1954/1959 - **Doc Mengele Harrington ...he knew ANDRE & Greta did not know at all now of GROTE RANSOM WEDDELL Estate...**

Ah - after the Passports had been withdrawn to stop them getting away from Earl Lindsay.

“ Not unusual for penniless British aristocrats to behave so...They had taken all her Frobisher moneys then ! ”

1960 January AM - Churchill says to Philip Silverlee :

“ LINDSAY - A BLOODY NUISANCE SINCE THE PLANET BEGAN ”

He, Churchill, had thrown them out of England early 1920s after deaths & robberies in Scotland ! They'd got back in...he also learned at this time that they had been trying to LOCK UP IN AN ASYLUM Margarethe Ransom Grote

He had known Mrs Grote, she was fluent in a dozen languages...

Summer 1937...

1957 November - **A mid-afternoon ...suddenly MALRAUX was rushed to a clinic by Mengele**
(he jabbed him with a needle of knock out stuff & was in the house & Andre did not know this !

)

We were to leave by Plane Heathrow for Philippines to meet Uncle Alfred Richard GORDON who would come from Australia & he wanted to tell us about an ORPHANAGE GROTE in Adelaide.

He & friends 1955/56 had been called to investigate after queer happenings by a nasty little fat man called

JIM

- he Alfred Richard GORDON
knew him early 1920s - a nuisance

-

to his parents & younger brother & sisters & Irish relatives .

1957 November - ` **JIM WHITES Club sent GR messages October 1957 he would arrest her at Heathrow she dared try go to New York with ANDRE ...**

I was going to go now to Singapore with Andre !

ANDRE should have done as GR suggested -

we leave some hours before

- HIDE in London/I had thought it out/

Greenwich Park/...

then quickly get to Airport with some friends to see us on the PLANE

...

ANDRE

Georges

said he felt he could do some work-it would be alright

...

he seemed to have an engagement that day

·

**He said he would go over the road & get a TAXI about 4 pm...
we would be away in seconds...`**

We did not get away !

1970 winter - I could as in a mist recall failed visit November 1957 to see poor isolated ALFRED Richard GORDON in Australia/New Zealand ... PJPW & ANDRE MALRAUX retired Minister of FRANCE spoke from his notebook entries of 1957

...

I recalled I was terrified of us being arrested & separated !

I think Mengele is near

!

1970 winter/Malraux notebooks/- 1950s - *Scarlet Town Malraux Household/workshop* was being spied upon & beverages spiked...

PJPW had given up believing I was having a BIG SPEND & living as a Noble as *Mengele* & his SCUM

had tried tell him since 1968...!

PJPW came to understand that I had to leave St Edmund's House, Lancaster Gate Square end of May 1959 because I knew I was being poisoned again , my memory so bad in the mornings & my

kinetics

in a perilous state until early afternoon

...& I had not a penny income of my own left after February

& had been robbed of tiny amounts from my purse & outdoor coat pockets after I received 10 pounds from Clacton relatives for my birthday in March...

it was impossible to take a job in the MUSEUMS London -

Mengele

& JIM & thugs would BOOT IN !

1970 - **MALRAUX** says he saw there was money left in the household Lancaster Gate Square for me to run a home for him...he was told I spent it ! **STOLEN** by Doc & Mrs Mengele Harrington/

1958/1959 winter into spring - *Mengele Harrington his Nurse dame & Mrs dirty JIM* were in charge to see **MALRAUX & RANSOM** do not have happiness...**POISONS-POWDERS ON MY PILLOW & in my BEDDING to REMOVE the MEMORY & slow the body down ...** From 1957 I had to take toothpaste & make-up out with me or they put **ACIDS** in/ & by APRIL 1959 ... I DID NOT THINK I HAD SEEN ANDRE MALRAUX SINCE JANUARY 1959 ...
We hear later they were trying kill me with poisons/

Yet **MALRAUX`s** NOTEBOOKS 1959 January-June, *which he reads 1970* tell of he **MALRAUX** Minister in **GAUL** over to **LONDON** weekly or every 10 days/ permission General *Saint Charles/*

...

By reading some entries slowly
1970
he & **PJPW** were able to **GIVE ME A MEMORY...**
yet I did not understand the **TIME SCALE...!**

It was in my mind but the **KEY** had to be put in the mental lock ! **PJPW** had a **LIST** of questions to ask...clearly this **LIST** had been **OVERSEEN** by *criminally insane* **Mengele** **Harrington...**

1959 January first week - **I did REMEMBER how I felt** very weak but had begun recovering from the POISONING done by Teresa Gordon R in 2 cakes...

That I got very much worse after being given a cup of tea & in a daze middle of the day saw

IN MY ROOM thugs from WHITES with JIM.

In the days ahead , perhaps three, I WAS TOO WEAK TO RISE & get OUT.

It was clearly in the TEA the housekeeper was bringing me ! **But at her elbow may have been**
Mengele or his EVIL

dame...BOTH OF THEM ON COCKTAILS OF DRUGS...& dirty MRS JIM too...

The Housekeeper may have been told it was a light SEDATIVE or something to heal me...?

I remember waking for a few seconds when nasty figures BOOTED IN...

JIM & others peering at me & I so ill I was unable to stand after that poisoning at first...

The attacks happened over 2/3 days when I should have been RECOVERING ... THE DOORS IN THIS CATHOLIC HOSTEL HAD NO LOCKS

...

So that *Mengele Doc Harrington or his doped up bitch of a blonde who lures rich men to him*

...could easily be jabbing me with a needle...I

would not know !

I do not believe this Catholic household originally had these hotel type doors where anyone can get a key from the housekeeper or have one...& WALK IN...IT WAS AN INSULT TO ALL THE STAFF LIVING IN ! Thus it was easy for the PIMPS paedophiles walking in when MALRAUX was not in the building !
