I TELL
JOSETTE
OF IT- SUMMER 1937-

1936 April ☐ Lennie & Greta Ransom stayed there after our horrendous attack & escape in March on my 3rd birthday- in Mexico - Len Flyer 15 years old drove 2 days- we fell at feet of Mrs *Albeqerge* near Monterey *she a Saint in disguise...Records/diaries* ☐ (*Grote heir recognised 1988- thank you everyone for kindness-*)

JEAN is recovering in New York Hospital March-April 1936- & the staff were determined T O HAVE HER LEAVE DANCING AGAIN after the terrible attack on she & Greta who stout child recovered miraculously in 5 days.☐☐ JEAN she did dance again grand-daughter of JAMES WEDDELL the Antarctica SEA-daughter of his eldest son James married *MINERVA* Song writer “*Evensongs*” ☐ (*a book for piano organ went into several editions 1880s onwards*) she is *Olivea Hesketh Wyoming USA-next door to a Shakers Community-*

Their two daughters are first cousins to the very many offspring of their father’s younger brother John Weddell who married when very young & when his wife died took a second wife & had more children-Cousin Clarke Gable line of John has just made a film 1936 called “SAN FRANCISCO”

& Greta Ransom carried Cousin Clarke’s oil-drums to his car for the journey back to USA-he approved the strong heir ! We meet the WEDDELL CLAN of 72 persons 1935/36 - Records/diaries/photos...

1935 October we have fled Gross Brit in our seaplanes to our Island Jacopsholmen West Greenland for the attacks on Greta & all of the families have become so very savage-gang rape on a 2 year old by Lindsay-buggarhs claiming ☐ “the child was a deaf-dumb-Ape & Eskimo offspring & could be ‘a changeling-from the Devil ’”-

Nota Bene☐☐ *Late 19th century-early 20th - Angela & others have parents who go in for witchcraft Scotland’s harsh winters* - when they have no *dou gh* to go abroad- (*ref. Macbeth-Will Shakespeare !*)

1957 Mr *Mengele* Harrington I hear was penetrating the last of the Saint Michael witch cults in France in the 1940s-50s-

November- a phrase he had, especially at midnight “I AM SAINT MICHAEL FALLING & FALLEN - you-you-YOU get WHICH ONE YOU DESERVE ...” - Wa
king to this one midnight he with a key to my room in this Catholic Hostel Workplace-known to
ANDRE MALRAUX
as
`my London HOME`
I asked
Mengele
`was that in the play-did you have a good supper ?` The brute of the dead fish eyes said he had a good supper & lots of champagne & he
VANISHED
down the great stairs of 50 Lancaster Gate Square London-
to harm others you can be sure...

1957 October - man called Macmillan -*banned from Greece for LIFE in 1934 by the ATHENS Parliament for trying to steal Art Works from the GROTE HOME on the little island -he masquerading as an American representative from GROTE Brokers New York -art works taken off him-*

He has reportedly said October 1957 “he wants ANDRE MALRAUX & GRETA RANSOM killed” This was foiled December by MI5 & 6 working away all one Friday evening to midnight-
Report given July 1969 PJPW & GRW & others-
(
Information about Whitehall)

Scary perhaps when the criminally insane are in charge of a Nation & that Nation is DECLINING from ITS FALL-

This Retired Noble MacMillan got hold of our RANSOM Estate Grote Homes etc.
Uruguay-he kept 2 young women with a child each by him- *Mengele said he would kill them when MacMillan died-*

He is a ruthless dope user-

I may often be alone at weekends in this huge house- Malraux with his General busy defending GAUL-

General de Gaulle is to be kept in ignorance also-

She added that she & her husband

1957 November ANDRE MALRAUX found out the truth- MALRAUX now hit *Mengele* -threw him out !

George-Andre

said to Greta

`He goes mad` -I have followed him in Paris-he has a den- down a sloping stinking alley where he takes drugs & goes mad in his cellar he rents-sometimes he takes another-I have chased him there-

he slams the door...`

This explains why Andre jabbed

Mengele

with a needle of something & shut him in the cupboard-then hauled him across to the Kensington Gardens & threw him down...

Mengele

now took all his clothes off & got taken away by Police...

He pleaded he was testing drugs as he was a Doctor...

1957 December ` Miss X -she said she saw John Gordon Ransom's mother put it round her daughter's foot in the dark-

John's mother had come uninvited to the evening- Kent- she Miss X was having some friends ex-students London Polytechnic- John's mother came with a tough looking man who had a Van & the rope was attached to the back-t hey swung out of the Pub & drove off at a tremendous speed-scaring people in the dark- But Miss 'X' had been in the Pub much earlier telling the Hosts the time her friends were coming & arranging for things to

eat they might like to order-they would be paying themselves- **SHE NOTICED THIS BIG ROUGH LOOKING MAN SITTING HUNCHED UP AT THE BAR-DRINKING- he looked about 50 & kept his heavy coat & flat cap on**

-

he was still drinking

when John's mother appeared & sat beside him

-they both had more drinks

-

THE MAN WAS NOT A REGULAR IN THIS SMALL HAMLET-

1957-the end of the month of December- Miss X `SHE HAD JUST TAKEN THE ROPE OFF-FROM AROUND GRETA's ANKLE

where she saw her

mother

a minute or so ago stoop to lift Greta's foot into it.

Her mother then hurried into the Van & the man came out to get in the driving seat

-

Greta had said NOTHING about Andre Malraux-

`Greta was given this invitation by John Ransom & his friend Ronnie Magowan son of Charles Magowan- Ron an ex-Poly students as she-photography-& it was in order for Greta to be present...

Greta seemed a little slow that evening & perhaps was not well- **she watched Greta & her mother**

- John's mother had

taken Greta outside & was doing something at her ankle-

Miss X saw from a distance what it was -

`SHE Miss X went into shock- she called on the 'old village Bobbie' not too soon after- but he was not in the Police Station-

Greta was put on a bus back to Lancaster Gate Square□ French Legation it was called- R

on Magowan knew it was ANDRE MALRAUX'S place

-

he knew Mrs Ransom & John wanted Greta out of there-
(money is offered-several thousand pounds)-

Miss X- **She gave Greta instructions written down how to get back- Greta said she would rather go back by bus if possible - Greta said she could not afford a taxi at all- & would prefer a ride with other people on a bus-she was a little weak she felt but a ride on a bus with others would be relaxing-they always chatted or commented on the newspapers...**

Greta's mother- John's mother & the man had left -
& did not drive back again- she Miss X looked for them returning-
she was shocked

-

Greta did not seem to know the escape she had just had -
If she Miss X had known about Andre Malraux at the time then she, Miss X ,
would have insisted he be told !

Earlier Greta did not know how she was to get back - **she did not remember how she had come-**

Miss X said her home was a long way out of Central London-

“....John & Ron went off & left Greta when the evening was finishing- it was about 10 pm when the group of her friends began to go home ...” **(I noticed a glaze in Ron's eyes-& my real brother JGR was not nice-offhand- `you got here...` Teresa has had to drag him back to the flat 57 Oxford Crescent Clacton & GET HIM OFF HEROIN this winter...-he has been drinking with JIM & his bastard brother Ed tin-can... Greta Ransom with 2 birth certificates...legal-)**

1958 February - she Miss X was not happy with explanations from John of how his mother had had her life ruined by Greta- by then she had learned something of their lives during & before the War...there was a big inheritance overseas- Greta did not have to be poor- John was supported by his mother who had a substantial income coming in if she could attend so many functions ...& why the insistence that there should be no photographic records....?....”

(Another person that night tried tell me- Greta Ransom- what I had been saved from- I remember Hilary-but my mind could not consider anything too well-it was a familiar state since a child- I have a photo taken of she & John when she is asking him about this attempt at murder February 1958 Clacton-on-Sea in Clive's house... *I took*

the photograph

...but had no memory of what had happened... A person not there that evening had learned some matters...he spoke-

That evening Christmas Tide 1957-1958 I felt frightened at being dumped out in the Thames countryside... & John & Ronnie not telling me how I should go back- then Ron *may*

have said something about a taxi...I asked Hilary & another person-Hilary got instructions written down...I thought it best to take a BUS- BUSES back to 50 Lancaster Gate Square-I felt silly a pauper at not being able to afford the taxi fare...I had had those silver tunnels of light in my brain & knew I had been in a world where I was trying to **GET INSIDE MY BODY**

- clearly I was either ILL or somebody had before I left Lancaster Gate given me something nasty in a cup ! It did not enter my head it could have come from here during the evening-I only had one drink of whatever the others were having-a long golden beer cool frothy... I was frightened of getting on a train- buses seemed safer-a Conductor on duty- I could tell him if I was followed-& other passengers would help...

There had been 3 abductions of me November- I was saved from one by the Catholic young Staff forcing the truth out of a man Hampstead-& they collected me 7.30am the next morning-

it was D

They don't seem to have known that
r Mengele Harrington

arranged it & was coming to get me for DEATH...

then he will be given a Peerage & can go about calling himself COUNT offshore- as *Lindsaybuggarh*
