1930s ... in order to grab the lands of Ransom - demolish GROTE HOMES upon them- it

was necessary to kill Mrs Grote & stop her making a WILL- From 1934 she was kept hidden-her son was murdered with poison in a cup of tea October 1933 to stop the great family XMAS in the great Ransom home 1830s on Jacopsholmen Island - with Yachts, steam ships further out...joining in for THE GREAT THEATRE PERFORMANCES, church & THE BELL...THE PRESENTATION OF THE HEIRS...on POUL GRONLANDER`S ISLAND...now the UNIVERSITY WOULD BE ERECTED...as DECREED...

JIM JONG ... personally went & slew the wife of Count Poulsen of Norway ... October 1933 - she was receiving the Xmas goods coming from New York - he cut the top of her head off to make it look as if an Eskimo did it - PJPW told this by Andre Malraux 1970 said...“...hey fellah... more like East or China - I`ll ask in the Museum on Monday if this is an Eskimo practice...?...Gurka ?...”

THE POST IS SO GOOD FROM JACOPSHOLMEN ISLAND off WEST GREENLAND below DISCO our shopping Town XRISTENSHARB...

Before her murder by JIM for IMPERIAL BRITAIN & SCANDINAVIA The Count Poulsen`s wife (*he great-grandson of POUL GRONLANDER & Margaret Yates of Carlisle*) had described JIM in 2 letters to her husband which reached him before her murder - She gives the man`s appearance-languages- French perfect & Chinese- said he had been prospecting...“... had an ancestor who was a prospector on Greenland shores...» She believed he was French-Chinese-raised in France ...he had appeared on the shore & accompanied her on her walks two days... She was unpacking the Stores from New York in the great RANSOM HOUSE...for the great family XMAS everyone was so excited about...we were all going to this...

Greetha to be christened in the family church Margarethe`s father had finished for her mother`s father Old Jacop Poulsen...eldest son of Great POUL GRONLANDER ...

September 1933 ... « Margarethe with Melany 1st daughter of MINERVA in New York early autumn had SHOPPED UNTIL WE DROPPED says telegram to `CRAIL` Skelmersdale Road CLACTON-on-SEA...« Mag agreed to sit in a wheelchair in Macy Stores...we bought things for THE BABY DOLL...the photos have come... *Greetah*...THEY ARE COMING FROM PERU too...Weddell branch & they are coming up for the PLAY !...»

1933 NOVEMBER after the murder of Count Poulsen's wife October several Ransom-Weddell-Poulsen family go up HOME TO GREENLAND- Margarethe cannot bear to come after two horrible tragedies THE MURDER BY POISONING OF HER ONLY CHILD HER SON...she wishes

Greetah

her chosen heir

(*Len sub-heir by agreement with everyone, GROTE, Asia, South America*)

...

Greetha

to be CHRISTENED in the church her family built & where Delacroix an old friend came up to paint Angel & Jacop behind the door & in the Church did some more - So Ransom families taking the heir GRETA Frobisher Weddell RANSOM 8 months old flew up in the 3 seaplanes to see the state of the Island...the house...The house was richly furnished with new household goods from New York, new bedding & FURS, & STORES were in the ICE CAVES...Margarethe had been asked by the DANISH Government to lend it to their WIRELESS MAN...he had left windows open & abused it.

THEREFORE she,

Margarethe girl of the Snows,

had with Melany MINERVA Mrs James Weddell II her first marriage daughter, shopped in NEW YORK & replaced household goods of the very best quality .

1933-1935 - The investigation into Countess Poulsen's savage murder took 2 years by Denmark- A FARCE A FARCE - GROTE BROKERS & the Argentine could get nothing in writing from Gross Britain - Its penniless upper crust had gone on pilfering the Estate - mouthing an old Eskimo gave it to Angela - Dipl omats HIGH ON HEROIN plus swanked & waved canes at USA & anyone else who questioned their DIVINE RIGHT to keep cashing cheques on the ESTATE...& big boot in & THIEVE THE ART WORKS... Mr JIM Jong & ANGELA's parents swore to this GIFT from OLD ESKIMO ... in secret silence that Crowns & Lords can demand... DIPLOMATS mouthed...` no WILL was necessary now Angela had this divine role...Her word was enough...even when she drank until she could not stand...to 1 am of the new day... & that of the LINDSAYBUGGARHS Premier EARLS of Gross Brit of course PROPPED EVERYBODY UP...all old friends ON DOPES since they were kids...« SO SHOP UNTIL YOU DROP ...new diamonds & Rolls Royce/Daimlers` for all...We do not want ANGELA

THIS IS THE MOB WITH NO EDUCATION...IMPERIAL OF COURSE...

1938 - The WHITEHALL were told `Angela wants the HOMES emptied the lands sold IMMEDIATELY & the moneys given to her` This was when she had received the WILL JULY 1938 her State VISIT...that WILL intended for ANDRE MALRAUX...

She is with a delicate husband called David in Paris...She is PUT IN THE HOT SEAT by the British Ambassador Phipps - THE VISIT HAD TOO MUCH FRENCH LIQUOR WITH THE MEALS said a person on the Visit...

1939 - The idea for the slaying of the children a million round the world A to Z was agreed 1930s ... got going 1938/9-

THE

SPOKEN ORDERS WERE :

` WE THE BRITISH UPPER CLASS CANNOT HAVE ALL THESE CHILDREN COMING OUT AT 18 & RUNNING THE WORLD...fatherless!

We have heard that these nations do not want them -

OH...

!`

WAR made this genocide easy ! The accounts/photos/pits/are so horrible most people break down- it is as bestial as the Nazi regime- all done with careful planning

co-ordination using big RN ships...GREED- sale etc of lands-& quick dough- the art works for sale or awaiting a rising market - " She, a Goddess from the SNOWS, had more art works than the Louvre..." says Andre Malraux, he has seen the lists USA...sets about a Catalogue with LIR...

TWO UNIVERSITIES WERE PLANNED - the money was there 1938 -POUL GRONLANDER Greenland as our Decree of 1770

San Miguel ...to be in Tierra del Fuego planned from 1909 - when the North Pole Ransom family married the South Pole Weddell family - *Len & Greetah knew the history of stopping our Universities building- violence from Gross Britain & Scandinavia-* who greedily eyed the moneys-changed their clothes 5 times a day !

1944-1949POST/mail STOLEN by Gross Britain - letters messages sometimes asked for a meeting - some people felt slighted by having no response from ANDRE MALRAUX upon simple or otherwise philanthropic Estate matters- we hear they were always very polite because of his World position alongside his General de Gaulle - Malraux could not be got on the telephone ...

1940s - Letters enquiries came from Hemmingway Novelist who felt slighted 1945 Summer in PARIS...when MALRAUX rushed away after he said “ I HAVE GOT YOU A JAM FACTORY disused...in USA...you can do what you like in it...”

(Reference to burning in Marmalade by LINDSAY SCUM of the Murgatroyd only child their son age 22 summer 1937...SPAIN their ESTATE...)

(

The Roman Catholic connexions brought Charlie Bronson on a visit to England trying to get some sense about GROTE HOMES which his parents may have had a helping hand with...Charles appears in the Joseph Conrad film as the mad Captain of the ghost ship-it was a very approved performance by we young...)

There were also enquiries from musicians/colleges & small schools/craftworks- Concern USA over the IMPERIAL G.B. disgusting greed over our tiny Maryland enamel works arose/etc endless- reports/tapes/paperwork/

Mengele is not a real doctor-his training at Hong Kong is very dicey-he is not allowed by 3 London hospitals to touch a patient-only be a Consultant- In 1953 he had "botched 3 operations & now another -

& he has got together with dirty JIM...

Mengele is a monster who has killed & cut people up alive the young believe-hit a girl with a wire to see if her head would come off- & poisoned many people saying they did it to themselves with dope ... 1957 November 5th he handed out poisoned lollies & the

**1938 - LIR - “ FRANCE & a FOREST ...you remember the island - the forest - France- Aunt
Mag had a hospital for them - she gave them two big wood ancient Crosses - very old we
think -**

not modern

**- they may have come from an old church or building gone -pulled down - suffered in
some way -**

`A well defined character turned up -

we were told on the telephone

- Asian speaking French as a

the forests were to be felled
- JIM he was taking the 2 Crosses into custody -
to a Museum -
to safety -
the
hospital
was to be closed -
it was badly managed he told them
*(this is a familiar cry over the decades-so the criminally insane take lands or property
because `Oh badly run`...their usual LIES)*
Jim went on that ` it could be developed as a more important spot...

the workers in the forest & the hospital staff...Oh they would have all they needed when t
he new management came in -`

(He called himself the Hon. Major Carew representative for the new Queen & The Crown
of Gross Britain ...) “ Your father alerted everyone - we could see the pattern - pick off
isolated places - we did not know yet JIM Mr Pong was cunningly waving bits of
document - `British Crown lands` (*in France*) ...a small line
inserted...it will later
disappear when logging finished -

At the Hospital a man who was considered TAME made a complaint to our Solicitors in
PARIS - We got to them, the Foresters - We gave them the Woodlands & re-instated the
Hospital...funded it from GROTE Brokers New York ”

We put the workers as the management team - & alerted the French Police on our way
back at every stop - they were amazed at how this could be done -
We explained who he was & that he took up

big debts**
