1936 - DIARY Len Imm. RANSOM - PARAGUAY/**ARGENTINE ?**

" **…**do you remember the visit to the Lighthouse**…can you see the children 9 & 10 years old coming down the curving steps…they had been up to see the old light, & are instructed on the new light to be installed … they learn a lot about technology.**
We have come in our car but they arrive in 2 coaches.
Two classes.
We are going up with the second class who are 11 & 12 years old.

They learn about everything … One half will have a picnic on the dunes, & the other half of our school party is booked in a big hotel in the restaurant with the other people lunching. The children have chosen where they lunch so that a booking in the big hotel could be made. Can you see them , happy children with intelligent faces, coming down the steps of the Lighthouse, their light grey comfortable suits, little hats with brims on the back of the heads of the girls, their satchels or shoulder bags hold notebooks & drawing paper .

(Yes, I Greta Frobisher Weddell Ransom **am 3 years old 1936 , & see them come down the steps with jolly faces, their little school uniform suits are boxy & not too tight, & they have a nice blouse underneath or a little jumper of cream shades … the little hats are just as the drawings & photos of the chubby faced smiling TIGGY wears when he is 10 & 11 years of age & has on a Peter Pan style coat … & TIGGY GROTE is featured in the** ***(early 1850s)***

Three types & weights of clothes are required for the year for each child, uniform for school classes but there are Sunday clothes, playtime clothes, evening clothes to change from school uniform…& when they go abroad a Keeper of the Wardrobe has to go with them with an assistant.
When the girls are 16 they can go shopping in 4s & 6s for their own weekend clothes thank goodness.
JEAN said `you can multiply the work you do for your own children during the week …
Selena has her hem down again , Rachel has lost two buttons .
Some children grow like weeds every three months `
…
The children can use a needle & sew a fine seam & knit while they listen to books read to them if the weather is wet …
they are taught everything about running their HOME

as well as the usual 3 or 4 languages …
& everything about the Past, Present, & Future …they are HUMANISTS … `

These GROTE HOMES children are to be slain horribly in their HOMES during the dark hours … by Gross Britain & Government Lords & Crown … 1941 it began on the South American coasts where the GROTE HOMES are built with playgrounds & with our RANSOM lands , woods, pastures & smallholdings, craftworks,
about them …
The PARAGUAY GROTE HOME children are slain too
…& have a graveyard with some few of them in …these were not burned in a pit … Other GROTE children with their HOME on the seashores

LINDSAY Premier Earls & a woman who preferred to be called ANGELA were stealing them since XMAS 1933 !
THIS INCLUDED a complete SET of the entire ESTATE quarterly annual Reports !
THIS DIVINE VERMIN
had their SNOUTS for 6 YEARS 1933-1939
in the GROTE HOMES RANSOM ESTATE in 3 Parts,
which was in 80 per cent of the free nations of the Globe …
the Nations OUTSIDE the Gross Britain EMPIRE .

Disgust over this obscene behaviour at the top of the TREE surfaced when people began to HEAR of the interference with the GROTE HOMES children & the deaths of several children.

Accurate Records of this VIOLENCE against the HOMES all overseas are written in this manuscript SUMMER 1937/for ANDRE MALRAUX & Josette Clotis Malraux …

1936 XMAS … REPORTED … " 2 trestle tables at the back of Buckingham Palace were full of gifts & letters, greetings . IT WAS SEEN that two girls joined in … The 2 girls daughters of David & Angela, could not fail to see other names on these packages ,
especially those addressed to a child called GRETA
`Little Miss North Pole`
.
An ugly
TEARING OPEN of GIFTS & an ugly TRAMPLING on LITTLE HAND-MADE THINGS by young children…these simple gifts got crushed UNDERFOOT
… at the rush to get
at the MORE EXPENSIVE ITEMS
…
since Xmas 1933 this had been going on
- ALL DONE IN NOBLE SECRECY …
The families RANSOM had no idea that this went on …
in a place where you expected moral behaviour
…
Some of the men present had come into the Palace circle with Angela in 1923 …

All post/mail RANSOM written correspondence STOLEN *& delivered to back of Buckingham Palace* was allowed by ANGELA & HER MEN to be taken away by
3 grey suited men from
WHITEHALL IN ATTENDANCE at the XMAS RIPPING OPEN of the STOLEN RANSOM PRESENTS & correspondence by NOBLE FIGURES …
These 3 men had 2 Rooms Whitehall for dealing with sections of the RANSOM GROTE ESTATE
…
Thus the above abuse of the GROTE HOMES & the Estate round the globe gathered speed
-
its 1 million & a quarter children & peoples put in the way of secret violence by the criminally insane of the
IMPERIAL GREED
-
The slaying of the GROTE HOMES children in their HOMES
was made possible

using the past KUDOS of a FALLEN IMPERIAL EMPIRE of supposedly Divine & Noble persons
… KNOWN TO BE PENNILESS

& their debts known overseas where they had to borrow moneys

It showed how horribly ill-bred is the top of the British/Scandinavian Class structure
& obscene in its VIOLENCE …
