hit back at the persecution of BOOTING IN by LINDSAY-Lindsey with some TRUE HISTORIES of LINDSAY-Lindsey - I give one below

:

Nota bene: This gang of undesirable `rellies` have a hole called GRAND on Clacton-on-Sea seafront, put up 1910 in Scots granite on a narrow piece of land next 18th century ROYAL HOTEL - demolished Order of Council 1945-46 as it was going to fall and scatter dark grey Scots granite all over the seafront road :

**` THUS BRETHREN IT FELL UPON HALL DAY**

**And the LINDSAY they hath them no sheep**

**... to take to HALL DAY ...**

**AT THE MIDNIGHT HOUR**

**The Lindsay they went forth into the darkness**

**And they found them some sheep ...**

**& LO the sheep branded with an L ... BLESS the LORD**

**NEXT DAY the LINDSAY drove their sheep to HALL DAY**

**And it was seen the LINDSAY hath sheep :**

**A man stepped forth - Quoth `THEY BE MY SHEEP`**

The LINDSAY strode upright, clad in fine cloths & lace

Sayeth `THESE BE OUR SHEEP ... WE ARE THE LINDSAY`

The man drew his guns

He shot them all three times in the bum

He thundered `THEY BE MY SHEEP ...`

And I AM THE BIG LINDSAY ABOUT HERE ...`

GROTE-RANSOM GUARDIANSHIP kept from

ANDRE MALRAUX ...

**BENNY GOODMAN & an IRISH MINISTER - VISIT to 50 Lancaster Gate Square : BENNY GOODMAN IS WELL AWARE OF THE GROTE HOMES of the pre-war : Andre Malraux upset by presence of Teresa Gordon Ransom & Lt-Commander David Brown rnr : Malraux rushed out of the big drawing room where the flags hang out and did not return until after midnight :**

**TGR is squatting in the top room of Greta Ransom and had refused to let Greta come down to his apartment & be introduced -  
he found Greta in her room half asleep and unable to follow what he said  
:**

**THUS Malraux does not learn that Benny Goodman knew Margaret GROTE (killed by Jim Jong 1938 Ayrshire)  
and all the Ransom families,  
especially musician LIR,  
& has met Greta on the Nord-Sud Poles tour of Grote Homes 1935-1936 when they were staying in New York ... ..**

Andre Malraux will order Teresa Gordon Ransom OUT of St Edmund House 50 Lancaster Gate Square : *(whom he met 1924 December Deauville with a Miss Plunket Green and he and his kind friends loaned them some money : see other Reports :*  
)  
OUT of the building next day !!! Finally,  
after some days  
,  
he will himself have to pack her case and march her out of the building ... twice ... & object to her cunning booting in New Year Eve 1959 =  
*reports are on other pieces of this on-going work*  
:

1957 November - St Edmund House, 50 Lancaster Gate Square

**REPORT : “ Benny Goodman came - Greta confined to her top room by her mother Teresa Gordon R. and David Brown rnr - they came down to the floor below - room of Andre - A Madame Malraux was present : Andre rushed out after some minutes and left the house - he did not return : Mrs Ransom, mother to Greta, had met Mr Goodman in New York 1920s with her friends Angela and Jim = they had stolen his clarinet that afternoon - he had a concert that evening - he had an idea where it could be - sent Police to their hotel - clarinet found - a prank - he did not think so :**

**This evening : ANDRE clearly could stand it no longer - he rushed off before hearing that Greta was to go in a Nut House = The former Teresa Gordon full of casual smart talk & Brown introduced with printed music he had written : Benny Goodman referred to `Greetah` - he was told with authority by Mrs R. that ` she was a nuisance to everyone and now confined to her room by a Doctor - she was to go in a mental hospital ...`**

**Benny Goodman had seen Doctor `Mengele` Harrington in Paris and London - he had noticed the HIGH HEELED BOOTS ... this little runt had told him that Greetah preferred him to ANDRE ... he doubted it ... he saw Greetah at a distance, so tall, striding off to her library Paddington**

**... He had to be careful - he knew the GROTE children had all died - he would speak with Len about this guy in high heeled boots - hangs about the Paris Malraux household and London :**

“ Madame Malraux has an Irish Minister boyfriend this month - he said “ she picks Andre up like an Irishman picks up a pint of beer, drains it - puts Andre down empty

...”

*( = Irishman would put empty pint down with a slam - it means `bring me another`*

...”

)

*(MEMO : The Irish Minister wants to talk to Madame de Gaulle - he knows that a Madame Malraux plays her music on the piano - he has an idea - and Mrs de GAULLE might like to mention it to her husband the GENERAL :*

“ 1957 November - Clara has arrived - Andre had refused to re-new her Visa in October :  
The telephonist says

“

she should not speak to Andre like that - she is shouting at him before I put her calls through to him

...”

”

...”

“ ...The other late afternoon `our girl` (*Greta*) came in early from her studies - Andre must have put the little note in her powder compact that he would be over from France

:  
Clara was shouting at Andre in his room - he kept the door open so we could hear

...  
The GOV, Andre, he said `  
my dear Clara, this is England, I will only speak to you if you speak English

...  
not German

...  
or French

...  
,

Clara was shouting at Andre “ Charles wonders what the HELL is going on here ... ” = “

...  
it reaches us from Paris via Whitehall that Charles turns pale when he sees Clara near  
him

...  
*she is surely an immoral woman in his eyes*

...

...

...”

“ Andre has his two sons here for the school half term ... he has booked the restaurant -  
taking them and `our girl` out to supper

...

”

...

( NB: 1957 November - I GR give a tiny simplified part of life at Lancaster Gate Square  
that month : in December I was getting very `hazy` in my mind, barely a memory  
unless I am told things daily and reminded again and again - the  
DOPES are the same as the system used on the old retired man Hilldrop Crescent 1920s -

**Teresa Gordon got Prison sentence 6 years for this:  
it is behaviour sometimes used by  
End of the Empire Noble Britain  
on old relatives to get hold of their homes and wealth :**

**... 1957 October - Malraux made 2 visits to my father FJR at Deptford where he has a  
room in a tiny flat of his sister - BUT MALRAUX took a side-kick who owed WHITES  
Club a big amount of money for heroin : My father was  
attacked after the 2  
nd  
visit and his sister Ivy Jean would not allow any more visits :  
she did not say what had happened to him :**

**Benny Goodman may not know that MALRAUX and de GAULLE do not know of the  
ESTATE Guardianship : I met him 1936 New York - he knew Aunt Margareth - knows  
Lennie a young talented musician - my father of course ... IT IS  
PUT ABOUT that the GUARDIANSHIP of the ESTATE is an embarrassment to Malraux  
and de Gaulle**

**...  
False messages have been sent to GROTE BROKERS since 1946 and 1949 snubs came  
to the RANSOM three brothers :**

**1962 March - General de GAULLE seeing the legal WILL and papers of appointment sent to  
ANDRE MALRAUX 1938 says " a gigantic obscene piece of Statecraft by Gross  
Britain ..."**

~~~~~

1960 January-February - Colne Engaine REPORT given to the Detectives and colleagues of ANDRE MALRAUX - he is a new Minister of Government France =

1937 October ANDRE MALRAUX `Man of Letters` is made GUARDIAN by world wide agreement to the worldwide THOMAS GROTE HOMES & RANSOM `Joyous Venture` Estate = he had in late September 1937 accepted Guardianship of heir Greetah RANSOM to Mrs Margaret Grote her aunt = her letter which reached him in France late October 1937 said  
“  
how happy she was he accepted and he would be hearing more  
”  
:

... By November 1937 his postal communications/all communications/were cunningly STOLEN-STOPPED by the Aristocrats of Gross Britain able to dominate the British Government

: it has an IMPERIAL  
EMPIRE that is a third of the world at this time :  
1938 mid- May Orders were given by the highest in the land of Gross Britain and Scandinavia to  
find ANDRE MALRAUX  
...  
and KILL HIM  
...
