British Lords & Crowns -

8th-9th centuries - RANSOM main ancestor line -

Nota bene : This is our young RANSOM who carries our line into 20th century - To become a MAN OF LETTERS - a MAN OF HUMANISM -

22-24 years old - who would not marry a local girl in Norway no matter the village taunted him to/he hid in a cave one winter/made up his mind to get away/could not get his mother & younger brother away the first time/ ...

... Sailed away to Palestine with his DUSKY COLOURED CREW ...

they the offspring of a boat of IRISH tawny & red haired sailors made slaves in

MADAGASCA ... this slavery was agreeable to them, they married local girls & had children ...the children grand-children were very good sailors & most agreeable...RANSOM main line history

8th-9th century - HELGOLAND RANSOM : **Frederick Charles Frobisher RANSOM, Sailor & MAN OF LETTERS**
his direct descendant

,
had been taught Early English at school Derbyshire, & could lecture on BOEWULF.

FCFR set about recording as accurately as possible this Grandpa Ransom a 2nd son (his father & elder brother lost at sea he tells us)
of NORWAY, Helgoland & East coast England -
& a small place on the Scots coast too - 8
th
/9
th
centuries.

THE GRAVE WAS NOT TO BE DISTURBED - UNTIL ARCHAEOLOGY had improved techniques to excavate ! **THIS WAS**
AGREED...with U.S.A.,
Germania & NORWAY too !

1930s - **But HOUSES of ASSASSINS were spying out every grave to DESTROY/ reference the great tome/**

illustrated book with the page on RANSOM torn out/reconstructed 1920s ...

“ A RAT IN A NORTHERN DEN DID THIS to the history of the globe ...”

Helgoland RANSOM - he **describes his wife, himself, his children, & 3 grandchildren ... he will die at about age 44/48 years -**

` we had his body examined after the LINDSAY monsters with JIM 1938 had torn at his grave to get the manuscripts to destroy them !`

The POULSEN Gronlander branch helped us ... We all feared that these MONSTERS claiming him for Lindsay Earls & Angela a Crown will destroy he, his written works. HE LEFT A COPY WITH HIS

DAUGHTER - from which parts have come down to the families ...

GR was not to be told anymore...for fear I spoke to others ? ... & then the HUNT would go on if it reached to MONSTERS OF THE DEEP ...

1938-1947/48 - SLAIN CHILDREN - GROTE HOMES the world -

CHILDREN ALL SLAIN 2nd World War & ever after **HUNTED down**

GENOCIDE

... using **2nd World War** - done by Noble Britain -

TO MAKE BRITAIN RICH

20th century history - direct descendants of Helgoland RANSOM :

`the Invisible ORDER of Saint John of the STARS - West Greenland ...

“ An Arab gentleman came to us 1951 to New York ...

He had KUDOS in his own land, but held no Diplomatic Post ... he was a HUMANIST & his GROTE HOME had been his Treasury of civilized living ...

He was HOLY but not PRIM.

He wished to begin his GROTE HOME again ...

he could not find the children

...

but he would begin again ...

HE HAD GONE TO THE HOME ... “ **& it was full of long-haired ones ... cars all over the place ...**

they were not unkind but said the British

Government & Crown had given it to them

... for

helping them regain their SEASHORE LANDS nearby.

He explained his mother had been buried here,

when it was a school a HOME

...

He was distressed he could not find her again ...”

1948 - We had taken from a hospital in his nation a 7 years old child the only survivor ... **his little skull burned, one leg ... his trauma would last a lifetime unless we educated him to a very high standard**

&

NOT TO CHAMPION THE POOR,

but to be with Science & Letters ... the future.

It was Doctor JOHN RAY Ransom USA **& his colleagues ... who came up with how to handle this**

... The child, HE

COULD NEVER LIVE again in HIS OWN NATION

,
& he needed special medical care for the next 2 years ...his little scalp, his leg .

So his schooling we began immediately in the hospital ...

this proved most healing ...”

This HOME had its children used over 2 days for SPORT - **some young bodies were at night in the forecourt of a British Diplomatic pillared place -**

a few witnesses got away because of the drinking -

& the collapsing from a DOPE given to the men to SLAUGHTER/

payments were to be made for this work

for MAKING BRITAIN RICH

-

RECRUITS were told the HOME had been a brothel & the British Government had found the children diseased ... /Reports GROTE HOMES CHILDREN slayings - printed with all horrible barbaric details by 1960s ..

.

I GR have added some of the tragic young deaths in this document of SUMMER 1937 for ANDRE MALRAUX & Josette - a record of HAPPINESS -

... the BRITISH NOBLE MONSTERS of the DEEP were away at obscene matters all that spring-summer-autumn ...

BRITAIN & The BRITISH EMPIRE 20th century :

...

That is **A - Z**,

80 per cent of the nations of the globe OUTSIDE THE BRITISH EMPIRE ... This tottering Empire always FULL OF HATRED to the Estate since TIGGY founded the HOMES 1864 ...

The **British Empire** had bared its teeth,

& with venom,

had made attacks on vulnerable seashore **GROTE HOMES**

using its

ROYAL NAVY ... G.B. & Scandinavia nations with a barbaric lecherous NOBLE CLASS -

in debt perpetually from immense **WANTON GREED ...`**

“ A NOBLE penniless CLASS - some massive debts COLLECTED for 2 or 3 generations

WERE TO BE MET from slaying the GROTE HOMES CHILDREN

- then picking off THE Capital in the BANKS

& BOOTING in on the LANDS ...

LIES cunningly crept from Diplomatic channels

“ THESE NATIONS ROSE UP & SLEW THE CHILDREN ... they found the HOMES were prostitution **Yah KNOW ...**”

more LIES that the Estate is found ` ALL IN THE RED ...

OLD ESKIMO got loose ... ! **Similar vile statements are recorded from pucker accents about Scarlet Town/LONDON**

(now littered with PITS of dead children & the good families of our lands) ...

This land - it was across the other side of his Nation ...

**We built him a HOME, added small craft works & farming so that he would be
independent but we gave him a DISASTER FUND which would always be kept up from
other lands should he need extra funding for disaster ... or expansion that he could not
manage himself ... WE COULD**

TELL HIM NO MORE !

**We gave him good people to guide his new Estate & they knew that NEVER A WORD
