

1960/1970s ... Lennie LIR is saying “ ... **you & we have 60 Mansions round the globe - they have squatted in them - trashed them - pulled them down for Concrete blocks of disgusting PROFIT**

...

... Another voice ... “ ... **you & Andre could travel & administer legally the Estate ... kind tenants**

...

we all go to see the HOMES are safe before the WAR

...

distinguished persons helped your father after the War secure a third of the Estate where the children had been killed

...

keep it in purity & humanism

...

When Andre went to Ecuador he arrived ill from being poisoned - you not with him

...

Len got to him to keep him safe

...

he could have died ... & General de Gaulle if they had not COPIES of the WILLS ”

...

1940s - Wartime Britain “ **The woman Angela is given my school books after I Greta Ransom am sent DOPED into class by Teresa Gordon R. her friend/
*fellow fiend***

...

or into end of Term exams doped !
She, Angela, is seen & reported upon,
waving the heir's school books
about her
blood & gore stained
satin & lace ...
& jeering of apes & Eskimos all being stupid

-
JIM is
in attendance
”
-

It is the good geography teacher Armstrong of Cambridge who discovered this old 1920s DOPE
trick was being played on Greta Ransom age 9 to 12 years - **T**
he Humperdinck family saw this was so -
&
others from two Universities who teach us children in the wartime -

THE good Teachers TRIED EXPLAIN , as much as politeness

allowed them, to Colonel WIDOWER ANDRE MALRAUX summer 1945 ... that Teresa
Gordon R. *with her*

Noble friends
stand to gain money by these tricks against the young
-

ANDRE did not grasp that it was because of an INHERITANCE to Greta Ransom
other than something to come
from her great-Aunts Bessie & Annie,
HIS INTELLECTUAL EQUALS -

All his POST/mail is stolen by the British IMPERIAL Government & Crown from Winter 1937-38 to 1962 ...

& *sometimes*

to the end of his life ...

1944 November - JOSETTE died so horribly because evil SCUM have ROBBED ANDRE MALRAUX of his lawful post/mail from

Nations outside the British Empire ...

especially the URGENT DOCUMENTS coming to him from GROTE BROKERS NEW YORK - MALRAUX

& General Charles de GAULLE

will not know of the full extent of the IMPERIAL obscene crimes of evil

...

until 1962 ...

1959 December - Miss Teresa *Terry* Mary BUTLER **b 1899** -

Records-notebooks - Arthur Malone & Andre Malraux -

She relates the violence against her family *on several cousin lines* Southern Ireland/via Gordon marriage/ from time of Great War

1st World War -

& especially the Imperial violence after the Gordon/Ransom marriage of 1932 -

violence horribly increased against families Ransom & Gordon

who have from 1933 the two young heirs to an Estate about the globe !

(She has some information of the fraud - theft - murders against the Ransom family from the marriage of Millie & John Ransom 1883 to get the lands & moneys of MARGARET RANSOM who married a man with Orphanages about the globe called GROTE ... She had become familiar with the crimes of the EARLS of LINDSAY creatures gone mad in Scotland who had a Place called GRAND on Clacton seafront between the Royal Hotel & The Towers Hotel ... She has collected an archive of information from newspapers/books/since 1933)

1937 November - It is swiftly understood by Gross Britain Government Lords that if **ANDRE MALRAUX & FRANCE** knew of his appointed **GUARDIANSHIP** to the great worldwide **GROTE HOMES RANSOM ESTATE** then **IMPERIAL BRITAIN & SCANDINAVIA** could not go on **ROBBING** the Estate around the globe under the slimy **PRETENCE** that it was property of **THE BRITISH EMPIRE !** & went on egging on its British Diplomatic world *to take advantage of this !*

Miss Butler explains she had written to Andre Malraux 3 times from 1947 - but not given away too much - she had never received an answer from him - but as Guardian he should have known the name **BUTLER** -

... ` two of Mary Gordon's sisters married 2 Butler brothers Manchester late 19th century
...
a son Bill is a Mayor of Manchester `
...

Arthur Malone detective/Law Notebooks - Miss Butler`s information -

“ PERSECUTION of ANDRE MALRAUX & General Charles de GAULLE because of legal WILL Guardianship Grote Homes Ransom Estate ”

December 1959

` 1933 summer - PLANNED MURDER 3/4 months old Greta Ransom - baby doped - to die of thirst under doorway `Grange` ARRAN Western Hebrides ... Island grew big crops of *Divinorum Salvia Scotland* when bought by Mr & Mrs Grote ... they banned crop immediately -

1959 XMAS-tide witnesses say “ Mrs Grote & her husband stopped this crop ... put up good houses & got in a medical team to take care of the sick workers - 1870s onwards ”

Detectives Colleagues of Andre Malraux 1960/61 ... & 1940/1943 Mrs MacDonald school teacher Bulford/

1933 summer - Nobles/some claiming child GR as their KIN would return in November

find babe dead under doorstep -

Accuse Mrs Margarethe Ransom Grote of witchcraft murder -

ALERT ! CALL to the Nation to be made over the new BBC Wireless of 1931 ... “ lock the old Eskimo up ”

EARLS OF LINDSAY then TAKE ALL HER ESTATE OVERSEAS -

Witchcraft in certain Noble families Scotland - All Hail MACBETH -

“ 1933 - M. Teck/old battleship/heard calling out that the ESKIMO Estate was not to go to her daughter-in-law but to

SHE a Queen ... little education in this class ... ”

1930s - “ ... medicines & opium were to be checked & suggestion made politely that Mr JONG
d not go to TEA di
& *pour it too*
once a month with `Mary dear` & Angela
-

... `Mary dear` is a woman of the earlier `Marlborough House Set` who lives apart from her husband & Angela has JIM travelling companion -met as big children & both could find dope in the Stables - especially pellets of *Divinorum Salvia Scotland*

-
Parents of Angela grew it with other Noble families illegally /Scotland a LAW unto itself
-

The dope purple plum/snow/mist/pickle PUT A MONSTER IN THE BRAIN & IT TOLD THEM TO WIN ...

“ 1934 Visit - **MARGARETHA - A HOLY WOMAN - holy women themselves are the sisters of Mary Gordon, Bessie Martha &**

Annie Agnes artist the Misses Williams -

They have had a smaller but same spirit piece of philanthropy when younger -

THEY HAD NEVER BEEN IN THE PRESENCE OF ANYONE WHO HAD SAT AT luncheons & teas WITH SO MANY POPES

...&

in the Vatican Gardens

...

T

hey were impressed with the holiness & humanism of the grandfather of Margarethe`s mother Gertrud ,

POUL GRONLANDER

catechist genius

& his wife Margaret Yates of Carlisle

a ship owners daughter ...

1959 December - Thorpe-le-soken Essex -

Miss Teresa Mary Butler continues to Andre Malraux :

“ IT IS THE MATTER OF MY NIECE Greta Ransom -

**It began in early summer 1933 - I did not know until the autumn - then I went up there - s
at on the Island October - a lovely place that month -**

her mother

my cousin Teresa

& the TRUE BLUES tried kill the child made heir by the old lady
when she was born in March .

**The Trustees needed a figurehead to be trained by family to take care of the Estate -
then the boy LEN her Uncle was chosen too**

-

he was a great favourite & comfort to my Aunts Bessie & Annie

...

**He could draw & speak languages - so they always welcomed him coming to the seaside
after the marriage of Teresa to young Fred RANSOM he
5 years younger than she**

-

1932 is the marriage ”

...

1933 October - “ **I went to the Police & to the Solicitor - I explained I was the eldest of us &
the trouble my young Aunt Mary had from the end of the War** *1st World*
War ...this

is what I heard

`

**Police were called
but by then the Party had left the island
& the babe had been discovered
under the floor boards**

-

Greta Ransom first child of the marriage

- ...

... The house had been prepared for winter - nobody would come by again - perhaps in November to check outside - The unwelcome visitors ... there had been damage & a fire outside - things carried out & burned - the marble dog was broken in pieces beside the pump -
& Mrs Grote

s jewel box the top torn off ...
it was of lead there was a fashion for this/Shakespeare

...
it was empty & broken
”

(The dog is Rienzi beloved house dog of Jacopsholmen Island that F.R. got 1852 to keep Tiggy in the playground & not wandering off into the snows

...
Fred & Gertrud RANSOM had lost their first born FREDERICK RANSOM & Greenland cousins down an ice fissure
...the children 6-8 years old with sledge had gone too far without telling the adults ...
)

“ Police told me `it was two local women had first found the child in a privy - in a bucket- it had no clothes on- it was not fed - they crept back when they knew the TRUE BLUES, *the Noble families* were away other parts of the Island & they came daily to feed the child - sometimes the babe was in a bowl

-
Newspapers were used to clean the child -
the men in the first fishing boat had seen the child tossed into the sea ... then retrieved ”

...

“ A collection of bibles & holy books were wheeled to the jetty & tipped in the sea - it was men in a rowing boat fishing , they alerted earlier by a boat that had seen & heard malicious behaviour from three or four persons about the house - It was known Mrs Grote’s husband had made this collection - every tongue in the world -

... Some paintings were taken to a shop - but they could only be given a few pounds - so the party brought them back & they were burned on the fire outside the house - they were 3 or 4 paintings by Gericault - Mrs Grote ’s father knew him ” ... TMB

“ **The people - a woman & three men - *there were others earlier*** - left the island it was believed ... then proved some Clergymen had been asked to look into the destruction earlier - but did not interfere - later one did agree that the Police should be called - They were nobles that came, you see -

... The child could not be seen - **The house was to be made secure after the damage done & locked up for the winter ...” (*this 4 months baby is Greta Frobisher Weddell Maureen Ransom*)**

“ The curtains embroidered by Mrs Grote’s Greenland Eskimo relatives - her mother’s relatives -

had been burned

-

they had embroidery of the history of Greenland -

they were made for her wedding

...

The women of the Island she contacted

on HEARING THE NEWS of DAMAGE to her house

- were asked to go and see if her wedding dress was alright.

The local Solicitor had given orders to tell her there had been a fire - she MUST NOT COME BACK - until they had tided the house & grounds ”

-

“ Well she was anxious about her scarlet wedding frock - her father had it made in SPAIN
for he wanted to see

bride

a scarlet

against

the snow -

it was famous -

it had been loaned for other weddings on their Island -

and it went to PARIS to be taken care of - she was asked to wear it at certain occasions -

it was with a diamond collar & there were other jewels stitched on -

these scarlet wedding dresses were famous in Spain -

Later it was decided by everyone her tenants THAT Aunt Margareth Mrs Grote SHE

MUST NEVER RETURN - to see the damage could harm her health ! After the women had collected

the

dress

& some other things - mercifully intact

...

then the three men came in by boat & locked up the house - put shutters on the windows - boarded up for winter ”

...

**An un-prepossessing place outside, people said but it was a vast wonder of scholarship
- intelligence - normal household inside -**

**Mr Grote's study remained - he had been killed on the island 1904 - it was not natural -
his death ... " -**

**Arthur Malone detective for ANDRE MALRAUX reading his account February 1960 says
he saw the house late December-
*early this January 1960 ..***

**he has added some remarks from tenants he met ... they told him of the kindness of
Margaret Grote called Auntie by the young -
& the days when she had her young son with her & their Greenland relatives came to stay
- the women
outstandingly beautiful
would sit in the fields & sing embroider tell wonderful histories of Greenland & many
parts of the world ...he had seen some photos
& *even been given a couple*
he said .../**

**" 1933 October - The Police told her, Miss Butler, EVIL MEN of POWER were after their
properties about the world, that is the properties of *she Margareth & her
husband Tiggy Grote -*
she had been protected by the Island tenants after the disgraceful insults over the burial
of her husband -
THE EARLS
(LINDSAY
*et***

al

)

WOULD NOT ALLOW HIS BODY TO BE RETURNED TO THE USA

...

they feared poisoning could be detected`...

“ Finally, 1904/1905, the Islanders had told the nobles they would destroy their places if they touched the new grave - a great boulder was placed & the inscription put upon that - At first they had tried bury Mr Grote in a rat-infested part - then 2 gravestones had been broken to pieces -

Mrs Grote was called Aunt Margaret I think it was by the tenants ...

after she held the island a long time,

& her son was grown up -

I heard she had a grandson a Priest & later he went to ROME ”

...

... “ When she was younger her young son lived with her until he was 15 years but they travelled part of the year helping with Mr Grote`s work taking care of the Orphanages - he called them HOMES & all the children were educated to 18 years

-

her Greenland cousins came to stay for 2 months at a time

- very beautiful women,

they would sing & sew sitting out in the fields ” ...

... “ Then her nephew came to stay, young Weldon Frobisher (*Frederick Charles Frobisher RANSOM, Greta`s grandpa - he had to be HIDDEN from EARLS of LINDSAY crazed with GREED & not wishing him to be ALIVE*)

...

RANSOM families visited ... ”

“ She could not go & live on her island in Greenland without a family - she was waiting for her nephew to marry & have children - her brothers had been killed - & her sister-in-law a Miss Frobisher she was

...

**the deaths were known to be unnatural -
TMB**

...

Greta Ransom hears parts 17 Dec 1959-

Teresa Mary Butler/*Aunt Terry Butler/*

“ It was because of the great wealth abroad - there was trouble for them & their families from the TRUE BLUES - Some of the Islanders had gone to visit & joined the wonderful work

...

around the world -

She did not live on the Island all the year but had to visit her own properties abroad -

It was hard for her after her husband was killed - he had circumnavigated every year & she could catch him where she would round the world - she had a house in New York but she preferred to be where she could see her relatives - They had an ancient farm Montrose Scotland - & they would all get together up there - *I think it was an uncle ...* So me of them had ships -

big sailing ships - Mr Grote had big ships for taking his orphans visiting - but they were steam - Some family came over from Norway - her mother`s relatives I

heard

”

1959/60 winter - **Teresa Mary Butler to Arthur Malone - & ANDRE MALRAUX a few hours -
Detectives & Colleagues)**

**Nota bene : Arthur Malone said `ANDRE had his eyebrows nearly dropping off ... when she
got to a babe,**

Greetah

under the doorstep

...

I think it was !

Then I left them for a bit so as he could say anything personal he wanted to ... I said I might

***do a bit of research about the countryside after I had called on my mother & family for
Christmas pudding - I would have to think about it -***

I did not want to say any PLANS - IT WAS ALL TOO DANGEROUS ...

Politan/A.

Malone

“ 1933 **SUMMER ... ARRAN Is. `The Grange` ...**

A dog would not leave the place & the men had closed the shutters & nailed up - **a dog heard a
tiny whimper**

-

then 2 of the men having to return for the dog pawing at the boards

-

they too heard it -

... the child had a purple halter round its neck - it was naked - the noble party had left the Island the previous day " ...

“ The 3 men were in the boat with the other dog ready to leave - the home now locked up by good Islanders in grief ` **they called Dog but it would not come - a man got out of the boat & went to look - then after some minutes another man followed - Dog would not come away from where it was pawing**

...
”

` **Oh Witchcraft was to be the cry later - they could again try lock Margarethe Ransom Grote up in a lunatic asylum - EARL LINDSAY & his family had tried do it once before - Churchill stopped them - they had been killing people in SCOTLAND for lands & money again**

-

Churchill threw them out of the country

“NOTHING LIKE PENNILESS ARISTOCRATS - LINDSAY - A BLOODY NUISANCE - SINCE THE PLANET BEGAN

`

W.S.C. Jan. 1960

1933 summer - Arran Hebrides “ The men they knew of the destruction - it had been seen from the sea - the collection of Bibles & Holy Books in EVERY LANGUAGE

...

property of Thomas Grote an American citizen -
wheeled to a jetty & thrown in the sea - they had watched the party from the sea - there was a lot of drinking - loud language & they had a gramophone ” -

“ Later everyone reported the destruction, *fires outside the house*, & properties thrown on ... & of the ripping up & burning of the
3 Gericault paintings bought from the painter by Mrs Grote

’
s father FRED RANSOM

...

Her Father had his great sailing ship ` Mary Rose` the family ship carefully laid up as a restoration piece in Montrose basin - his brother John lived at Montrose
in their family home - They had lived
on the East Coast,
the
Ransoms,
for centuries -
*Gericault had painted a big picture everyone knew
The Medusa Wreck ”*

“ The child was taken out from under the boards & the Police informed -

A nurse came to see to the babe a girl ... Later they heard it was GRETA RANSOM - Mrs Grote

’
s heir - chosen by everyone at birth - to train to run the Estate

...
& they knew several of the RANSOM family - everyone knew of them as they had been at SEA for centuries ”

-
vast accounts/

“ The curtains were mourned, they had been Mrs Grote’s trousseau - they had taken 2 years work - showed history of GREENLAND ” ...

(1860/63 embroidery done on the Island Jacopsholmen by her

mother`s relatives ... beautiful GREENLAND women - embroidered with scenes from Greenland history)

“ ... they had been ripped out from the windows ... *as heavy drinking went on* the curtains were burned

-
by those that should know better ”

RECORDS : (Police & Islanders reports 1933 Oct.) **Miss T. Butler/**

Notebooks Arthur Malone & ANDRE MALRAUX 1959 Dec.

Report : “ The child was first seen when it was carried in a bucket to an outside privy & left 2 days - reports said it had been thrown in the sea from the Jetty - it was given no milk - the Island women crept in at nightfall & fed the child - & one afternoon when the party had gone to another part of the Island ... ”

1933 summer - “ The child had been under the floorboards naked for 22 hours - a lead of purple satin was round its throat - the Island women had watched the party throw the child far out in the SEA - 3 men of different Faiths asked ` were cautious of nobles ` who came to the Island or lived sometime of the year upon it - Another report says that one of the three religious men may have alerted the mainland - after three days `

Research reports/ “The child’s remains were to be found November-December by somebody pretending to be concerned returning to the Island of Arran - they would DISCOVER the dead tiny body of GRETA RANSOM under the entrance -

... The BBC put out an ALERT : ` Old Eskimo wanted for witchcraft - CROWN CLAIMS ALL - doing the Lindsays in the eye ! Somewhere British & Scandinavian Governments claw ways in - Noble Lords expect a share

”

)

1923 - Diaries/etc Records/Gross Britain Royal Wedding -

“ ... Aunt Mag the highly educated creator with her family & Tiggy of this vast philanthropy is denied entrance even to a side-chapel 1923 -

THE PLOT TO TAKE HER ESTATE IS ALREADY FORMED - *old Catholic Lord paid 12 percent to help out - his solicitors said he could not manage more*

-
One by one the others backed out

-
It was an arrangement once they had got Mrs Grote to enter their lair - JIM was about ! This is regarded as the first piece of GREAT FRAUD found by Grote Brokers New York ”

-
endless records

1938/1939 **winter** - WHITEHALL **GB Government London** -

“ A posh voice asks agreeably ...

`where will the Grote Children go -

when the HOMES are emptied - shut down - lands sold -

Angela has ordered this - She says all money be given to her - ... There are a million GROTE CHILDREN - **you will have**

them wandering about - highly educating -

NO HOMES

-

They will speak about what has happened to them - all about the world surely - ?

... & those who have left are at work & always return every year or so to their HOME -

... I ask a simple question ”

RECORDS : **many GROTE children enter medicine science music theatre -EDUCATION - many stay HOME & work on the settlements - farms -craftworks - all marry happily/a few enter the Church/ records/diaries**

“ Mrs Grote - a Goddess on Arran - She & Tiggy cleansed the island - ended the misery - stopped immediately growing of the dangerous narcotic

Divinorum Salvia Scotland -

P

reviously tenants worked growing - processing the narcotic - life

expectancy about 28/9 years -

She put up neat homes in 2 months

& Nurses for the sick

-

18th-19th centuries - UPON ARRAN Western Hebrides they had lived worse than pigs -

she started a Camp for the dying - the others looked after them -

She

put in nurses

& a doctor on call from the mainland -

A lot of professional people did not want to live on the island - because of the lawless nobles -

She put in the road - she won a battle with Westminster for street lighting -

“ It was the LAW ”

she informed Westminster - Nobles intended SHE PAY -

they collect the `lolly` from WESTMINSTER

The Whitehall ...

... NOBLES now grew their crops of *Divinorum Salvia Scotland* in other sheltered Glens but NOT on the Island or they would be FOUND OUT ! ... They seethed with HATE after they had spent the good moneys she paid them for the ACRES ...

` The Nobles - Earls of Arran - all of them - (*LINDSAY Coal Ships Insurance FRAUD also grew the purple pickle*) - now demanded she mend their great roofs - but it was explained to them she had left them the ground around their noble dwellings - therefore they were responsible for mending their roofs ! *PITY SHE DID NOT BUY THEM OUT LOCK -STOCK & BARREL - push them off the island - to Edinbur` & Scarlet Town -* they tried make her buy all their land up to their walls - **leave them only their dwellings -**

HER legal advisors KNEW THE LAW - & all about treacherous Scots Lords ... /reports-18 70s onwards/MacBeth W.S./

Margarethe Ransom Grote BOUGHT 98 acres from thuggish EARLS & Nobles - gave them a good price to pay their GAMBLING DEBTS - they intended taking Island off her when they could give her an accident - but her husband was too powerful with his HOMES - he speaking 100 or more languages & circumnavigating the globe - TIG a USA citizen staying with Princes-Prelates-Sultans - *even Kaiser Willy* - intelligent men & women-Presidents-Industrialists-scientists - **NOBLE BRITAIN Scotland made plans to murdered him & achieved this in 1904** / records/reports/-

1904 - MURDER OF TIG - Thomas Immanuel GROTE b 1841 ...

USA citizen & philanthropist was lured to a meeting Houses of Parliament Westminster. As he entered Strangers Gallery an UPROAR began on the FLOOR ... hissing pointing fingers at him

crie

...
s of his having NO British GOD ...
IT WAS ALL PLANNED !
He could not leave - his Passport taken -
Upon ARRAN the tenants helped Margareth call in a ship to take him off !
The Island was patrolled by British RN gunboats !
Young Augusta Frobisher gives her eye witness account of the days of the murder of TIGGY in 1904 !

1953 - `AUGUSTA writes it too ! PENNILESS NOBLES WERE DETERMINED TO DESTROY THE GROTE HOMES educating foreign children to 18 years ...

The HOMES WERE OUTSIDE THE BRITISH EMPIRE ... which was clearly toppling ... ! August a is killed with a knife by JI
M JONG the newly created CUR JAMES 1954 ...
in the bath in her flat NORWAY where she was considered safe
protected by the GRONLANDER-Count POULSEN branch of the Ransom-Frobisher family
...`

1954/1959 - JIM was bragging in WHITES CLUB *a low VICE bar* he runs in Saint James` - he was wagging one of Augusta Frobisher`s famous silver SHIP earrings ... a model of the ship of Sir Martin Frobisher her Tudor ancestor ... JIM was
` **making MEN** `
of the young boozers in WHITES ... he insists killing a person is LIKE STICKING A PIG ...

...

General de Gaulle was expected to send at least a telegram of good wishes to the heirs *Greetah*

& Lennie RANSOM ...

FRANCE WOULD SHINE IN THE EYES OF THE GLOBE

...

OUTSIDE a decayed self-righteous BRITISH EMPIRE ...`

... FRANCE MISSED THE BOAT ...

1910 - **LIR diaries 1930s** “ Aunt Mag is in flight 1910 -

... 1920 she has planes for all the HOMES & Estates - She said Thomas would have gone into flight immediately - he always

took a great interest in

useful technology -

his 2

nd

cousins Messerschmitt -

somewhere

kindly old Junkers come into his family

-

his mother a great niece of Frederick Immanuel KANT -

His ancestors had a WENS skirmish - he would mention this when our genealogy RANSOM was over-powering ”

...

LIR

Guardian his mother her Weddell ancestry -

LIR Diaries 1930s -

“ *Greetha* - speaking with Aunt Mag winter 1937 asked her about Catholic church music -
Monteverdi ? Margareth

e our Girl of the SNOWS

she say`th

“ No - I do not know enough of his music -

but I attended a performance of the Opera about the EMPRESS at the beginning of this century . We could have a performance on Jacopsholmen - the Opera about the Empress - as soon as we can open the Island

-

& use our THEATRE again ”

“ Your father had an Architect to look at our Theatre - it will be sturdy in 200 years time - my father & the craftsmen built it as they build boats - I do look forward to us all being there - now your grandfather’s

family is grown up

-

MAKING THE ISLAND OUR HOME AGAIN- OUR CENTRE-

**THIS WAS HOW IT USED TO BE-
FAMILIES ON OUR GREENLAND ISLAND HOME -
WHEN THOMAS & I BEGAN THE
`JOYOUS VENTURE`
& then his GROTE HOMES ”**

...

... 1864 ... “ We were married on the Island in the Church of JACOP my grandfather- My father had the scarlet wedding gown made for me in Spain - so he could see a scarlet bride against the snow - he had seen them in Spain & admired them years ago

...

”

LIR

writes what GR says

...here we record our AUNT MARGARETH RANSOM GROTE

1856 - MARGARETHE RANSOM - remains of her auto-biography begun when she was 15 years of age

- *She had acted Imogen-Shakespeare`s*

Cymbeline in the family Theatre

Jaco

psholmen island - West Greenland ...

... Intelligent people came for the PLAY SEASON each year from 1830s - **An Emperor of Ethiopia sailed in - her father FRED RANSOM had been 2 years in a Coptic school when he was 12 years of age - he stayed with his Aunt widow of the Consul & needed something to do besides the usual school curriculum from a Tutor -**

**Hence the RANSOM great collection of Arabic Coptic Asian books - *stolen by Imperial
dope-fiends & boozers G.B. & Scandinavia 1950s -***

**Photographed they are,
emptying the great Ransom house 1950s -**

2 Royal yachts -

Watched by Greenlanders as they throw gin bottles on the seashores

/black-white film/records/

1961 dawn- summer - Account by Greta Ransom

... a knock on the window at *`Mistral`* my only home in the tiny tri-angular meadow
beside a 900 years old hedge of twelve different species-a maturing Oak tree too ...

I feel some of the madness of break-in & entry 1957/59 at 50 Lancaster Gate Square HAS
FOLLOWED ME HERE . *Mengele Doc Harrington occasionally dashes by the lanes in that
blue car- piping the hooter in a nasty*

manner - & some nights since last autumn 1960

he flashes

a green-yellow light

torch

through the Caravan

curtains

*... he is a hypnotist too ... but knows the MESMERISM ACT when they give the VICTIM a
doped drink !*

1960/1961 ... THE TORCH BEAM makes me see dissolving cracking egg shell patterns in my brain & I feel sick & blind for several minutes -

IF I SAY ANYTHING THEN I feel certain I WILL BE CALLED CRANKY - & this dung stinking paedophile Royal Satrap BRUTE
friend of Phil the GREEK
& his greedy business world
dope-booze-womanizers
(this creature Young London calls Doc Mengele Harrington)
can tell any idiots that I HAVE NERVES
...

1959 November ...I GR came to live near Colchester, Colne Engaine, where I had felt I could at last lock a door - & earn my living by my craftwork for a while until I feel brave enough to try for another Museum job ...
perhaps Ipswich/Norwich ...

... In my head are NO MEMORIES of two Roman Catholic marriages to the same person ANDRE MALRAUX IN 1947 & 1958 7th January ... *Mengele*
who works for dope soaked playboy Nobles removes all memory from people who are in their way
...
& his way
... he is earning BIG DOUGH from spying on many people & has a BIG TEAM ...

He is PAID by Government WHITEHALL ... **Government tills fling OPEN when he & dirty JIMMIE Cur James of WHITES Club**

pass by ...
