HOME LIFE MALRAUX & RANSOM - CHRIST GEOGRAPHER

1957 **November-December** - at 50 Lancaster Gate Square,

... LONDINIUM ... & GAUL ...

Late afternoon - early evening - **across the Bayswater Road the Parks are lavender dusk with leafless trees etched charcoal-deep brown against the darkening grey mauve sky this bitterly cold end of day ...**

Greta enters the big warm house to be greeted by MALRAUX at his apartment door with writing & drawings on sheets of paper ...

I had returned that week with some old sepia postcards from the British Museum Bloomsbury...one is a drawing by Matthew PARIS of Christ Geographer ...

Georges-ANDRE MALRAUX beckons me in smiling & says

“ I have added more to him ... I have done some more ...

` A TRUE TALE OF A YOUNG MAN in the footsteps of many ... and drawing like Matthew Paris
` ... ”

Georges-ANDRE he begins, *sitting comfortably in his low armchair of browns & elephant colours*
... I like to sit on the floor leaning back on one side
of this chair...stretching my long legs arching my small feet
which have walked miles & miles about the GREAT CLASSIFYING HOUSES of
LEARNING...
or I may have been to The Old VIC Shakespeare...

MALRAUX is drawing in pencil & pens. Sometimes he makes the drawings look like
postage stamps ...

“ I wrote something like this when young - drawings - **took it to a Publisher who thought I was a millionaire.**
I took him down the
street to a BAR - told him what I thought of him ...
I THEN TORE IT UP... ”

“ Our Christian lad, early times, **with a too long forelock to begin with ... I've done some more with our young Christian**
... he is becoming your
Pedagogue ... ”

NB **Alas, CHRISTIAN LAD , *in little drawings, a cartoon series as you see in newspapers, is swept away from us XMAS 1957 but the postcards survived & were given to me 1970...***

The story comes to life 1972 when ANDRE MALRAUX tells some of the Young Pedagogue cartoon series to Victoria - **as he walks her around the Pillar House lawn ... his visits ...** Ber yl said it was a story he began to write when Greta was young ...

1957 November - “ **HE IS A CHRISTIAN YOUTH ...a bit gutless...**

a bit gullible...an early Christian youth. BUT...he will shape up. Make a good teacher...one day.

He has

began to take an interest in the world about him

...

I must shorten his forelock or he`ll look like me (Andre MALRAUX)

“ I`ll have him talk to you - he`s going to enter our lives ...

He`ll whistle a tune, a good tune ... read some wise books ...

But he` s got no fortune. ONLY an OLD MAP of a former Empire -

On a mule he will have no supper to buy...only make his way to a guest house ...” (*Monastery ?*)

“ OUT of the BLACK FOREST comes he. Grows a crop, plants & furrows... but for himself ...

Our Christian youth - given to being a bit Chinese ... I `m given to being a bit yellow, a bit Chinese in my thoughts ... Poulter
too...

We do not go into popular day-to-day culture ... ” ...

“ YOU are like HE, and ME... you go out to WALK A BOOK...to see the very sights the author did see ...IT BRINGS BACK THE EARLIER ME ”

1957 November-December - “ YOUR SMALL CORNER of the world has been invaded by HER thoughts... Look ~ I`m about to slide into an anarchy as a result of Mother Ransom`s incursions here
-

she`s an ignorant old bag of vile intentions ...

... YOU do not like my job - gangsters - politics ... **Yes, but also decent men & women ... You do not understand it**
- some engage in it to make the world a better place ...”

“ ... BUT I do not want to go on teaching all the day ... I want to go to bed afternoons ... / have to stay up all night sometimes

**...
or I am late returning from the job ...**

**IN IRELAND I will be meeting inhabitants at work - then learn what they do in spare time.
All in a day`s work for me - &
thee
I suspect ”**

“ I FIND MOTHER RANSOM MEAN...she hates all we do - she wants you slaving for SHE...and John...MY SMALL CORNER HERE has been invaded by her thugs...& a big man on hoofs ...”

“ You have not got to bring your brother John here anymore - he has no more concern for thee & me ...*than his arsehole* ! He is NOT A KINDRED SPIRIT ! ” ... MALRAUX continues his autobiography -

1946/ **“ Do you remember me in a railway carriage with a woman**

in a peasant blouse & a string bag ...she had good hair...

... That summer (1946) you disappeared July into August. **Neither Winclemann or I could find you about the town** *and we*
were told you lodged YET AGAIN with SHE ...
or with Esther ?...

... or with Win ?

... SUDDENLY you were with me in CHOIR... I had to find another girl - I was so lonely for WALKS ... ”

“ Do you remember me at the house on the corner 1937...

... where we sat under the stars into the morning...and JO...Josette ? ... I`m a good
Scout! **Get up**

early, clean my teeth & brush my shoes...as you do.

ITS ME !

Look at this photo

... now...look at me...

... **ITS ME !** YOUR OWN ANDRE ! **A little shop worn ...**

... but with a heart that is true ...

... I DO NOT GO WITH OTHER GIRLS ANYMORE ... ”

“ That bar (**1957/1959**) ... WHITES ... Not so much Valkyrie ...

as VACHAE ... shall I draw them all chained up ... going for their dinner ...? *You have
been insulted by Madeline & her CREW*

... I hear it ...” (Messalina)

“ He had dirty pictures taken of Angela when LINDSAY mob invited her 1920s to their BOLT HOLE NORFOLK & their seaside GRAND at Clacton-on-Sea. **He & his brother Earl 13 were supreme in FRAUD with violence -** & he could threaten Teresa Gordon with undisclosed crimes ”

“ 1933 - The devils **now plotted to harm you & Len, your father, & parents & all of KUDOS related to the RANSOM line, the family of Margareth RANSOM the widow Mrs Thomas Immanuel GROTE -** lawful holders of RANSOM Estate in 3 Parts JOYOUS VENTURE & the GROTE HOMES educating to 18-20 years a curriculum admired by HUMANITY **... not by a handful of DEVILS who had control of the entire apparatus of a falling EMPIRE Great Britain ... with their relatives & connections in Scandinavia ...** ”

“ TROUBLE SHOOTING begins - **murder - maiming our relatives - destroying the character of the family, of individuals who have kudos ...** YOU heir have had foul physical attacks upon you **... by your mother & her childhood friend Mr JIM whom you called Mr Pong** ... he JIM JONG had trained at the PEKIN OPERA & liked to act the part of PONG a CHINESE CLOWN

”

1935 - “ Angela & the man David are given `a secret silence decree/**a divorce**` ... he may return to his bachelor state -
& she may live her own life off duty ...
& JIM & the Earls of Lindsay are appointed her OVERSEERS ...
The children are to know them as Daddy & Mummy & there will be family meals
- she must appear alongside him at Functions official & taking meals together at Family gatherings & with friends - there is to be no announcement of separate lives ...”

`1939-1945 2nd World War came ... **leaving the weaker persons unprotected** - & this barbaric VIOLENT CRIME/GENOCIDE progressed rapidly without too much interference -
MURDER of those IN THE WAY rises to thousands of children, whole families, persons, yearly ... LINDSAY & other NOBLES & JIM spoke of this as HUNTING BIG GAME ...

1934 - “ **A cunning ploy is to have him /David/George/ DESPISE Teresa Gordon - & JIM & Lindsay family plead to him that Teresa is the cause of the FALL of ANGELA ...**
