1960 - JANUARY at Colne Engaine - MATTERS MOVED FAST... Arthur Malone Detective & colleagues/some his previous fellow Law students before the 2nd

World War

...had ANSWERS TO THE ODD VIOLENT TRICKS about ANDRE MALRAUX & GREETAH

at 50 Lancaster Gate Square...

& about LONDON Scarlet Town:

he had been employed by Andre since October 1957 as detective to Greta & he, the Legation annex a Catholic Charity & Malraux London home .

..But Malone knew from mid-January 1960 he had to be very cautious whom he told his suspicions to...it could cost lives of the innocent...& the chief ACTORS in this tragedy GROTE HOMES Ransom Estate in 3 parts ...

He comes to understand it is acted out upon a GLOBAL STAGE with the searchlights of the guilty ever upon performance day by day !

Covering up the slaying of the Grote Homes Children 1938-1950

had become a National Industry of Gross Britain & Scandinavia...

I Miss Greta Ransom had no immediate MEMORIES of pre-2nd World War but horrors can arise from 1943... *I have in my head sketches on the air, seas...sometimes a black landscape with fleeting moonlight . PARTS are ILL UNDERSTOOD by 1949 when I at 16-17 years have all memories rise as FEAR ...* **B**

but I can learn from the written word !

The POST is stolen...

those about me of HIGH LEARNING (*as it is said & rightly so*)

do not seem to comprehend this simple fact :-

THAT THESE DOPES USED ON CHILDREN, young people, OLD PERSONS,

anyone with moneys & properties to rob...

are used to REMOVE MEMORY hour by hour...

even seconds

...but can be overcome somehow by showing iconography...imagery...having PICTURES/PHOTOS/

on the wall where the VICTIM dwells !

The EVIL

Noble

barbaric sadists have learned all this

Great War/1

st

World WAR ...visiting shell-shock persons...invalids...old Comrades...in Psychiatric Clinics...**NUT HOUSES...hospitals... & retirement Homes of doubtful care...**

1930s-1957 - **Charles McGowan** photographer Clacton-on-Sea - The Ransom families were taken from my memory 1943 completely.

I have no constant memory of them, they are not even vague

...

1957-1959 at 50 Lancaster Gate Square attempts to put some Ransom Frobisher relatives back in my memory October 1957 by Charles Magowan leads to his death/

& there are others under threat for daring to enlighten Greetah & ANDRE that autumn 1957

.

Therefore

January 1960

talk reported to me one mid-morning by Malone of my going to see documents near Colchester that week had me puzzled.

IF THEY DO NOT ALL COME IN A DEPUTATION then I live in a landshaft/
landscape NOT

knowing where danger is - & recall violence ...

Brutal & queer violence surfaces autumn 1957 at 50 Lancaster Gate Square

& at MALRAUX & some young Catholic staff too/

hence death of Kit whose friend had an aunt who knew Margaret GROTE 1920s-1930s !!!

Reports Ghost House Team Colne Engaine 1960 Detectives Colleagues to ANDRE MALRAUX...

1960 - G.R. at 27 years in the March...often exists in a fog of drear grey-black-dismal shades
...Some MEMORIES I GR can remember are

terrifying & it is these that the Victimizers

(
that is
Doc Mengele Harrington & Vampire women/JIM & WHITES CLUB thugs/Teresa & her true-blues)

make certain horrible threats are retained by me - Blackmail & warnings come from them

...

& at 50 Lancaster Gate Square by their personal visits into my top of the building room - I GR retain knowledge mainly by symbolism & my own collection of `stark lines`

It is too dangerous for me to keep a diary- I am searched - threatened -

1972 “ November 1957 ... if you had not left spring 1958 to help your mother at Jaywick then Doc Mengele was going to cripple you, so you could not stride about Museums meeting MALRAUX in secret ... He was threatening to THROW PETROL OVER YOUR FACES ONE NIGHT when you had gone out together & escaped him...he was waiting for you both to return... Mrs Mengele said you & Andre must have both annoyed him... she had never seen him so shaking with rage ...

... We managed to get him taken off to his friend to calm him down ... NO WAY WERE HE & SHE (the

Mengele Harringtons`)

GOING TO GIVE UP HELPING THEMSELVES TO YOUR BANK ACCOUNTS ABOUT THE ESTATE...

Angela had given them permission to pay themselves this way ... she was now told ALL the old Eskimo`s Estate was given to her...NO WILL WAS NEEDED ...

We were finding that they were all gone dreadfully insane on dope ...

they should never have been allowed to cover up the slayings of the GROTE CHILDREN... ”

1949 onwards - I GR have no understanding whom I am ... only uneasiness about children

killed overseas ... *I do not cash cheques, or know that I can draw from various*
Banks...I count pennies - But Grote Ransom gigantic
JOYOUS VENTURE was not

about being rich but about a contented civilized existence for the globe

s peoples

Treasa & Mengele call me pauper often...

Mr Mengele Harrington born 1912- exterminated Feb 1992 - has persecuted countless people for years-while helping himself to endless DOUGH dripping in blood & gore from the GROTE RANSOM Estate- he is to keep

MALRAUX

with nerves & see he does not learn of his GUARDIANSHIP -

October-November 1957

Doc

Mengele in Scarlet Town (some names/occupations of nervous observers can be supplied) ...

is reported as seen with sneers & twitching on his sour mug, his dead fish eyes roaming about a room full of listeners...

Are they taken in by this British-Scandinavian Royal Satrap

paedophile who goes about with Phil the Greek on PRIVATE VISITS to tropical places
???

where they CASH CHEQUES on the great Estate PHILANTHOPY Ransom Grote Homes
children all slain by their CULT 1950s

: ...

& wondering if they too will be highly paid from the blood & gore moneys they have created available from ` Estate RANSOM GROTE overseas

?

...

1960/61 ... Reports Dr John Ray R.,/LIR/FJR...Detectives Colleagues Andre Malraux...

MARTYR...A Swedish Industrialist *semi-retired* has gone missing- he had looked at a seashore hamlet & felt he would like to gentrify it for his retirement but keep the small canning factory the fishing going on

he would put in A GOOD SCHOOL

**he would have humanism
& progress in a civilized manner**

His documents of his EXISTENCE were found to be missing

as if he had never existed

He had investments abroad & moneys in foreign Banks and some properties

He is, sadly, another victim of the Gross Britain/Scandinavian Nobles of 19th
