1938 Mai 15<sup>th</sup> AYRSHIRE - Greta`s great-great-Aunt... MARGARETHE girl of the  
SNOWS...she had to now rise from her bed...when I just woken from a drugged sleep  
was pushed into her room by MR PONG...She rose from her bed like a dancer...  
PUTTING ON A HOUSECOAT of heavy cotton OF SUN YELLOW from the USA she told  
me (... & when ROSY fingered DAWN had changed to her robe  
of SAFFRON GOLD...Homer- ancient Greece...)

**`...Blinking her eyes...looking carefully at me with her blue grey eyes ... she soon began telling me Greta about the BOOKS OF ANDRE MALRAUX that she had already read...as they were published...& THE NEW ONE which had just come from so-&-so...& that she preferred reading this young writer in FRENCH...so she had waited...`**

**`... SHE SAID she had not heard from ANDRE MALRAUX yet...she had written to him again & all the Documents had been sent to him... she had talked with Mary Gordon who had sent on his letter to her & to her Solicitors accepting The Guardianship...She had heard he had been in AMERICA...so perhaps he had called on Tiggy`s father`s firm ... GROTE BROKERS ...`**

**I felt some amazement...as I handed her the robe of GOLD... Yes... `she is A GODDESS of the SNOWS...WEARING GREAT LEARNING ...` Mr Pong Mr JIM had now entered & been prowling about the room near the windows...it is a large downstairs bedroom... He now left having been shown the dolls in the cupboard under the window ...  
*He knew they were valued...perhaps he intended giving them to his evil women...***

**Mr PONG JIM gone from us...Margarethe looked at me alarmed... she said *to me Greetha* ... " I AM TO**

**She said she would get bathed & dress...her leg injury was pronounced healed...she took walks with the young O`Neill boy daily...we would take one this morning... A woman came up from the village to help her with her long hair & her make-up...she would telephone her... Perhaps I would like to go with young O`Neill**

*( I cannot recall his name, he is 7/8 years old- he will be persecuted from 18 years of age because she has left him a sum of money for his career...I fear when he goes to Australia from Southend we call him MARTYR...)*

...& he would show me his little piglets...he wanted to be a Pig Farmer when he grew up...he adored the tiny pigs...

We did this, he chatting away a kind face with hair gold-reddish waves...

1938 15 Mai - I G.R. was still unsteady & worried that I did not know how I got there...I did not believe Mr PONG`s tale about how I got here in AYRSHIRE... that I had whined to give her " your Aunt..." he kept hissing...a birthday present ! *I do not call her Aunt...she is `Margrethe...that girl of the snows...` & I speak about `our dear Thomas` ... LEN speaks in his boys way about Aunt Mag & TIG...*

1938 - Research that SUMMER proved that ANGELA HAD GIVEN HER AUTHORITY...to trace the phone calls...& the address of Mrs Grote...whom she called OLD ESKIMO & that ALL the Estate in savage lands had been given to HER...AS A DOWRY... !

but I seemed to have slept all this journey from Clacton to Ayrshire !

Teresa

*SHEshe*

appeared when we left by car to go to a restaurant...Margarethe & I thought this anyway...but Mr PONG directed the car to a Public Bar ... Teresa hissed at me

YOU DO NOT KNOW ME...I am simply a woman engaged to look after you ! DO AS I SAY YOU APE ...`

She Teresa looked so ugly & sour & had no make-up on...her clothes looked as if from a poor person & rather worn...she was Vampire like...

In the Pub Bar Mr Pong began being rude to Margarethe by bringing her a foaming tankard full...he was winking at the working men in the bar...joking about his AUNTIE the old girl.... He was surly to me when I looked at some framed prints on the walls & said something ... Margarethe said she felt ill ... she asked to go back to the farm...she had put on a big picture hat & a brown coat...very fashionable... SHE, Margarethe SPOKE TO ME Greetha AS AN INTELLIGENT BEING & very kindly... we were for those last minutes of her life OF THE FAMILY RANSOM ...

I think that Mr PONG put something in this beer... as she sipped it commenting on beer about the globe & how we made a light beer on Jacopsholmen Greenland when it was our HOME ... But I fear he Mr PONG JIM got at her tea earlier on when it was brought into her...HE MAY HAVE INSISTED ON BRINGING IN THE TRAY...He is a killer & POISONER- ALL OF THEM ARE IN NOBLE BRITAIN IN THIS NOBLE Class- they have no DOUGH !

IT IS THESE WORKING MEN in the INN the Public Bar ... WHO WILL GIVE A COMPLETE DISCRPTION TO MY GRANDFATHE RANSOM, Margarethe`s nephew the son of her brother JOHN RANSOM & Millie Frobisher... In 3 days time FCR got to AYRSHIRE & to them in this Pub... after the murder of Margarethe ... They were not so low & stupid...they had not been taken in by the little bit of VERMIN...they said he hit the child when he thought nobody was looking... & the child seemed frightened ...the child was talking to her Aunt very pleasantly & she to the child but they sensed anxiety...  
*The woman with them had a sour face & had hunched shoulders...they felt she was a servant to the family*

...

Then they heard Mrs Grote say she would return to the Farm & they all rose to leave...They thought she would be driven back by the driver... BUT IT WAS HE the little bit of VERMIN called JIM who leapt in & INSISTED ON DRIVING Mrs Grote back to the Farm...THE O`NEILLS HAD GONE OUT FOR THE AFTERNOON...nobody knew this yet... There was NO ANTAGONISM between the Aunt Mrs Grote & the child... ! Records/Scots workers/FCR/LIR/ FJR/GR Mr & Mrs O`Neill & son age 7/8 years

I hoped the men would help...then Margarethe said she wanted to return...would we get her to the...she was looking very pale...I see her getting in...bending without any help...her big brown picture hat has a curled father...her brown coat...she told me where she had bought it & its connexions to FAMILY EVENTS...she liked to keep many clothes about the globe...& they brought pleasant memories to her...to others...” ...
