My Lady & children are best in their bed room when weather very harsh

...

My Lady I know is yearning for more books

...

in Summer we will always SAIL to warm lands

...

We go home to Japan every few years

...

(Across Indian Ocean & Pacific-he is used to it for he has 3 generations of Chinese women his mother/grandmother/great grandmother - says FJR `we must have been very slant eyed in those days`

...

)

`She does not complain my Lady in winter but understands it is for our Estate our crews & workers & all the families they have

...

WE KEPT TO OURSELVES THE FIRST YEARS & they are educated by us & Tutors & some months abroad- we sent the boys to DANMARK for a half year for education- sailed to take them with us then they returned a little more

...

The girls have our education & know all the world has

...

our little girl is very white & delicate but she prefers to stay home & always travels with us to the sunshine

...

she has no wish to marry but loves us-she can talk other tongues read all our books & is able to give us music when she will

but on our Estate here we have everything we need & good company from our crews & their families & visiting companions come by ship to The Basin when no foul weather

...

Our sons pass without comment... but draw no attraction on the Continent... but Phoebe has the black Japanese eyes

...

She asks to go to Court & we may allow this when we have consulted

...

she is now 22 years

...

(It cost them a Fortune & she married the widower Sir Lionel Mainwaring a man in debt who could not stop gambling-he had a son by 1st marriage

Ransom from the 16th

th

century marriage of PHOEBE RANSOM to Sir Lionel Mainwarring-at Court-
it cost her parents a lot of dough

...

after her death 10 years later they sailed to Japan & stayed away 2 years taking their youngest daughter as always

...

They returned to Montrose-the two grandchildren a girl & a boy were happy & strong in health with a distant branch of Mainwarring

...

1937/1939...We were all to sail the Weddell Sea & JEAN ballerina grand-daughter of James Weddell & Aelovedmah-Maria Miss San Julian Inca, would dance on it- Alfred Charles Ransom, Uncle Mainwarring both RN would arrange a visit ...our WEDDELL SEA

...

A second visit we were all to go & visit 15th Grandpa HU`E ARTUN his 16 feet statue on the headland ...for we are of HIS LINE...he makes this clear-

“

YOU ARE ALL TO SAIL IN & TELL ME WHAT YOU DO

...

.my kin-after I am dead-I will still be sitting up here waiting for you all

”

19th-20th century...

`The rest of the family speak some Japanese-& sail in for a cup of tea with young Hiroheto, & we maintain our 2 islets the very end of the LUSANS-our kin & kith...Hiroheto is educated & a scientist & studies sea horses & things

...

*Tiggy Grote (1842-1904) knew his Dad- all of them keen on education, science,
technology ...Speaking of Tig to his son Hiroheto
he says*
