or Grandpa

,

s other relatives -

a white house with a lovely name Clouds

...

& other places -

where I met the lady in the rose-silk gown who lives in New York & has a daughter grown up in New Zealand ...

... she may be a Mrs Henny - & I found her so very beautiful & kind like a Fairy Godmother ... she & Aunt Mag buy their cosmetics in New York she told us ...

Dickie Bird stole the waistcoat ... as well as the money from my money-box- This hoodlum Mountbatten went to the upstairs lavatory ...

& he did a dirty dog pile on the floor

-

a nasty smell came down - he said what he had done in nasty words ... **& that she Teresa Gordon owed him this money**

& he now wanted twice as much ...

as he loaned her for her friends & du Cann when they were on some yacht

-

I wonder is he bankrupt ... as we hear from the Police in Scotland and Norfolk that
LINDSAYbuggarhs are often **- I must have run into the back**
garden - I have a hole hidden in the fence -
to our neighbour who expects these things happening 1930s
...

I will hear his name is Mountbatten - **he did shout it more than once ... but I was too**
shaking at first & knocked down on the floor & he had the gun & she called him
dicky bird
-
He wore a striped Sailor shirt & a sailor cap
- old mutton dressed as young lamb -

Years later I hear he is called Lavatory Louis for attacking girls at his smart hotel parties
-
She
Treasa
was now crying
& I felt sorry for her
- she began to clean the lavatory bathroom up -
then telephoned Uncle Harry her brother to come & do it
-
he could not come until after work
-

but then said he

,

d try & look in lunchtime- hearing the horrible visit of a “ NO DICKY BIRD ” ...”

test a car out & come over from Thorpe, then ... old girl ... keep your pecker up ... ”

I had bruises but am taken out by our neighbour to the Recreation Ground to play - I
knew I must tell someone what had happened before

I forgot so I telephoned LEN - *Lennie, my uncle although people who do not know us think*
he is my brother ...

I am allowed to do this for everybody about us knows we have troubles from the
Lindsaybuggarhs in their GRAND - **they make trouble for lots of other people too** - & they do
not pay in shops or for petrol either

- **steal from everyone**

& are as rude as can be -

Mr Pong hides with them ...

After my phone call to `Jerusalem` ... we all then knew what had happened ...& LENNIE
WROTE IT DOWN & IN HIS DIARY - **& Sheshe & someone**
else told Harry the horrible extended Saga

-

but we are not to tell Winnie or Esther - or Granny & Grandpa

-

although Granny Gordon comes to know -

I wonder if she warned ANDRE MALRAUX

that summer 1937 ...

,

how coarse & vile are these creatures at the top of the pyramid of Great IMPERIAL Britain
& Scandinavia

...
they need a Grote Homes Education`
...

1937 Summer - I SAID NOTHING TO ANDRE & JO about the creature called " NO DICKY BIRD "
... **unaware he would know of this monster ...**

Diaries 1936 & 1937/1938/1960/1978/1979 - **This TALE has been told all over London town & the CITY**
since 1960 ...

1938 - I GO WITH AUNT MURGATROYD now childless - **she is to receive a decoration for her dead son who`**

property in Spain **British**

-
They do not seem to know that it was the Lindsaybuggarhs did this to him - or perhaps they do not care ?

... They are stealing the JOYOUS VENTURE of Thomas & Aunt Margarethe Ransom GROTE ..
.

1937 SUMMER - JIM **may have been with** the Lindsay **in that farmhouse Spain -my father**
had to burn it down when he knew t
hey had burned Aunt Murgatroyd
,

s only child alive in marmalade ...
because he would not sign the property to them
-

... this was why ANDRE & JO did not meet the Ransom family & why nothing was said - they
had gone to blood-soaked SPAIN now,
Andre & Josette having come from bloody Spain
...

1938 - I saw this Dicky Bird at the Award Giving -

He glared at me. I did not curtsy but let him think I did not remember the last year - /
looked through him ...

My father had said sadly like Harry ... `that's no dicky-bird` - when he saw the mess in our
little ancient 17th century at
the back Victorian house at the front - which we love when it is candlelit & intend make it
a Museum of Great Clacton & to the seacoast Clacton ...
when we have another house
-

it is in my name so
SHEshe
& they the Lindsaybuggarhs
cannot gamble it away
-

Nota bene : she & Mr Pong began selling off her wedding presents immediately she had married my father

...

I learned this man `no Dicky-bird` *Mountbatten* **is often drunk because** he spends until he is penniless gambling -

he pays no rent & no hotel bills ...

he gives his name loudly & sails off

-

he is the man that threatens me

1948 ...

but I had school friends round me & one girl whose father is acting my Detective for
Colonel Andre Malraux -

1946 - My father has had to go abroad saving what he can of the Estate now the Grote children are slain & IMPERIAL BIG BOOTS have taken the buildings & destroyed hundreds of miles of the lands which are Ransom & these other nations - HIGH CLASS SIN had no money before the WAR & is now getting such a taste for this blood & gore dripping money

all this is being kept from me by

Mad Mother Kali who still goes up to London parties & marble halls - when I do hear things I can do nothing -

1947/1948 - I feel I am dead - people are told not to speak upon our Wedding of Grace - /

1940s - as the War was ending the Russian Navy said " ... You British get him off the Seas -
Mountbatten (the " NO Dicky Bird ") -

or we will torpedo -

he is an insult to every good seaman at sea ... "

-

1979 - One Sunday morning newspapers had news - a bomb blows up this ugly old Centaur of
the Seas - ***He had killed a school friend when he was 14 years of age - pushed the
boy on a railway or tram line - No one is ALLOWED to tell him it is a barbaric act***

-

He is IMPERIAL divine -

1979/1980 - ***The rural Tories Oxfordshire said they were glad he was dead - I remember a
