

9. VENICE - Our favourite lion - 1973 - 3rd Classical tour of Victoria-Augusta & FIRST for little Peter children of Greta RANSOM Whitehead .. RANSOM families have seen the lion since it was new -

Our collection of slides and photographs of Classical Sites were known as RUINS HOLIDAYS and several copied by Museums and Institutions amazed at these great historic sites visited when without tourists (young Peter put them on Video 20 years later) - He had said age 3 years watching the often requested Slide Show " ... and I was not there - I wish you had all waited for me to be born ... "
