MEMO : “ ... `... In 1953-54 - an unpleasant BRITISH Earl LINDSAY *number 14* in secrecy claimed the  
**GROTE BROKERS 19 acres under NEW YORK for a woman who had a CROWN from 1937**

- Now this threatened  
to cause a political scandal -

it was known this was not true !

But the GROTE children had been killed in the Wartime and parts of the ESTATE laid waste  
then quickly sold off sometimes passing through two buyers !

The money was taken by GROSS BRITAIN ...

The two thirds remaining of the Estate was being protected by the owners with help

... IT WAS A TRAGEDY !

Further enquirers were to hear : **Because the young woman had achieved a marriage 1923

From 1923 the OWNER OF THE ESTATE the high educated Mrs Margaret Ransom GROTE
