A NASTY trick of

ANDRE must be patient !
WAS THIS HAPPENING 1960/1961 ?

...

ANDRE MALRAUX will hear from them that Teresa Mother Ransom-Clytemnestra has the Offer open to buy the premises in 2 years...& they do not want very much money/they are retired.

They had enjoyed their young lives there when the holiday resort Jaywick Sands was small & they would now like somebody to have it who cared for summer work, long hours,

then the winters free.

ANDRE MALRAUX told them he would put some money in after two years so Teresa had something permanent to give her security as she got older... Andre said he was impressed with them.

MALRAUX IS SO KIND to Teresa Gordon R. ...

He first met her in 1924 December when she was 19 years at Deauville...

JIM Jong had robbed she & Miss Plunkett-Greene at **CALAIS** of all their moneys, return tickets, & doped them in a drink...“ having acted like a brother on the boat coming over...” says the former Miss P-G to **MALRAUX** 1960...*Report...*

1950s/1960 - ANDRE MALRAUX's detectives, colleagues, & others are alarmed at my having no memory of so many years past -

But more serious is my not recalling some hair-raising events the last 3 years 1957/1959. The two Winters at 50 Lancaster Gate Square - when Malone & Silverlee moved into the building 50 Lancaster Gate Square 2

Malone got to a chemist for advice- both I believe had 3/4 days or so in hospital.

Both men are aged late 50s/

CLEARLY THE EVIL PLOT WAS TO HAVE ME ALONE...then poison me Greta. Only strength & youth had me live they said !

1959 January 2nd probably - **I awoke at 2.30am crouched on the floor ...the crises had passed by 8 am next day.**

I DID NOT DARE TELL THE HOUSEKEEPER TO GET ME TO HOSPITAL !

I feared WHO would come in & TAKE ME AWAY ! *Mengele* Harrington spoof Doctor, able to have such
KUDOS/
KUDOS
because he is helping IMPERIAL BIG BOOTS keep the LID ON the massacre of the GROTE HOMES CHILDREN...

1970 - Malraux Retired Minister of FRANCE is reading his account of the knife attack January 1959 ... had it come
slowly back in my memory
...he taking me through the minutes & seconds, his movements that night !
It
should have never been forgotten by me !

It was so very dangerous ! ALL THESE ATTACKS ON US BOTH, or separately !

1960 - `Malone by summer 1960 was almost certain how MEMORY LOSS was being done to Greta...but did not dare speak to others...he knew worse could happen if HE SAID WHO THE MONSTERS WERE...he had to walk a tightrope...keeping us all safe...Play the honest Detective doing a good day`s work, admiring Andre, *cheerful to Doctor Mengele & his dame ... talking about things in the newspapers... asking their opinions !*

Nota bene : The Detectives/all of them/DO NOT HAVE USE OF THE COTTAGE over the tiny meadow until 3rd week of February 1960 ! Malone has a room in the MARSH END boys enclave seen in the distance !
THEY COULD NOT ALL PILE IN THERE !
WE ARE WARNED FROM LONDON TOWN that ATTACKS ARE TO BE MADE ON US ALL

THUS

CREEPING ABOUT IN THE DARK NIGHTS OF THE WORST TIME OF THE ENGLISH WINTER ...

Malraux had felt that his earlier lifestyle, Wars of Spain & HITLER, had ceased but 1959 CHRISTMAS
...AGAIN HE HAD A PRICE ON HIS HEAD !

**IT IS SO HORRIBLY TRAGIC THAT I DID NOT KNOW THE DIFFERENCE BETWEEN MALR
AUX**

**&
D**

r JOHN RAY

when they were taking NIGHT WATCH.

MALRAUX took the first two evenings then had to go & hide !

It is USA State Department Worker Dr JOHN RAY ®

who dealt with the 3 or 4 MURDERERS come by car late night January 1960

It is he shot two of them...hit one on the head with a piece of heavy metal.

IT IS HE READS ME

LETTERS FROM JEAN

with comments...softly outside the little caravan window

... I DO NOT KNOW WHO JEAN IS ANYMORE.

She was driven out of my memory by dangerous drugs-ACIDS by 1941.

Both Malraux & John Ray have the USA Mid-Atlantic English accents on some phrases...

1960 2nd JANUARY Colne Engaine - ***Doc Mengele paedophile Gollum Harrington*** was my first Visitor - 1.20 pm he opened the new Caravan door with a key !

He threatened me.

The report appears twice in this Document/records/

I felt fear & shock !

I HAD JUST BEGUN INFLUENZA

... & it took me 3 days to get over the headache fever & weakness ...

Then Malone turned up 7.30pm evening of the 6th

January I think...

Another shock

!

Doctor

Mengele

Harrington LEARNED

over XMAS 1959

that we knew about the

Estate & GUARDIANSHIP ... !

BIG MISCHIEF began again - organised by Doctor *Mengele* HARRINGTON & a Team he engaged under his Orders.

Teresa Gordon R. again attempted murder of ANDRE & GREETHA...for her Noble **VAMPIRES**

who no doubt

promised

her a million pounds

...

Those end of winter 2 months

the Detectives Colleagues of Andre Malraux they seem to have agreed

`that the more they read Greta from diaries/records/ the more she will begin to recall the past/

Thus

WHEN THEY COME OVER ON THE NIGHT WATCH - the DAWN WATCH they always read something quietly

...

They are swiftly overheard by

The

Mengele

calling in thuggery of Special Forces & `Navy Lark`

Intelligence

...

ALL on the PIN

...

1960 January 2nd at 1.20 pm - **Doctor Mengele Harrington was my first & most unwelcome visitor here while the detectives helpers were all away Xmas & RESEARCH !**
They, poor things, do not think to enquire or check the beverages, sugar, soup powders, in my tiny caravan kitchen
for memory loss powders mixed in .
They did not realise that is what Old Witch Mrs
Mengele
& her evil chum are up to
when Arthur Malone found them outside the caravan in daylight & he knew Greta had gone to Colchester -

The Detectives Colleagues of Andre MALRAUX do not seem to know this world of doping people - yet it has been about since the 1890s used by the HIGH CLASS SIN - & there are plenty of 1930s/40s films...Bogart is doped swiftly in a drink by Sydney Greenstreet...black & white film/ **The**
y did not know either of the doped candles & nightlights which can be made to look exactly like the same product from Boots Chemists/Prices candles a very respected make/or Woolworths -

DANGER - Doctor *Mengele* Harrington has a small manufacturing chemist close to London who make things for him & for those sort of Clubs...& Britain's prostitution rackets...they also have SALES to abroad.../
