LINCOLN -
his mother's line is 9
century A.D - HISTON is the first known name - they were fishing and Sea traders - some farming as Medieval SEA peoples of that time-

centuries at Saxmundham SUFFOLK

... The Wash edging East-Anglian coasts ... around to The Thorpes - some lands gone in sea erosion here ... Andre walked out to the very edge of the crumbling land 1937 because he had RECORDS that they lived here long ago ...

They were sometimes sailing either side the Channel, over the North Sea (Oceanus Germanicus of Rome its Republic its Empire ...) coming & going about the Dark Ages North-East Coast of Britain ...

Grote Homes Ransom Estate in 3 Parts A-Z globe - 1938 is the year of the PRESENTATION of the HEIRS in Great Britain and off-shore ... we met wonderful supportive people ... and hideous violence from the ill bred ill educated at the top of the pyramid or those clambering up ... or let out of SCOTLAND ...

... The HOMES an American Institution for Orphans A-Z the globe educating to 18/22 years & always the HOME of the former students who will return, perhaps with families, & some stay home, going on with the good work in their HOME and in the countryside, the villages and towns about ... = HUMANITAS you may call it ... the children worldwide speak 3 or 4 languages and they are travelled to other nations to the HOMES beginning when they are 12 years of age ... thus Ecuador has pen friends in China when we call 1936 & sit in the hills with ladies who knew TIGGY who gave them HOMES - did not leave them to chance

There are three reports of people seeing the three of you `Going Round The Town` Clacton-on-Sea- summer 1937 Josette-JO a young lady had learned this expression-&
you little Miss North Pole were seen always with a happy face with Jo & Andre Malraux-

sometimes you & he were put to wait under the Tree in the town centre while JOI '	'who is
a young lady" went round the town with shopping basket It was seen to be so	
different from

NOBLE FRIENDS ...

My brother Len has entries in his diary that autumn 1937 of your visits to your grandparents home 'Jerusalem' ∆ ** relating the Adventures with Andre & Jo a young lady-

the 5 weeks of Summer ...

We became SHIPS THAT PASS IN THE NIGHT

`.... We all had our Mail/post stolen - from 1937 when ANDRE appointed GUARDIAN - he accepted to Mary Gordon upon receiving a letter from Mrs Margaret Grote ... he says no address but in her handwriting it says `he will be hearing more `... he was to hear more! Copy her legal Will in secret silence forbidden to reach ANDRE by Lindsay Earls & G.B. Government & Crown-our academic Aunt called OLD ESKIMO - by all of them - I want to open your memory

1960 Colne Engaine records:

1937 July-September ...` ... Your father (FJR) others away in SPAIN that summer rescuing our Murgatroyd cousin-the Lindsay gang were claiming the Estate now they'd got Angela

in-put the boy 22 years of age in the small marmalade factory his parents retired Missionaries ran with the local community ... They killed him horribly by boiling him to death -

your poor young father

26 years of age

outside what was a happy home when we were visiting- he all on his own a Spanish night heard them pouring olive oil & lemon juice in heard the boy cry out - had no idea they were boiling him to death -

the LINDSAYS claiming us as ignorant cousins -

& their Noble British SCUM giving them a free hand to rob ... BIG CHIEF DIRTY BOOTS has been robbing us since the War ... ! "

(Kennedy family are assisting - they knew Tiggy & Margaret Grote ... Young Kennedy wrote ANGELA a letter telling her to KEEP OUT of his NATION ... this before he died in 1963 ... he had, of course, known her mad spiteful jibes when his father was American Ambassador to England ...

READER should understand that all the persons in this knew one another from 1900s onwards - especially the Roaring 20s and greedy 1930s ...1920s PARIS Clara Malraux and her brother knew ANGELA, JIM JONG who has a rich

western educated Chinese mother with an Apartment - the assortment of sponging

EARLS - LORDS

& those with a leg up on the ladder to the top of the IMPERIAL pyramid ...

there was a nice kind girl richer than anyone called Margaret Sweeting who would try educate them by having MUSEUMS kept open for her after she had taken these IMPERIAL SAVAGES for a paid day out in the delightful countryside outside PARIS at that time ... And there is the ex-jockey banned by the Jockey Club at 16 years Teresa Gordon with 3 bastard sons - her mother a Roman Catholic -

... She is my legal mother in 1932 ... ANGELA & JIM at Frinton-on-sea got thrown out of the GRAND HOTEL Xmas 1932 ... they were insisting dear Teresa their dear friend just out of Prison for them, made the MARRIAGE OF THOUSAND YEARS money and property wise, ABORT ME!

... They were crazy with greed taunting she and my young father, *born 1911,* that she, dear friend Teresa, had married AN APE and an ESKIMO ... The Manager at Frinton told her

ARE NO DUCHESS UNTIL YOU BEHAVE LIKE ONE - GET OUT!"

In their usual drunken jeering manner they did - they took Teresa Mrs Frederick John RANSOM with them -

and THEY TOOK ME with them ...!

... I present myself here, in my assembly of the vast RECORDS, my work for my RANSOM family and others,

as

the ROYAL ANGELA (former Miss Bloody Liar
) MOONLIGHT IMPERIAL DECREED ABORTION of 1932 not quite ! ...

nd World War :
Nota bene: The owl clock from Mr Jim Jong Mr Pong blew up at the bottom of the garden and made a hole similar to that of SANTORIN

I had carefully carried it down stairs to the end of the garden - it was felt by Colchester Barracks and others that my tiny hands had moved the ticking CLOCK part on a bit ... it blew up at MIDNIGHT ... the Earl of CRAWFORD LINDSAY swore on his ROYAL OATHS that JIM and his heir were abroad ...
