

1947 July - THE GRIP of British Intelligence employee Doctor *Mengele* HARRINGTON was now felt on the PARIS household -
& dope galore rolled in with him & he FIXED medicines too
- He forbade the boys could go to Ampleforth...& JIM Jong gave Orders too...This is their usual pattern of destruction of education for children in families they rob & destroy...
Mengele
bragged from Summer 1947 he was in charge for MALRAUX FAMILY &

ANDRE MALRAUX was “ A Case for TREATMENT...” Clara approved this statement...I GR recall her November 1957/records/& she was SPACED OUT WITH EVIL/SHOT ABOUT ... /with EVIL intentions .../ *GR*
heard of Clara Summer 1937...she is waving a GUN in PARIS searching for Andre & Josette...

The other `Aunt` was staying in an expensive Mayfair hotel with her boyfriend ... & a mixture of foreign Secret Service were in a room next door...MALRAUX is known to all as “ a nice Guy ...” ...they did not approve of the two women they referred to by code name as ` Andre`s Aunts`...& thought Andre was in danger...

... Doc Harrington-*Mengele* spoke of himself as IN CHARGE OF MALRAUX even after Andre Malraux Minister of FRANCE walked out of the Jan Steen Tavern FRANCE...
Andre went to live in a house in the grounds of Versailles on his own after the deaths of his two sons May 1961/ they buried with their mother Josette d 1944 ... Until ANDRE MALRAUX's death November 1976
Mengele
Harrington
&
Noble Britain & Scandinavia persecuted him -

1957 November- He MALRAUX returned from ROME & looked at Greetha a long time & was wordless...then looked pleased & said

` I am puzzled...it has never been cancelled...he (Pacelli) was a bit impatient with me...& sent me to see the Cardinals...yes we can take up the marriage again...live here quietly...have a Service of re-vowing...
I have to get permission from GAUL...

Georges-Andre Malraux fixed the service be at the ancient Roman Crypt Saint Ethelreada in the City of London ...saying `I thought this would be nice for you & it would please Mr Poulter...we only have to have 4 banns this time not 6 & they suggest the end of the Christmas because there is a day they have no ceremonies...7

th

January...`

I had my tiny Lempriere Classical Dictionary in my bucket bag & we found it was even better...7

th

January is Feast of Saint Cede Bishop of Londinium & also he is Bishop of OTHONA GREAT FORT OF ROME...of the Saxon Shores...

Later that evening Andre-Georges said it was also the Feast of a French Saint *not so interesting...*

but he liked the Widow, he felt...We might go & see where she was...KENTIGURNA of Northumberland ...

He meets Aunt Bessie at teas at the Oblate Saint Charles for Retired Priests & Bishops round the corner from 50 Lancaster Gate Square... He no doubt asked them about the saints of tht day... THEY HAD TO AGREE OUR re-VOWING... with Aunt Bessie as the

elder of the Catholic families...

1957 early November- I was ushered into the meeting in the Housekeeper`s apartment one morning...there to my astonishment was great-Aunt Bessie in her best brown hat...& an old Bishop sitting in a black German big chair...& other people... I HAD BEEN GIVEN A NASTY SPIKED CUP OF COFFEE earlier to make a fool of me !

I did not fall over or stutter...but felt dizzy & sick...EMPTY HEAD...OPEN SPACES IN MY BRAIN...

I seem to have passed...ANDRE & I got their Agreement to the re-vowing & their good wishes...Bessie of course was at the Wedding of GRACE April 1947 which

MENGELE

intends DRIVE OUT OF MY MEMORY ~

!

1957- October evening - I accompanied the great person of GAUL...ANDRE MALRAUX of whom I am in some awe ...

MALRAUX whom I am at ease with when named Georges as his mother called him - had insisted I wear the pink net floor length gown he had bought me Xmas 1953...

(photos) & I believe again he arranged my hair

as he watched his mother Berthe & her sister Marie when he was a small boy

... A band as in Pompeii frescoes... then the hair tucked up...with a hundred hairpins & more as my hair is so long & thick ...1900s style Grecian...

(If he had said go buy a new gown I would have got fragile floating parchment or grey shades - I wanted to look like a girl of the Parthenon sculptures...a *MOURNING* appearance)

1957 October - CHURCHILL talked with ANDRE MALRAUX - I saw him briefly eating his dinner at Claridges & was drawn towards him by ANDRE holding my hand & he told me to smile, say my name

nothing more -

He

did look like Father Christmas

... CHURCHILL beamed at me at us...

as if he too were emerging from far away in the century illustrations of the past ?

He said something about ... `a meeting in winter & he a worried man with a newspaper - a small girl telling him something about overseas`

“

Well small girls grew up & her father had been in the Army & SWUM in JAPAN...»

He`d see Andre later if they both had time...` The result of this brief evening greeting was A Notification of a tucked away “ ...

Grace & Favour 4 bedroom home ... available for Andre

MAN OF WARS & PEACE...old lady moving out ... ”

to view 1957 -

ANDRE did not understand Churchill other than Captain Fred Ransom had been in the Army...they, he & Churchill would MEET LATER ...if they both had time...

This all dovetails into an old lady with old slightly worn Shanghai pearls Andre bought - stolen from me swiftly... by November 1957 in 50 Lancaster Gate Square/ In 1965 I know it was Brown/He said it was to STOP THE TWO MALRAUX WOMEN TAKING THIS NECKLACE...he would give it as a wedding present to Doctor Wilson`s grand-daughter...he would say...`... a gift from From WELL WISHERS` *I thought him cagey but then I am a pauper...who could not make a life with the EMPEROR OF GAUL* ...I am grateful for he able to hold in check the TEMPER the violence of Teresa Gordon R whom he addresses as “...dear lady...”

1957 November...Brown & others at JIM`s WHITES CLUB...they knew that MALRAUX`s women...(Clara & Messalina)...with that DOC & Mrs *Mengele*

Harrington removed some very inexpensive trinkets ANDRE had given Greta from her room.

...

It gave me great unhappiness to have this done...one was a PIN from the opening of the Eifel Tower bought by ANDRE`s mother/

probably on sale for half a Franc/ ...

3 pieces had come from his mother...of no expense as he said... He found them "junked`...in a tangle with rubbish in the Jan Steen Tavern..."

...But ANDRE was sentimental about them & told of when she his mother wore them...painted memory pictures of the household with the little shop...& he as a child...GOING OUT WITH HER...holidays at Brittany...the many cousins ... " ... not rich not poor...like we have at the seaside Clacton-on-Sea..."

We are normal young people...aesthetes perhaps...but NORMAL ! These doped up creatures that the 20 century has fashioned ARE NOT AT ALL NORMAL ! They all have THE EVIL STARE....

th

1968 January - Walnut Tree Cottage, Townsend HARWELL...The Whitehead twins mother said... " Mr MALRRRRRAUX ...ANDRE...THEY HEZ BIN GITTIN HIZ ANCESTRY OUT LIKE DURTI WASHIN Deearh...he com tell meeh tha utha morning...we hed 2 hours at it...Poor crittah...he ain`t Arthur Millah... but he sure hez bin through tha MILL with them ova there...THEY WUD`NT LET HIM PUT HIZ BOOTZ UNDA THEIR TABLE deearh..."

1957 November - Mad MOTHER KALI, got hold of a small brooch he Georges-ANDRE

gave me...a month after the first robbery...

She

kept fingering this small brooch with a pale pink tiny carnelian centre...oozing

“

I HAVE NEVER HAD ANYTHING IN ALL MY LIFE...you get everything...you spiteful bitch you..”

(

We never got it back...I told Andre she had taken it she said...`to show Aunt Win`...)

THIS IS THEIR NOBLE CULT TALK from the Roaring 20s...with it they do the FACES from the Silent Movies... BE CAREFUL OF THE EVIL STARE ! They can produce a weapon & lash out....

1957 October - I Greta Ransom, who pay for this top room 20 pounds a month...came back early at 5 o`clock late afternoon & found ALL the above HIGH dope-soaks rooting through my possessions...especially the drawers in a little oval mirror on a stand that the Housekeeper had got specially for me when Andre asked her to get me a dressing table...this could be stood on the table.

A litle later some of the furniture in the room disappeared.

There was a table with a drawer...I was down to a tiny bedside table...the electric fire had one bar broken by

Mr Mengele

who specialises in **FIXING** electrics...breaking them deliberately !

Also the electric light bulbs began to disappear !

1957 late November ...**MALRAUX HIT THE ROOF ! He BANNED Clara & Messalina from the building...threw Teresa Old Mother Ransom OUT ...packed her case himself !**

He BANNED

Mengele

& his wife from entering too !

They could telephone him ... but not keep walking into the building !

HE REALLY FELT THIS WOULD HAVE US NOW WITH PEACE !

It never happened !

Mrs

Mengele

& Mrs dirty CUR JIM WHITES vice Club,

her friend...for several years had been used to using the house 50 Lancaster Gate Square as their Town House at weekends...having their friends & fiends in

!

1957 October - I went on the train to see Mr POULTER Colchester Museums - I told him things were odd.... but did not have the words for the SINISTER

MADNESS about us

...I doubt I would have worried him

with it had I the vocabulary

...I

am a young person a pauper...HWP

had said

“...you can borrow some of the Hollytrees trinkets Child...as the other young women of the Quaker families do... I have not booked them in yet - they are the property of my mother & her QUAKER friends...”

So Mr Poulter & I, we went round the Cases in Hollytrees Mansion Museum & chose me some things...I could keep them until after Christmas he said...then bring them back have some more...Anything except the ROMAN gold jewellery...that was Museum property...

` I ... Greetha Ransom 1951/1956 Colchester Museums only wanted the MOURNING JEWELLERY -

of those old Quaker families *of Colchester & round about*...it suited ANDRE & ME !

I felt strength gather within me & the spirit of Georges-Andre as I stepped out into
coming wintertime wearing jewellery of the Quaker DEAD ... taking them all out into
Londinium...& returning with them stepping into lavender grey & violet dusks above &
about the leafless branches across the Parks from ALBERT *man of Letters &*
Intelligence to Reggie
Monument 1920s entrance to Lancaster Gate Square...
& so thus we entered upon iced winter days these Spirits with Quaker names... I wearing
their (DNA)
hair in the Memorial Trinkets on my wrists my neck
& as a romantic girl felt
they came with me supporting
ANDRE-Georges MALRAUX of GAUL
& I...A battle of we HUMANISTS against THE ORCS ...

MALRAUX of GAUL ... he knew that proudly I wore these Quaker Mourning Reliquaries &
my young very tall strong body now well from attempts to kill me the previous summer
(Teresa & Mengele & JIM with dopes in all beverages & foods)

Of course, ANDRE MALRAUX knew the descendants of these 18th century Citizens of
Colchester & Essex... we were
YOUNG
PEOPLE SEARCHING FOR HOPE
...my attitude helped him mend the damage to his health that Mengele had begun...

*.Merci...Old Quakers...you gave a state of common sense to the dawns & dusks of those
winters 1957/1958... to fight back against the DECAYED IMPERIAL
MIND SET about us...*

I showed the jewellery to the Housekeeper & said it was ON LOAN FROM COLCHESTER MUSEUMS...& IF ANY WAS STOLEN like the other things from my room I WOULD CALL IN THE POLICE...She must have warned the Robber Gang ...

1957 to near CHRISTMAS - I went about wearing this sombre black onyx dull silver with dead Quakers hair set in pendant necklaces & lozenges on bracelets - I attended the Shakespeare Anthony Cleopatra/Midsummer Dream

Frankie Howard

Old Vic, the Opera Covent Garden, and explored the great Museums proudly wearing my dead QUAKER families DNA ...

& felt THIS WAS US dwelling ALWAYS IN WINTER...ANDRE AND GRETA...

WE WERE FROM THE DEAD AGES...& THEREFORE PERHAPS the MONSTERS of SCARLET TOWN would leave us along ... as WE DID NOT wish to join THEIR MINDLESS TRENDY PERVERTED DISHONEST CULTS ...

« ... where they lived dirty lives & some of their women too...»

... BUT NO PEACE CAME TO US ... about us the worst obscene sadists...the SLAYERS OF THE GROTE CHILDREN...they could be found out... THEIR INCOME DEPENDED UPON ANDRE MALRAUX & GRETA RANSOM BEING ALIVE... but mocked & trashed ...& KEPT APART

SCIENCE MUSEUM : ... I, G.R. COULD NOT RECALL THAT PAST before the War ... if I did recover my memory then these evil would become the `big game` -

A certain doorway in The SCIENCE Museum had me drift up to it whenever I was in the galleries.

Only years on will I know it's the door my Grandpa Ransom & I went through 1937/1939

to see the JACOPSHOLMEN plans-blueprints of our ISLAND IN THE SNOW... WEST GREENLAND...Island of HUMANISM & HOPE ...

SCIENCE MUSEUM - RANSOM HISTORY *et al*

Records of RANSOM INVENTIONS like the joke of the 2 Ransom brothers who invented a collapsible mast to tease the Council of the Hanseatic League over their law about the height of masts going under the bridges... JIM & Lindsay 14 tormented my Grandfather Ransom summer 1939 before poisons caused his murder in Suffolk October where they had taken him brutally doped saying he was `a pauper`
(records/3 medical witnesses who knew about brutal creatures paid ...browsing amongst Crowns & ignorance & GREED with criminally insane temptations ...)

The records Jacopsholmen were found to be MISSING 1967 by MORRISON SCOTT- now Director of the Natural

History Museum-British Museum Natural History- BMNH-

1957/1959 - Records of that queer autumn-winter with its massive cruelty to Amx & GR & many others... several deaths... MARTYRS ...

1950s - JOSETTE IS ALWAYS PRESENT FOR ANDRE MALRAUX-

1957/1959 - He has their two sons in PARIS ... Pierre b 1940 5th November/Vincent 10 March 1944 & he reminds me of the
SUMMER 1937

... " W

e came from Spain

- we had a summer holiday- we became
the Star Watchers -

sometimes we wore ourselves out because there was so much to do - We were coming the next year - 1938..."

Within hours of Georges-Andre speaking to me

(*he whom I feel DEEP HAPPINESS WITH*)

I have no memory...an hour or two ...or minutes if I am given something in a cup from the housekeeper's quarters below...

1957 October/November ... Others have better accounts : LIR has come in calling himself (with permission)

by the name of his foster brother (gone on holiday)

who works down THE WHITEHALL - LIR knew I did not recognise him/Malone has arrived as our Detective for house & me...& PHILIP SILVERLEE Insurance Broker

International/MAN OF LETTERS/musician etc/ has introduced himself to ANDRE...as a friend of the Gordon Ransom families pre-war.

I do recall

George-Andre

arranging my long hair as his mother Bertha & Aunt Marie did their hair-rolled on a headband- it required 4 packets of hairpins !

I kept a memory for sometime because of this hairstyle the hairpins getting all over the floor of my room & even along the passages - The housekeeper saying THE NEXT YEAR... she had found

anothe

r in her

hoover !

I could recall that session

one late afternoon a rehearsal for how he will do my hair for another important evening

- MALRAUX hair-style historian !

Because of the HAIRPINS... I could thus recall the evening ... & the dress he got made up from the film Studios-

Pinewood or Elstree ? It had a 4

foot CROSS of LORRAINE - I am very tall - the cross went from bosom to below the knee - the material was dull silver-gold lame

` & the big Cross green & orange beginning on the right side, I think .

Of course it is the Anniversary of Saint Joan d` Arc -

Andre came back with frock draped over his arm like a piece of sculpture...

Mr Mengele went insane with hate of us...he was spouting to JIM WHITES that he would insist the Empress Messalina wear it in France...IT WAS AN INSULT TO HER THAT the APE should wear it - The material is owned by the Film Studio & it must be returned...they can re-use this expensive stuff. I remember the frock is ONLY ON LOAN !

Mengele

saw to it that this original or a replica was worn in Paris & a photograph taken of a woman at a fashionable trendy KNEES UP

!

PARIS ...

The Joan of Arc ancient column of a gown lost its dignity with modern hairstyling & manners...it required suffering perhaps...as caused to ANDRE & GRETA...

It also required a tall figure like a CARYATID from the Acropolis/ME/...Greetha Frobisher Weddell RANSOM X ...

IT IS THINGS LIKE THIS happening...that had ANDRE MALRAUX lose his COOL...& throw them all out of 50 Lancaster Gate Square...autumn/into winter 1957...

1957 - IT IS THE ANNIVERSARY OF SAINT JOAN - Jeanne d` Arc ...Celebrations went on, Westminster Cathedral/ I saw 5 performances films- theatre- choral of the JOAN d` Arc Tragedy in 2-3 months that autumn all on my own !

1957 October - ANDRE WAS PROUD of me in the dress ... just a sheath of silver-gilt that *com`th with he... the COLOSSUS OF GAUL... BEARING ACROSS HIS ARM... & he will adorn me... I am regarded as a bit of sculpture by him ! He sometimes stops & laughs at me with his head on one side... “*

I DID NOT KNOW YOU WOULD GROW SO BIG

...your grandmother Mary Gordon was petite & my Aunts Annie & Bessie Martha are

so..."

... He directed the making of this garment...it is without shoulder straps a swathe of ancient silver gilt shade, quite soft material that he has persuaded a girl or two to run up at Pinewood Studios...it has to go back

...but they can use it for other things...

I felt like a Greek column of the Parthenon by moonlight ...

& things like that passing in faint pencil sketches upon the air of winter ...

The hairstyle he did is very Greek but used in 1900s ... He & I we are given to looking at statues...drawings...but I like architecture first of all...I like to sit on top the buses to see the buildings better...he has come with me sometimes when he needs a break from MONSTERS of Whitehall ...

LATER WHEN I WAS ASKED TO RECALL THIS BY ANDRE MALRAUX - I told him briefly 1960 , that THIS TIME the last years ... it was as a dream but knew it was not...He said he could find it for me & make it live again...not just be JOURNIES in dark landscapes... that MONSTERS OF THE DEEP

forced to be our lives... MALRAUX kept his tiny notebooks...always hidden...sometimes filling one every 2 weeks...I HAD BEGUN MY `STARK LINES`...memories that are beyond the written words on the page...a form of symbolism...the only safe way to record...FOR I AM SEARCHED...

“ MENGELE ...like a shark in that house all the time...moving amongst us...A FIN...you would see a FIN
...or sense it...around us...”

1957 October/December - MALRAUX did not know *the Mengele* pair were removing my memory...& that *SHEshe*
Mad mother Kali did this too-from my early years...

that it was AN OLD TRICK of the ROARING 20S...

Whenever Malraux had been in Saint Edmund's HOUSE- when we had been together to some

event/

even a lunch-time meeting in the Museums...

Mengele

seemed to know !

Andre Malraux would leave a postcard for me with a Museum attendant if he had a rushed day.

MENGELE came in at night after MIDNIGHT getting the override KEY from the Housekeeper's apartment/perhaps he had one of his own/ ...He was crazy in his searching for these postcards- THEY HAD TO B E GIVEN TO MESSALINA, or CLARA...he insisted anything signed by MALRAUX was their property...

He would with astonishing AUTHORITY in his voice utter in threat

“ MALRAUX IS MY PATIENT...”

...

He leafed through all the books I had from the libraries.../

There are Records of Life at 50 L.G. Square 1957/1959...

1957 November - *Mengele* Harrington unable to get me out of the building now began to search my room - He even rushed in twice when I returned at 6.30pm & angrily searched my handbag ...HE ACCUSED ME OF USING HEROIN - HE WOULD CALL THE POLICE ! I told him to do so !

I said that GIRLS MY SIZE did not use DRUGS because we were STRONG...not little midgets

...& WE DID NOT HAVE TO PUT LIFTS IN OUR SHOES...

I knew Mengele wore LIFTS but had no IDEA he wore now 6 inch boots... hand made BOOTS from BOND STREET...so that he was the same height as MALRAUX !

... He & dirty JIM of WHITES are criminally insane...& years later I hear they use the pretty pellets of

Divinorum salvia

Scotland

thrust up

their snouts when they want to kill...

.

1960s/or 1970s ? The Prime Minister is to say ... “ YES -

I know ALL OF THEM ARE ON booze & the other stuff ... bar one...Yes documents are missing
at Somerset House -
everyone is telling me
- find a Magistrate - swear who you are - get another certificate -
whatever it is you need
...tell them to ring me...anything...I have a strike...the country to see to...`
?

1957 - from November ...age 24 years I GR was nervous the dirty brutes might plant dope on me.
But fairly sure that the Paddington police would never believe THEM !
ANDRE had already got help from the Paddington Police over the monsters sent in & they have helped him with Teresa Gordon records...
VERY SYMPATHETIC THEY ARE the Police...they could not have been more helpful & kindly ...

WOE ! two matters are so horrific - a big black man in purple *Kaftan* clearly on dope excess- & an ancient monster known as `hunchback of Notre Dame from Italy` working in cellars on dope & booze ...

THIS IS SUPPOSED TO BE ... ANDRE MALRAUX`S holy house... (*Does this happen at General de Gaulle`s house- while Mrs de Gaulle is knitting ...?*)

1957 October - A police Detective called & listened to Andre...

he returned & had telephoned to Deptford Police...said to Andre Malraux to go & find my father & Ivy Ransom. Deptford told him «... a well known respectable family - old man was in Sailing ships & Battle of Jutland..Imperial Museum stuff...`

Picardy`

too...Engineers Bolt Hole...miracle they got out alive...two of them...»

ANDRE goes a first meeting/copies from FJR Diaries/a second meeting had terrible violence at my father swiftly a dark night -

IVY was ANGRY did not tell Malraux/she is angry with him the chosen Guardian for not contacting anyone pre-war /
