“ ... the BERBER bride of RANSOM East Coast Britain ...

“ Our grandfather the father of our mother is a member of the Town Council of Castile, a fairly wealthy farmer-trader-man of some writing ... & he did NOT like young RANSOM at all when he saw him talking to her ... he came to buy hay & marmalade ... She is 6 feet tall with dark hair below her waist & her eyes the colour of the Spanish dawn ... he had to show he was not just a sailor - we are five children and keep both religions, & sometimes go to sea ... my parents go out into Moorish-Christian social events ... I am their youngest child a cripple & so I keep the family records ... which I like to do ` ...

... The WRITER is the youngest child a Miss or Master RANSOM tells us the grandchildren are quite pale skinned & some live in Britain or Europe ...His/Her mother is respected in both Religious creeds, wears both Arab and Christian garments, & that the writer (*he/she*) is happy recording the family histories ” ...

trees and one field of plums & THE LAND is included in her dowry

... ”

... “ ... now we use our name RANSOM ... *Ransom line* ...

Four (of us) have issue ... I am crippled ... the 5th child ... I am happy & record our family both lines ... Four of us have issue and harmony is on both sides of brown and white ... The grandchildren of my grandfather are pale (skinned) & pass amongst (society) & they respect our grandfather the father of my mother

...
Our mother wears Christian & Arab clothes & is respected amongst both faiths ... she can go into society in both ... Our mother attends upon both religions & there is no difficulty

**(for her, for us)
that she does this ...**

Our grandfather did not like our father at first & he tried to chase him off ... **but he established that he was serious, had lands overseas & a good family with money**

(...
and they could all read and write very well ! ...)

(As a child I GR am very interested in 6-7th century grandma `Aurora` RANSOM - I am raised a Catholic but I enter all other religions because our GROTE HOMES children are of different faiths ... My father is a Nonconformist & a Quaker ...
