1957 - The year of JENNY BRETT's employment by ANDRE MALRAUX got her drawn into Grote Ransom Estate via her now deceased great-uncle Sir Rowland E. Whitehead KC ex-MP... & spied upon from December 1967 to her death

...

Her cousin Peter Whitehead & his twin she knew as a child.

He

was in Kenya part of that year 1957 her employment by MALRAUX...

but 1957/1958 came on a `Sabbatical` Scotland Glasgow Department of Professor XZ Young ichthyology...

PJPW with first wife Monica

FitzGerald O`Dwyer

outside Sir JOE BANKS house 130 Soho Square when she is saying a few words with HEYWARD of Oceanography & the BOUNTY...

his great- great-uncle was on Captain Bligh`s ship

...

He mentioned a Peter Whitehead & much older wife were coming to see the old house ...

« & Lo !

here they came walking across the square... & young Heyward invited GR to come on a

tour of the old house that the young professionals in natural history called Sir JOE`s
PLACE

...(*A nervous person,*

*I GR said must away to look at ceramics in V & A for Mr Poulter as I was a year late about
this !)*

The young man Whitehead was keen to see the 200 Anniversary of the JAMES COOK RN
VOYAGES gave an opportunity to get at the science of the Voyages...as everybody
knew, Banks had not bothered with the STUFF brought back

from the first Voyage...

he BANKS had turned to

horticulture.

SHIPS THAT PASS IN THE NIGHT...

I GR refused the tour...

I was on my way to the BM & going to UR of the Chaldees gallery with a book...

but suddenly recalled Mr POULTER ...the matter for which I had been paid last year 20 pounds
to take the young Emperor ANDRE & go & look at prints of ships, ports, on ceramics...

as Poulter was trying spend all spare time on QUAKERS...

This ceramics project & Quakers of course was linked...

1957/1958 ... I am merely a girl in a duffle coat in love with Georges A. Malraux...a tall

Clytemnestra R. !

ANDRE MALRAUX will get an appointment in FRENCH Politics ...**in a land I do not wish to live in unless deep in the countryside !**

I prefer ROME or GREECE or CHINA ! I read about them ! I feel vaguely that going into POLITICS FOR MEN is shabby ...
Old men over 60 full of wisdom, learning, might be better.

1953/54 ... Deputy Curator COLCHESTER ESSEX MUSEUMS ,

Harold Walter POULTER has said “ **MEN SHOULD DO MANLY THINGS, Child...A to Z...leave politics to women...its about fixing the price of butter & cheese... A few old Lords & heroes can come in & help them...old men with experience... We decided this we young men of the 1890s ... *used to visit the Café Royal when back from the EAST ...but experience taught you ...* men in Politics get into smart suits get a big motorcar & take the first whisky at 9 in the morning,**

Child... NOW THE MUSEUM WORLD...we the civilized... wish the YOUNG EMPEROR ANDRE would NOT go into POLITICS...but come back to us... this is where his talents are best suited...”

I could follow that this was my feeling too...` **MEN SHOULD DO the MANLY THINGS...science...inventions...A to Z as Poulter said...`**

MALRAUX did know something of my feelings...so when his JOB became Cultural Minister I could hold my head up a bit...

... I knew a file was always in the Old Doctor`s Library HOLLYTREES Mansion MUSEUM, Colchester, for ANDRE MALRAUX when he dropped by...ideas, reminders...of what needed to be done by Politicians about what mattered in our world of ancient matters...

1957 November 1st/2nd week ... Jenny in tears one early evening tried tell *Greetah* Ransom of what was going on in Saint Edmund`s House ...

“ & that it was odd & ANDRE MALRAUX COULD NOT UNDERSTAND...& you must know that Doctor

Mengele

is a paedophile...”

She had written a 2-page letter to Scotland Yard & another letter somewhere I do not know .

She did give her first draft to read to one or two of the young men on the Catholic staff (NB:

The building is listened in to by the G.B. RN ` Navy Lark...`)

1957 November 5th/Guy Fawkes evening/ The death of the 12 years Catholic boy of good reputation at the Kent Hotel

from the scarlet lollypop that Doctor

Mengele

Harrington prepared with others for MALRAUX`s young STAFF 5th

November 1957 ...

has yet to RISE IN ALL ITS CLEAR MEANING...to anyone ...

1957 5th November GUY FAWKES NIGHT - I saw Jenny receive a lollypop from the bag of different colours that Doctor **Mengele** Harrington insisted they have from him. He was naming the colours for each young person...about 8 or so...Jenny got either yellow or green. He had just swept up in his blue car as she & others were going to the finish of a bonfire then to a Pub... *they were all a bit ill & odd the next day they reported* ...

The scarlet lollypop was handed by me GR to the Catholic errand boy who organised the playtime of the other children in the Square after school...I WAS NOT GOING TO ACCEPT `Doctor`s ORDERS from *Mengele a nasty spiteful creep* ... ANDRE left as *Mengele* rned up... *he Andre more or less ignored him I felt* ...

He Andre was taking his sons to a bonfire down the Thames - Pierre & Vincent, Andre & Josette`s two sons were over for 5 days ... **I was to have an early night...I had been very ill again... !** Andre kisses the top of my head & tells me to go in to my room have an early night ... not get cold.

8.30 pm - It was as Doc *Mengele* swept up in his BLUE DONALD DUCK of the cartoons

CAR... & began handing out `DOCTOR`s
ORDERS lollypops... carefully
saying which colour was for each young staff member`

... I was still standing on the doorstep but just watching Andre leave swiftly with the boys...running across the Square with them to the Bayswater Road...

Mengele

now angrily turned to me saying

`...& SCARLET FOR YOU...`

he avoided eye contact.

He now got in his car & left...fast ! I supposed he was going to follow Andre & the boys ! **They all three had seemed to IGNORE HIM !**

MENGELE ... IS APPOINTED by British Government & Crown the SPY on MALRAUX...**I went to my room at the top of the building.**

Andre had said he would be back about 11.30pm & come to see if I was sleeping.

Everything & everybody had appeared normal ...

except

MENGELE

DOC HARRINGTON !

He a shark circling, a FIN always about our knees...sometimes you just felt it ...

(description of

Mengele

Doc Harrington SHARK later from somebody with us...)

I GR gave the scarlet lollypop to the errand boy...but it may have been next day... ?
Certainly the boy nearly 12 years came by at 8.pm as we all stood in front of 50 Lancaster Gate Square...he was smiling up at us all...he was going home to the Kent Hotel to his Catholic family at the end of the terrace.

1957 6th November - **DEATH OF A 12 YEARS OLD BOY** of good reputation a pupil at Saint Matthews Catholic School round the corner... A week later it was Brown RNVR who said ` Doc *Mengele* has been trying to blame YOU for the boy`s death...& JIM is in on this...` Then we hear that JIM had to go down to the Magistrates Court & Police & change some statement he & *Mengele* had made... It was to become one of the horrible things happening week after week ... because these PSYCHOPATHS are let loose...claiming KUDOS because of whom they know & where they DRINK - since the 1920s !!

1957 autumn - **A Magistrates Court ... the Case is reported in newspapers ... KUDOS had got** *Mengele* Harrington off charges of molesting children winter nights as they came from schools outer London. He was said by Authorities & House of Lords persons to be " a Doctor investigating this matter in schools after dark " .

Royal Navy/& ` Navy Lark ` let out the full history of *Mengele* Harrington from time to time ... *perhaps some got*
thrown overboard ...

Jenny's great-grandfather.

I had no memory of her other than I had seen her before ... *but she*

*was so very calm perhaps unnaturally calm ... & kindly & we spoke of the
Whitehead-Rathbone genealogy & philanthropy they all did.*

She writes me a kindly letter later

sends the newspaper Obituary of JAMES 1888 which I had not seen...

coming & about him as the Chinese Legation said nervously & bravely !

She broke down in tears & gave Andre Notice ... She who had not long just come as assistant to ANDRE MALRAUX -

JENNY took away with her a receipt for the RENTS that Greta Ransom had paid ... whom she knew had a Roman Catholic marriage from Pope PIUS 12 to Andre Malraux ...she fetched another receipt from the Housekeeper learning I GR had not got another receipt !

She kept them safely for she knew by then
