with her friend...About is Doc & Mrs *Mengele* Harrington
& JIM

...THEY ARE ALL PIMPS ...

earning money dripping blood & gore from the slain GROTE HOMES children & the
Ransom Estate A-Z settlements & our relatives ...

HUNTING BIG GAME offshore & drawing FUNDS from WHITEHALL by selling off Ransom
properties

1960 Mid-February - he does come with an offer of an apartment at a little place he has in
his care- & all the detectives & colleagues will come to protect us at

Versailles- I shivered with fear for I could not grasp the
Progress of the WORK UNDERTAKEN FOR AN
HEIR BORN ON A HEARSE claim

ed by monsters
who cull their own close born young
too

*(12 years old heir Lindsay down a Maritime Hole in Sea c 1910 newspapers/reports `they
all need to move up one` letter A.F.)*

VERSAILLES - General de Gaulle had this idea...

MALONE came mid-February with News & reading one of his 7.30pm Reports - by then I

had MIST in my head
& was scared of being attacked as in London

-
DANGER - I was UNABLE TO RECALL THE ATTACK EARLIER in January from which DR JOHN RAY saved me/
although I thought that was MALRAUX with a trusted friend !
That was to be CERTAIN DEATH January 1960

Concerning the APARTMENT Versailles as there was no letter & nothing written down I was nervous. I said stiffly to Arthur Malone I had a home now - a door & windows I could lock... thinking this was so ` *when I was inside that is` ...I need my POST/mail...photographs of this vast important PAST...
Malone spoke of two packages he had left early January 1960...`somebody is about then` he said when he found I had not got them... By end January they the Malraux Team & Colleagues included the *after working hours* amateurs,
The Marsh End Boys
who had to be alerted by Harry to danger
& not to cheek Doc
Mengele
Harrington...
They asked Harry
WHAT IS GOING ON ?
A girl
your niece Harry lives in a field
& is followed about by all these men in the early DAWN
when she goes with a great big POT down the little lane to get water from the FARM
...& that IS MALRAUX OF THE SPANISH WAR -
our Mums say it is !*

1960 January - Malone said `they had all spotted January a peculiar figure “ in fawn raincoat unknown to any of us circling about the fields early mornings...” ... & that this

was where the Post/mail went & anything left outside caravan early dawn...Until
mid-February THE Malone & Team Centre of Operations was
a room in a cottage away from shouting distance to Greta...thus the Marsh End
boys/young men helped...THE Detectives & Colleagues DO NOT MOVE INTO THE
GHOST COTTAGE opposite the Caravan UNTIL AFTER 17
th
February 1960...

THE SO CALLED MYSTIC BITS/but with good explanations :

... 17 Feb - That was the day MALRAUX came on another fast unannounced visit out of
GAUL & looked at it...& could not understand WHY *GREETHA* HAD NO MEMORY OF HIM
but belted down the lane at 9 am in the MISTS & frost & spitting rain -
had he upset her ?
COULD SHE NOT FOLLOW IT WAS A SERIOUS MATTER -
He had been persecuted for years & JO had died...`

9 oo am about - I WAS RUSHING TO GET THE ONLY BUS TO COLCHESTER for two
hours...I must go along the lane & down the hill to the Colchester Road ! I saw him early
morning come out of the hedge which gave me a shock
*(1970 he explains he was looking to see if they could enter by the back in the Cottage &
thus
avoid
the publicity they had been getting...)*
I vaguely knew he was alive & not a GHOST FROM THE GALLOWS up on that field...
because he had condensing breath billowing from his mouth into the icy frosty morning
with some white mist... & he slapped his LION GLOVES that the boys had given him for
his birthday 1957 & said tipping that hat
which looked like SEFRIS the POET his hat borrowed again...
said `Goodmorning
` without any smiles/
later I am told he had been up all night ...

... (1970 he MALRAUX says I gave him a shock !)

IT HAD ALL BECOME SO UNREAL...Brown RNVR had said 1st week February on a surprise visit that he came with URGENT WARNINGS FROM WELL WISHERS ~ WHITES CLUB said JIM was putting it about Greta Ransom could RUIN MALRAUX` s career IF SHE COULD REMEMBER ONE THING ABOUT LANCASTER GATE SQUARE...

... THAT MALRAUX WAS AN ILLEGAL IMMIGRANT & JIM HAD BEEN TALKING WITH 3 BROADS & A GREEK ABOUT MALRAUX & they were all concerned Malraux was harming de Gaulle - further Doctor *Mengele* wished to keep MALRAUX IN FRANCE with his women - Malraux needed lots of tarts & that sort for a bit of fun... *Greetah* had a bad reputation because of her mother & they both could harm General de Gaulle...whom he JIM is instructed to kick out...& he has to take the HOUSE 50 Lancaster Gate Square off de Gaulle & Malraux & their Broads for both of them owe the CROWN dough ...»

nota bene : JIM JONG born 1898 has known Greta Ransom's mother (*born Nov 1906*) very well since 1919 & the early meetings are probably as with ANGELA (*born 1900*)

when they are children- JIM IS A PIMP & CRIMINALLY INSANE - at the LINDSAY tea table from 11 years of age, 1909 !

ALL of them ON THE PIN from 1915 onwards

!

Brown RNVR ruminating said " Mr JIMMIE he is called a dirty little brute & nobody trusts him but he has been allowed to get too powerful up there

...

the Club is a centre for gossip & spying on The City

...

MALRAUX is a fool not to have checked that Lease on that lovely house Lancaster Gate Square

...

they are going to rip off money at sometime

...

in a few years

...

nobody trusts JIM

..."

He said a man he trusted at Naval Intelligence had shown him how they fitted listening devices into cars

...

he said only talk when we are 40 feet away from the car

...

he had shown him again how to check his car for this

...

but they

,

had been able to do it since 1955...`

David S. Brown RNVR submarines early February 1960...

!

1960 February for some days - I HAD NO MEMORY OF THE NIGHT WATCH & DAWN WATCH TAKEN BY MALRAUX JANUARY...

*but a muddle in my head about some Guards outside the caravan recently...Arthur Malone with his Reports put some ORDER into my understanding !
I HAD HOPED TO SEE MALRAUX & speak with him.*

Malraux & de Gaulle when they walked out of Office 1968/1969...

“ We left because we could no know who was telling the truth & we were weary...” I did not know whom to trust sometimes but felt reduced to a Pauper all the more, I needed it all written down...A typewriter in the caravan January might have helped...although it would have been removed by the *Mengele* Harrington pair with KEYS to my own new home...We are searched “ for the Lords & The Crown...” ...& they are all ON THE PIN bar one said the Prime Minister..& we might add `with total commitment to EVIL after killing the Grote Children in their HOMES under cover of 2 nd World War...`

1960 17th February upon seeing MALRAUX - I had no words in my memory & was very misty in my brain & a pauper - I had nothing in my head to make words with ...& perhaps he had friends in the big houses about Colchester & did not come to see me ...I rushed past to get the bus...IN CASE HE DID NOT COME TO SEE ME...

I could not stand any more let down...
WHY HAD MENGELE come here ?

**THE REALITY OF THE HEIR ON A HEARSE THEREFORE HAD NOT STAYED FIXED IN MY UNDERSTANDING-some moneys belonging to my father whom I did not know since before the war & that did not EXIST in my memory ! It needed to be written drawn & a Deputation come in daylight lead by my father his relatives still alive...
MALRAUX kind Malone & perhaps Harold W. Poulter
...ABOVE ALL JIM & MENGELE HAD TO BE DROPPED IN A LIT VOLCANO...**

**There crimes are so bestial...(We owned a volcano in Guatamala 19th century...Fred Ransom needed it for some mineral mix...Margarethe his daughter said so 1937...I have no memories...
yet photos were in thousands)**

**1960 February 17th - I was heading for Colchester Library that iced morn & had some things to look for in books - I had just had 2 cups of tea with sugar & powdered milk & so was very MISTY... Th
e bus goes in 3 minutes & there will not be another for 2 hours...
On the bus I hoped he ANDRE might follow me into Colchester so I looked in at Hollytrees Museum
...let Mr Sprack know I was about...said nothing else...
I cannot easily frame sentences...compose anything in words...a typewriter would have helped...
Mengele
would have it broken up
& said Greta-Ape did it
&
he wanted me LOCKED UP
-
MALRAUX
might have believed him ! ...**

Enlightenment came with Notebooks read by Malraux 1970 The Pillar House Harwell...

1960 February - **A visitor from GAUL Andre MALRAUX saying in the middle of the night outside the Caravan ...** ` you can

bring this tin-can too `

when he could not grasp my lack of comprehension & I wanting NORMAL BEHAVIOUR...In my mind no heir has arisen other than if there is some moneys then they belong to my father whom I have not had live with us since 23

rd

December 1939 when he was sent off to the Philippines to be killed...I need the photographs these Noble scavengers & Vagrants have all stolen -

I have no memory of Len or his little ballerina mother Jean Weddell my grandmother - Her families in South America DO NOT EXIST FOR ME - The Doc Mengele paedophile

Royal Satrap

G

ollum

wants hold of MALRAUX - HE IS CRAZY WITH ENVY & Gross Britain monsters want HIM OUT OF THIS JOB ...

Nobody tells me I was out of Britain 1935/6 eight months touring GROTE HOMES with the family - WHY ARE NOT PHOTO-COPY MADE OF PHOTOS & given me ...given to Poulter to hand to me ! Why is NOT a meeting called in HOLLYTREES the old Doctor`s library ? T hen Markham Makepeace was

BOUGHT OFF

BY THE EVIL.

They took all his DOUGH when he was 15 years old...catching him as WARD OF COURT !

January - February ... AH the man JOHN RAY ... of whom I have now NO MEMORY a few weeks later... has tried tell me & played

a tape outside the window when he was on that NIGHT WATCH fortnight
& taking his turns

...As the winter ended no DAWN WATCH was necessary...the early morn workers on the
Farms kept an eye out at 5 am ...

Mengele knew they were !

The TEAM have been told I am perhaps not bright in my head...

1960 JUNE - I read aloud SEFRIS poems & somebody did some on tapes from the
listening system... they the educated NOW UNDERSTOOD THE POET
SEFRIS... (Rex Warner translation)...what they do not
know the loyal TEAM is that I can no longer hear them...
in fact I could only hear them for 2 weeks in January

...

Mengele

got that fixed by his Naval Intelligence thugs/others...!

This was probably why BROWN RNVR made his visit

!

Investigation !

1960 March - **Madness is about ! MENGELE** valued for removing memory *so scavengers
can get hold of moneys & Funds of old people*
went by Gallows Corner February 1960 tooting in his blue little boy bait car- Then I heard
he was in the Cottage with Malraux & a great luncheon took place

.

MALRAUX was in a chair dozy, & Malone detective POLITAN had fallen asleep reported
BROWN RNVR who went to BEG some of the HAM from them.

Doctor

Mengele

Harrington came with a HAMPER from Fortnum & Mason -

This gave me no confidence.

Brown RNVR acting in a fatherly caring manner had turned up with messages & some
little kitchen household items from his mother at West Hartlepool -

1950s - All was queer & deceitful 1950s...his mother a widow Hilda Bacon Brown came to bring me a bunch of tulips autumn 1957 to 50 Lancaster Gate Square but was told she could not see me or ANDRE MALRAUX... *Mengele* had his Nurse Dame on duty *w*
ith an assistant !

MALRAUX & I

Greetha

Ransom ARE TO BE ISOLATED FROM ALL WHO KNOW OF THE ESTATE !

That is why we are followed everywhere...

since 1953 ...

1960 - Clearly Brown RNVR was being offered money to play crook-traitor-for Lords & Crown/or was he being blackmailed/probably both... *Doc Mengele* was without clothes at nearly 11.pm swinging an implement of metal & wood from the sounds in the hedgerows & he also had the finished ham bone in one paw wheeling that... He had come into my meadow & was saying he was going to **BREAK ALL THE CARAVAN WINDOWS -** It

was Brown drove him off !

It was 36 hours before

Mengele

LEFT !

Mr

Mengele

should have been PUT DOWN BY ALL OF THEM -

He has hideous murders for sadistic fun-he is crazy on DRUGS !

He is a convicted paedophile pre-war the Continent!

He attacked for at least 6 weeks a child under 1 year old !

Transferred from Prison to 2 years in a Nut House Great Britain, this did not cure him ...

& he Harrington came OUT believing he was going to be A GREAT PSYCHIATRIST

!

He is employed on this Crown FRAUD & VIOLENCE work by 1938 !

All these old Noble Vampires know one another...penniless they are PIMPS & scavengers & vagrants since

1890s...& easily kill for dough...

1960 March - **I began to feel very childlike- that was a sign of somebody doping very much my beverages** - *make a cup every 2 or 3 hours & there is no memory of 2 minutes ago*

-
MALRAUX WAS GENUINE & desperate for a home & settled life with children & he had the permission of de Gaulle honouring a Catholic marriage.

It was now 13 years since the marriage allowed by ` young Paccelli ` ...

Our Team are first-class but we need 2 dozen such...

CAME Mr

Mengele & women,

Brown RNVR & Teresa Gordon R ...she now turning up to insult me with

“ will you EVER go out to work again...” ... “ what TALK you have about here... with all those men in that cottage...I am ashamed for my brother Harry & his family to have YOU with your reputation come near the...»

I TOLD HER THERE WAS NOBODY IN THAT COTTAGE

EXCEPT 2 old people came & cleaned the windows & tidied the garden & the woman who had lived there had died

...

SO SHE WAS SEEING THINGS...!

I was determined to not have her interfering any more...

Her chums KEEP TRYING TO KILL ANDRE MALRAUX & ME... **She Mad Mother Kali Clytemnestra hangs about the ghost-cottage some evenings - men from WHITES known as JIM's THUGS run her down from Scarlet Town...**

I was considered a source of information I think after May ...

& there was the painful matter of Philip Silverlee's daughter murdered in May Argentine...

1960 end of February NEW YORK...**Theft from the Courier's briefcase packed by Philip**

Silverlee with documents that Malraux & de Gaulle were waiting for -
3 Wills- documents- letters- extracted-
Suggestions for where the THEFT
occurred 1962 March onwards are ... the messenger made to wait 2 hours in a hotel
room-knocked out said somebody -
ONLY THE UNIMPORTANT REACHED MALRAUX & the GENERAL...
other information comes in on the theft
...the return Plane from New York had everyone get off while seating re-arranged/
& coming from Paris the Courier says later he had felt weak at the knees & perhaps
vague when he arrived New York...

1960 May - **PHILIP SILVERLEE's daughter 28 years old murdered in ARGENTINE - she
had gone to the old solicitors Argentine & got documents carbon copy letters/
happily given her by the old Ransom Solicitors
/met her father in New York & they went**

**together to Grote/amalgamated 1954 after the theft in ANGELA'S NAME - LINDSAY Mob

1988 - Reply to the USA State Department 20 years on :

HE WAS DUE BACK TO USA TO TAKE UP BY INVITATION SENATE WORK - he had accepted - an

Investigator was sent from State Department 1988 to ask me GRW if I knew what happened to him -

I said `JOHN RAY was a 17th century Rector interested in natural history/zoology/botany/minerals...At that time educated persons were interested in all of Nature... He lived in Essex` we learned of him at school in ESSEX...

Your USA State Department Investigator's Father a teacher Mexico had been murdered 1956 when he was 7 years of age (*his friends did not want him to know of his father's murder, they said*) - His father taught at a Mexico GROTE HOMES - then continued to teach older students in his bungalow home - I WAS TOLD THAT CHILDREN HAD BEEN KILLED in these Orphanages in South America in the last War - nobody would say the name of them anymore - people died if they knew anything...the British kept WATCH & they had always objected to educating children in foreign nations to 18 years except for a few RULER's children -
MY MEMORY WAS ON THE SURFACE December 1939...& had to be restored from time to time until 1945 SUMMER...

1945 JUNE a trick was played on ANDRE MALRAUX to see he did not find out the true nature of an inheritance he heard spoken of for

He thought it was an inheritance from my great-Aunts who had run a CATHOLIC Mission Northern England... Many good people were fooled too...
