

1938 Summer my father FJR learned GROTE BROKERS had since Xmas 1933 sent to him  
A DUPLICATE ALL DOCUMENTS THEY SENT HIS FATHER... All the Estate  
now faced with an EMERGENCY...

THE THEFT OF THIS POST/mail by Earls of Lindsay & sent to the back of Buckingham  
Palace in their names & that of ANGELA for the CROWN had them with  
information on the great Ransom-Grote JOYOUS VENTURE of Philanthropy that had  
them the noble PENNILESS quite  
CRAZY G R E E D Y criminally insane  
1930s  
grasping at parts of it using their diplomatic force where they could...

This was how the attacks on our property world wide were taking place...the attacks on  
the GROTE HOMES & the individual children especially when a proportion had gone into  
higher education from 18 years of age...  
to HELP THEIR NATIONS  
which were outside the Gross Britain EMPIRE... IT WAS A MOST HORRIBLE ILLEGAL  
THEFT from XMAS  
1933  
& IT HAD BEGUN THE SLAYING OF THE GROTE CHILDREN & the staff...the tenants of  
our properties...the settlements on the lands A to Z the globe  
...(Later called a genocide Grote-Ransom-Weddell-Gronlander)

THE INTENTION OF GROSS BRITAIN NOBLES & begun 1934 onwards (many in  
*Government*) wa  
s to move in & cut forests- take minerals by cheap labour & humiliation of these small  
nations....NOBLE BRITAIN PENNILESS was getting its paws on Grote Ransom Weddell

sticking its SNOUTS  
in our Post/mail
