1933 June-REPORT TO ANDRE MALRAUX December 1959 by Miss Teresa Terry Butler Thorpe-le-Soken, Essex...

The 3 Catholic girls Gordon & Butler DECIDED THE YOUNG FATHER Frederick J. RANSOM WAS NOT TO BE TOLD- there was sufficient harassment from a woman called Angela & her men friends - particularly a little half Chinese man JIM who had been a nuisance since the Great War to her Aunt Mary Gordon -1 she was the eldest niece & Aunt Mary was more like a sister to her after they had lost their mother Julia Aunt Mary's sister

• • • •

She Miss Butler the elder sister was not told what her two holy sisters & cousin Miss Winnie were handling Scotland-00 When she knew she had collected all she could in sorrow-CLEARLY THEY WERE AT PAINS TO SEE MARY GORDON did not know what her daughter TERESA & her wild friends were up to with the new baby Greta Ransom-0 Miss Butler said that she felt one day perhaps it could become a novel- or it could be of use explaining the century-

she had written to

ANDRE MALRAUX

-two letters-a postcard perhaps two near 20 years ago-1937/9 when she heard he was Guardian to her niece... but did not receive any reply` She signed herself T. Butler-

The family of her dead mother Julia Williams Butler also had a problem at the time of the intrigues & bitterness at the Gordon families of JIM & Angela ...this was with the Montagu e family-

concerning a sexual attack when a girl of just 12 years was sent by the Catholic Mission for Convalescence. It was the Catholic Priest who got an admittance of these crimes going on for some years against the young & often poor sent for Convalescence-children under 12 years of age-

The culprit was 19 or so when they caught him/

OR when 2 years of the crimes had been underway...

Then her mother Julia Williams Butler died suddenly. A man came to the door of the house in Salford & she had to speak to him & it was after dark- she died- She Miss Butler kept quiet about the death of her mother because of her brother JOHN BUTLER eldest child of the family- an educated man &

his family-their jobs would not be safe if they took any action against *Catholic*

Montague family

But the Priest got a Confession- an INTENTION was secured that they the father's family MONTAGUE were to bring up THIS illegitimate child in their own family -1 they put it to a distant branch-& saw it was neutered-

The girl a young Catholic was only 12 years and it had stunted her life- & the loss of her mother from a knock at night on the door !.... She Miss Teresa Butler was alarmed when a marriage was made between Lindsay & Montague families 1953-...

There was too much power & too little Catholicism up there

-`
 And MALRAUX & Greta Ransom heir parted-the marriage said to have folded up...

1960 January WHEN THE BURGERMEISTER OF PARIS comes to take NIGHTWATCH with Greta Ransom his HEIR Ward dis covered 17 December 1959 he also has this knowledge from Miss Butler `THE NEAR MURDER OF THE HEIR Grote Homes Ransom Estate summer 1933 ...Read what he said/earlier pages...he had to be reeling in shock that Night Watch... `STARS...look at them...THEY HAVE KNOWN ALL THIS TIME ...` (The TWISTERS & SNAKE PATCHES of G.B. Government Lords & Crown

& Whitehall)

1960 January ... I the victim G.R. of several nasty attacks 1957-1959 could not follow the ...& it is doubtful MALRAUX spoke to me *Greetha* upon all scenario this.... he had NOW TOO MUCH SHOCK OVER THE DEATH OF JOSETTE ... she had died 1944 because of these NOBLE THUGS stealing his Post/mail...& persecuting ever afterwards...also GENERAL DE GAULLE is now involved...lt is not until 1961 with the NOBLE TWISTERS taking off them the building 50 Lancaster Gate Square after the killing of Malraux & Jo's boys that the horror begins to mount even more & more ... THEY ARE ALSO PERHAPS THE ONLY TWO HONEST MEN in politics-& no longer in vouth... THEY MALRAUX & de GAULLE HAVE BOTH BEEN HORRIBLY DECEIVED BY BRITISH NOBLE SCUM... twisters-snakes-slithery things-crocodile jaws of WHITEHALL Houses of Perversions- & the Parliament of Frogs in some respects-

or perhaps the last are just sleepy from the wine deep seas-

(Our thanks to the honourable Chinese Legation/Embassy in Scarlet Town 1950s who took some care of their MAN OF LETTERS who gave them `STORM IN SHANGHAI`/LA Condition humaine)

1968 a rare happening-a Catholic Divorce granted Lindsay no 15 Earl-the metal spade wheeler who used to attack Greta Ransom on the Clacton beach screeching `my father says that's my money you ape-give it to me-~

Misunderstanding the 12/13 years old brute I bought him a best ice cream for 6 pence one occasion-he looked so pleased-

then gazed into space where his HELL may have been & threw it down and did a War Dance on it-

I told him off-

well & truly OFF

-from the top of the Seawall- after I had run like the INCA up the slope-I

`I could have given it to a poor person-you naughty nasty boy`

And departed with great dignity

He has said that he has to `TRAIN FOR MY ROLE IN LIFE WITH THIS STUFF UP MY NOSE SOME HOURS OF THE DAY...` Its Divinorum Salvia Scotland ...pellets hitting his brain in 2 seconds-JIM Mr Pong is a frequent visitor to his family Places & hovels- & goes about with his father Earl 14 ~ 2 evil little jack-in-boxes ~

Miss Teresa Butler `Aunt Terry` said she had seen her niece *Greetah* as *Juliet* in this tragedy - (Notebook of Arthur Malone/ *Politan* 1960)

Arthur Malone/notebook/Miss Teresa Butler December 1959/

1948 the 'Early marriage allowed by the Vatican' to the widower ANDRE MALRAUX-GUARDIAN TO THE PROPERTIEShad failed she was told - She did not trust certain peopleher cousin Teresa *Greta's mother*-& Teresa's TRUE BLUE MEN- She Teresa Butler was not invited to this little Service of Marriage Catholic Church 1947 by her cousin Miss Winnie Gordon who with her 2 younger sisters both Miss Butlers' had taken it upon themselves to STOP the Police at

Arran & elsewhere proceeding with a CASE against the culprits who had burned paintings robbed Mrs Grote's Arran home

& buried the child alive under the doorstep boards with a purple halter a running noose round its 4 months old neck

-the child the heir at 2 weeks to all her Aunt Ransom`s properties...

Her cousin & 2 sisters said they were nervous of the Earl LINDSAY (12) who insisted it would do HIS FAMILY NO GOOD TO HAVE THIS MATTER COME OUT IN THE NEWSPAPERS - 1933 summer...

(It was in the newspapers how this Earl No 12 & brother had put the heir age 12 years down a Maritime hole in the Sea & tried claim the massive Insurance on this boy's life-he had been kept at home-not sent to school...a 2 page spread was kept by many East Anglian persons-c 1910-)

1959 December / D `Miss Butler did not like the criminally insane Lindsay clan/gang claiming her niece Greta as their property- when the Aunt Margaret Ransom Grote had made Greta HEIR TO ALL SHE HAD when Greta was 2 weeks old-March 1933

1960 **January**/ Arthur Malone `YOU HAVE BEEN BORN ON A HEARSE- trouble is you keep getting off...`

Aunt Terry now learned 17 Dec 1959 from Andre Malraux that on his visit to him November

1957 he too was told by `young Paccelli` (**Pope Pius 12)** he had NEVER cancelled the marriage to Mary Gordon's grand-daughter-but put it ON HOLD

he knew of the violence dealt the GROTE HOMES RANSOM Estate by the G. B. Government & Crown from late 1920s -& that not a Nazi or a German would harm Grote Homes

that H. Goering had got permission to speak about the deaths & the danger to the children at the Nuremburg Trials

A person of Gross Britain

was present to see no such statement of the slaying of the children by G. B. penniless nobles was made-

This was a careful Planned crime by Gross Britain NOBLES of the Imperial Fist Empiresome help from greedy Scandinavia-it had required use of the nation's institutions/armed forces-Navy- to accomplish- it was an agreed PLAN winter 1939-

Teresa Butler/ `The: 'Early Marriage' was allowed- BECAUSE OF THE INHERITANCE FROM THE OLD LADY MARGARET RANSOM-

who had left Greta Ransom ALL & to Lennie her heir & co-heir should Greta not survive childhood - It was known what great friends they were & as children worked together taking care of the people & lands- he already training to head TRANSPORT for Grote Brokers- it was a family piece of philanthropy & even Hollywood cousins helped- a film was being made 1936 but Greta was kidnapped back by LINDSAYS & Crown-I Grote brokers & Margaret Ransom Grote knew the Ransom families & kin-kith were able to see the Orphanages were not destroyed by Great Britain- & the seashores trashed as

G.B. Nobles had done to so many small nations when they got a leg upNoble Britain had been attacking the Orphanages about the globe from 1929...cashing cheques in cheeky fashion-AND MOUTHING THEY WERE GOING TO CLOSE THEM...unfair to British Trade...& other lies & ignorant nonsense...

Miss Teresa *Terry* Butler had expected an answer from ANDRE MALRAUX - she Miss Butler- her family in Manchester- of sufficient standing to receive recognition if only as good Catholics-

Her family had been involved in the Town's progress & a cousin had been Mayor of Manchester. Her mother's sisters her Aunts BESSIE & ANNIE WILLIAMS HAD SPOKEN SO HIGHLY, VERY HIGHLY OF ANDRE MALRAUX since 1937/1945 onwards-

MALRAUX to WHITEHEAD 1970... "I REGARD MY AUNTS ANNIE & BESSIE AS MY INTELLECTUAL EQUALS, Peter...do not listen to Teresa...she is insane...as her noble acquaintances..."

1947 April Miss Terry Butler - She was surprised NOT to get an invitation to the `early wedding` 17

April 1947 or have invitations to some of the Manchester families- or the Irish familieswith 3 baronetcies - All would have been happy to come-` & WOULD HAVE SPOKEN UPON THE ESTATE,

THE HEIRS,

THE GUARDIANSHIP THAT ANDRE MALRAUX HAD TAKEN ON October 1937 -

It was deliberate, not sending Invitations to the many branches of the family North & Ireland who knew-[] Then she had heard that the Party of Fred Ransom Greta's father was cancelled the night before they were due to come- he to give Greta away in the Service-[] There would be so much to speak upon about the miracle Estate-Homes-All the family knew that `young Paccelli` had been in correspondence about it to Mary Gordon her Aunt from the 1930s- a plan was sketched to get Greta away from the VIOLENCE from

Noble

Britain directed at her all her school-days-

She Miss Butler had learned that the elder brother of her cousin Win had been given a Settlement in Australia-it was for all of them to go and live there if they wished- it was given to the Gordon family-but he had no idea...poor Alfred Richard Gordon-who had been protected after a vile attempt was made to destroy him as a person but blaming him for a nasty crime- JIM & the others were the culprits here- He had been got to Australia with help of good people-

Already JIM & Angela's men were insane on dope- playing spiteful games `Sunday games` they selled them, they turned the Church of the merping unside down, bullying rephing

called them- they turned the Church of the morning upside down -bullying-robbing-& this happening before her cousin Teresa made the marriage to young Fred RANSOM-

The true blues- had begun PLANS to topple the Estate & in silence to take all of it- divide it between themselves- pay the massive debts Nobles & Crown- often from gambling-

It would prop Great Britain up now its Empire was falling down... Gross Britain could dominate Trade- destroy the overseas lands- nature- happy communities- schools & Welfare- destroy everything intelligent- & keep themselves as Rulers of the globe in some manner-

the Empire for them on a drunken stagger to its knees... they mug-alleys...` MISS TERRY BUTLER told Arthur Malone & then ANDRE MALRAUX whom the Detective-Law got over within hours to Thorpe-le-Soken Essex- THE MATTER OF THE YEARS OF VIOLENCE AGAINST GRETA & ANDRE WAS NOW EASILY S O L V E D-AN HEIR ARISEN-he Guardian

This was the 17th December 1959-

IT WAS CLEAR NOW- THE GUARDIAN WAS NOT TO KNOW WHAT HE WAS GUARDIAN TO...other than her cousin Miss Winifred calling him Greta's Guardian Angel from summer 1945 ...& at the rehearsal with Greta for the wedding in the church 2 days before...evening 15 th April 6.30pm...

1944 *Greetha* had had restored a little of her memory of the work ahead for her family by a school teacher reminding her- Armstrong geographer of Cambridge University- but she was reported with bad memory lapse often by school teachers- & unable to follow speech & looking dazed from not enough sleep at night-her mother said this....

1945 JUNE

Miss Gordon told

Colonel WIDOWER Andre MALRAUX

"Greta could not learn at school because of the Games of Imagination she played in the REC- Miss Gordon had been told it would be better GRETA did not remember these games - she had been told this by a Doctor¹ "

(not Mengele ! Clearly this was some monster come with du Cann-or sent by Lindsaybuggarhs...who often took old family members memories away to grab at the Trust Funds etc. all the 19 th century ! Information Millie Frobisher's mother-a Miss Lindsay-et al) 1959 December- Miss Teresa Butler -her branch of the family had no wedding invitations & this was a little distressing- Afterwards 1947 end of April she heard it was very much A WEDDING OF GRACE from her aunts Annie & Bessie Williams spinsters like herself (*'we are not pretty'*) -When there were *notifications* it had failed her mother's cousin Sir John O'Brien was asked over to Rome to see The Vatican -! The marriage was dissolved/ *put on hold* because of the girl's age

& the Widower had taken up work for his Nation with General de Gaulle...

She had been told it had been DISSOLVED... A bewildered Greta 1948 summer had told her as they waited for buses - `Oh he has married his sister-Number 18 the Prayer Book FORBID

Auntie Julie banged the kitchen table & said

`Bloody Dissolution of the Monasteries Win- this sort of thing does not happen in our families !`

1948 summer...that meeting with *Greetha*...She Miss Terry Butler felt that Greta had NO MEMORY AT ALL OF THE WEDDING- A YEAR AGO-so she spoke to her gently...trying to encourage response...

Yes I *Greetha* Ransom can see this meeting 1948 evening buses & I come from Charles Magowan his Photographic studio & workshops- I am used to not having a memory-& I rely on people awakening it-but I AM A PAUPER & I HAVE NO EDUCATION & Old Mother Ransom keeps on reminding me thus saying `MY SONS SONS SONS are CLEVER-not you -you bloody bitch...I have had terrible attacks from her the last few months-an attempt to mark my face with boiling water....Its at Clacton bus station where I meet Aunt Terry-I but Mad Clytemnestra old Mother Ransom does not like me speaking with anyone- and she hates Aunt Terry- whom I like but have not really seen since Xmas see Diary XMAS every year of G.R.'s life 1933-1968...she begins `I am your butch aunt-not pretty like Esther & Kitty...so I try to keep my brain active...do good deeds...like my holy sisters...` I feel as if I am in a dusty jam jar in a larder high on a shelf...I look out on life...I am slow...

Arthur Malone notebooks/ `She Miss Butler heard how she Greetha was painting a room in this small flat for her mother Teresa Gordon Ransom- how

she wanted it blue...she said a blue room gave you `the blues`...

She again enquired how to speak with ANDRE MALRAUX ?

But it did not lead her to put another letter in the Post just then- she tried to make a telephone call...Then she sent another postcard-

she used a family name but not her own

as GUARDIAN he should have known it & replied in some manner very swiftly -

The VATICAN representatives had spoken at Rome airport 10 minutes with the mother of Greta & had her returned to Great Britain-they heard her & did not wish to take her out of the Airport... they were well aware whose friend she was...Angela & JIM...Lindsay Earls Terry Butler to Malone & Malraux Dec 1959)

....`I The mother Teresa Gordon Ransom was demanding moneys from the father & now from Andre Malraux- she was felt to be badly unjust & unstable & they were told she was to be put in a psychiatric hospital her sister Winifred Gordon had the authority to do this-

The career of ANDRE MALRAUX & General de Gaulle's position were taken into consideration & they would talk perhaps with the General... the Estate was vast worldwide & in Catholic nations-SLAIN GROTE CHILDREN was only discussed by the few-(possible it was only known to the few in Vatican circles ?)` 1948 **Miss Teresa Mary Butler**- `She had been assured the Roman Catholic marriage was not dissolved at this time...

ANDRE MALRAUX 17th December 1959 assures her it has NOT-

He discovered this talking to 'Paccelli' Pope PIUS 12 early November 1957 when he went to ask if he could take the marriage up-even though he had made a Registry Office marriage to his sister-in-law March 1948-

they lived their separate lives from 1951 when he was given some shocks by her friends-fiends-

ANDRE MALRAUX RELATES HOW 1947 July to September HE WAS DECEIVED BY TERESA GORDON & NURSE MRS CONNIE NAPPER-D Teresa Gordon whom he'd met in 1924-

he felt now she Teresa was insane with jealousy at the time of the marriage-D He had her Teresa squatting on he &

Greetah

in his London home the last 3 years- October 1957- February 1959-00 In January 1959 he hit her on the jaw & threw her in the doorway next to the Kent Hotel Lancaster Gate square-

she had threatened them at 1 am with a knife & a bowler hat with lighted candles on her head-

(Nota Bene 11 Mengele & JIM & Lindsay gang do the same tricks- it is the DOPES- but they all will kill 11 The head gear was from a Party shop down the Mile End Road)

Malraux continues ` & Teresa was insulting him threatening his Job- his entry into

General de Gaulle's Government-The blackmail of she- Teresa & her friend Jim- WHITES Club- had often been joking- slythreatening verbal abuse about the *nature* of his marriage to Greta ! (Mengele is in on this ! - its not the first time Andre had to knock her out- he has also done it to Mengele they are HIGH on dopes-)

Now he knew it was much-so much more-

` GUARDIANSHIP TO THIS THE MOST POWERFUL ESTATE OF PHILANTHROPY IN THE WORLD - I I HAD TO BE KEPT FROM HIM & GENERAL DE GAULLE & FRANCE... ` DECEIT HAD ENABLED NOBLE BRITAIN & SCANDINAVIA TO ALL DRAW VAST MONEYS FROM THIS ESTATE...DEMOLISHING THE HELP to SMALL NATIONS

(Noble Britain-who all on THE PIN -pellets of *Divinorum Salvia Scotland* up their snouts planned and carried out the slaying of the GROTE CHILDREN -to get themselves lands-moneys- then used the Nation to cover it up-claiming their divinity-their nobility had aided British TRADE ! Records/documents/[]) ANDRE MALRAUX heard January 1960 some of the evidence of the slaying of the GROTE HOMES CHILDREN- swiftly documents-post-letters/papers delivered or left for him to 50 Lancaster Gate Square or to his PARIS home were stolen ! T he first horrific information is from his Grote Ransom Estate visitors- then he had to hide for his life- & they were immediately under Gross Britain special gaseous thug groups Intelligencedeath followed for many trying to help-

ANDRE MALRAUX

must carry on his job as CULTURAL MINISTER FRANCE-

1960 British true-blue establishment were with arrogance demanding that MALRAUX NOT APPEAR at any events where FIGURES FROM A MORGUE OF VIOLENCE WITH IMPERIAL FISTS enter upon the world's stage - his life was threatened... Arthur Malone reports

Andre

had his head as with all of us, swimming with this information-AN HEIR NOW TAKES SHAPE

an explanation to the horrible attacks on us all- in Lancaster Gate Square Andre's London home in Scarlet Town`

When MISS Teresa BUTLER heard the MARRIAGE WAS BEING DISSOLVED she felt it was done by her cousin Teresa Gordon & her chum *Angela*- both had chirpy little JIM about them since they were children- & their MEN-those true blues

- I then she'd heard the Marriage was laid aside- she learned some more over the first years-

the true blues - THEY WERE AFTER THE OLD LADY MARGARETHE RANSOM her lands
 & HER MONEYS- her husband had Orphanages all over the world- the children murdered
 in the War- the British said later the Nations rose up and slew them- but it was not true-

Miss Butler said she was frightened when she learned how many children up to 18 YEARS had been murdered- near a million- in every nation- the small nations- the Islands- the Pacific- they had no chance-RN ships were able to sail in-anchor-thugs went ashore-special duties-`....WHEN YOU SAW IN THE NEWSPAPERS THE MEN HER COUSIN HAD KNOWN WHEN SHE WAS YOUNGyou could not

expect anyone to stand up to them- the woman they called Angela- the way they assumed power

She Miss Butler began to LAY PAPERS ASIDE- collect things- it was distressing to a Catholic-perhaps they would be needed one dayShe could write something- Neither she or her Manchester families had a letter from ANDRE MAL BAUX-

no telephone call-there were messages of a sort she heard of- from a department- an Embassy

perhaps the blame was being laid on the early marriage-She had to leave it to the men in the family who had the better education...but it had made her quite ill...

Her cousin Teresa was 12-13 years 1920 when she & these true-blues burned the Murphy household down Ireland- little Brian age 6 years was dropped out of a window- nobody else survived- The Irish Police were horrified & knew it was not the work of Teresa Gordon a niece on her own- they

d all been AT THE RACES- & WERE COINLESS-& on the pin ` (Murphy have 2 baronetcies & lose all males-wartime/ as O'Brien wartime... they appear in Debretts 1953-) MISS TERESA BUTLER - 17^{th/}December & 18th- 19th December 1959- Thorpe-le-Soken Re port- Arthur Malone/Philip Silverlee/Patrick MacDrew/ ANDRE MALRAUX

she speaks to me G.R. on 16 & 17 Dec 1959 but I thought she was writing a novel & distressed although some things were from long ago...I had no memory of Margarethe...I got frightened at talk of Malraux...my head swam with misery & fear...

SUNDAY GAMES ... I had been at 50 Lancaster Gate Square two winters 1957/59 with AN DRE MALRAUX coming & going from GAUL-

but had little memory-I had been physically attacked-I could see him & an hour later have no memory-I

Nota bene:

Mengele

now had aerosols with memory remove- as well as his case of needles-pins needles in his pockets-dope put in my beverages-my lemon squash-my toothpaste-shampoo & face creams-

ANDRE

was fooled about his sore mouth- & told he had to have all his teeth out-

it was the

Mengele

-his blonde Nurse-Teresa-

JIM

at their old Sunday Games of the Roaring 20s-dirty 1930s....

I was embarrassed at my mother mouthing rudeness at Andre Malraux & squatting in my room

at this Holy House as it should be- Brown rnvr was told to tell me it was a common boarding house-demanded my rent in excess too-

I threatened them all with Paddington Rent Tribunal !

The V & A Museum helped me...

I come from Colchester Museum & the Curators are well known...

1957 October - Doc Mengele paedophile royal Gollum Satrap Harrington had made it

plain I WAS A PAUPER- OF NO USE TO MALRAUX **EXCEPT AS A FOOL !** As this French -Roman Catholic hovel has taken 4 months rent off me for one month- I have to stay - but if I knew all the relatives I do not know exist - I then we could enter **OUR OWN DOOR A-Z the globe** ... & I could have told the abused ANDRE MALRAUX the position & direct him to putting these monsters on chains-I building our two Universities the moneys for which they have displayed upon their carcases & in debauch-I THE MURDEROUS GAME THESE OLD **Top PIN** monsters play is KEEP MALRAUX & RANSOM apart so they control & ruin the globe from Scarlet Town -

1957 November - Sheshe Old Mother Ransom/Clytemnestra/Mad mother Kali had hissed "YOU FOOL- Tom says I- I- II should marry him! II KNOW about that sort of life-me me me...YOU- YOU- YOU ARE NOBODY! II am told by MY- MY- MY- kind to keep YOU- YOU -YOU away from that OLD FOSSIL -THAT OLD MAN" !I Meaning Andre Malraux-

I cannot keep her away from me^[] & she is frightening with JIM WHITES Vice CLUB he
^[] GIVES HER DOPE

also threatening me -& spoof Doc *Mengele* Harrington with whom she goes expensive restaurants with TANGO- She appears pulling at my sleeve in the street 1957 October early November- `Hey- where are we WE going- SHOPPING ? YOU you get as much as you can -YOU ARE NOT GOING TO LAST-You can get me a refrigerator- & any other things I need for my flat- send it all down on the TRAIN- the shops will see to it- GET WHAT YOU CAN- now-HE HAS LOTS OF WOMEN

(she is talking about Andre Malraux)-

1957 November - I Greta Ransom replied `No- I do not do that sort of thing- I am going to my studies-Museums (if I had known more I could have shouted `I DO NOT BEHAVE LIKE YOUR BUNCH OF OLD PROSTITUTES OF NOBLE BRITAIN- but at 24 years of age I am crushed by being left with her for 9 years...)....

I do not know the man in the Glenn Miller raincoat very well but he makes my legs go weak when I look at him- he is not always here- he goes to Gaul- I am having a few weeks study while my rent is paid here to CATCH UP-II I had to leave school to help her when I was 14 years of age- I went to work at Magowan photographers because she needed me to keep myself & clean & tidy her 2 room flat-now I am going to catch up...`

She hit the air about the Square with her big shape & presence-

a cold wintery scene, last leaves falling- "YOU-what are you YOU living on then-III want to know-IDEMAND TO KNOW-WHO IS KEEPING YOU HEY-You bloody pauper ~[] III have had my life RUINED because of you-you & your bloody father- sits in the gutter drinking beer & meths (She & Angela drink brandy for their health by the bucketfuls) -I am told by the Police-[] GOD OH GOD- ..."

how I have suffered having to have you you YOU-you bloody bitch

(All because I will not behave like her noble true blue Imperial chums the prostitutes & big shoppers !)

She's a big woman- with a big bag full of heavy things- a small axe- to defend herself- a bottle of brandy- masses of newspapers for her backing of horses- THE CROWN & the Earls of Lindsay 1945 have agreed she have (5000) five-thousand pounds credit with 3 bookies-she may telephone or write- this is her yearly allowance-but from time to time orders are given by some Noble thug or other that she only have a portion of her winnings- they are giving it to her bastard Ed du Cann- Now and then they invite her to this or that- & call her `a Racing Queen`...

As a young person in the 1950s/1960s I would feel sorry for her- but she is dangerous because of these IMPERIAL MONSTERS that have killed the Grote Homes Children to get at the DOUGH...I do not have a memory day to day-sometimes not for 2 minutes -

SHE & Angela & JIM went to the silent cinema- they have collected the mannerisms of the villains-they all sat drinking liquor with a pellet of *Divinorum Salvia Scotland* UP THEIR SNOUTS-which also makes the cartilage dissolveso they are ugly & look like Vampires

1957 November - already very cold some frost perhaps in the Parks- mists in the
mornings & at dusk-shaking at her anger I look for a bus- dash to it-
too dangerous for me to go across the Park to South Kensington-
LIFE GOT WORSE IN NOVEMBER

tracts of it are in records/tapes/etc CD/ & the observations of others-0 & ANDRE MALRAUX -0 But we got to Church on time 7 th

"ANDRE MALRAUX should have been a major writer but they never leave him alone." ... said a kindly person commenting on both his households infested by *Mengele* & JIM et al...

1957 Autumn-spring1959- My mother & Mengele drinking at WHITES CLUB some
mornings with dirtyJIM- he put 3
ex-Kenya Army thugs to take turns following Greta Ransom about London town-

WHITES is quite a sluttery at this ladies time- Clara Malraux 1st Registry wife of Andre Malraux she caught him when he was 19 years old) goes in & also her brother Maurice-the-Mouse who sussed out RANSOM 19 acres under New York 1948 helping destroy Grote Brokers Wall Street New York for Earl Lindsaybuggarhs clan & Mr JIM JONG who will give some to The Crown/ Angela-for her kids...

THIS IS HER SHARE FOR HARMING ALL IN OUR FAMILIES -a million & a quarter children & Tenants Grote Ransom that Len & I inherit 1938- & were already trained to take care of-

Teresa G.R has helped the true blues harm ANDRE

I did not remember JIM went back pre-war to before I was born !

I Greta HAD NO MEMORY OF PRE-WAR- & did not recognise the fat old man October 1953 being called James/immie- This was tragic for ANDRE & Greta for the rest of his life...

Auntie Terry does not seem to know Teresa & her fiends/true

blues were sedating the rich old man in the house Hill Drop Crescent- A report from Lady Astor to Malraux December 1957

did not have him grasp the extent of this technique learned by noble visitors to 1

World war damaged Servicemen- sedating heavily- REMOVING MEMORYreports/accounts/

Miss Win Gordon my mother's sister (Aunt Terry's cousin) does know how with this memory remove they were all using the old man's home & moneys -the Detectives & Colleagues of ANDRE MALRAUX will discover spring 1960 Win \`did not

think removing a person or a child's memory was dangerous

Or that in this matter of her niece being threatened & then powders used on Greta `BY NURSE AFTER THE MARRIAGE FAILED `...that it has left Greta & Malraux in most terrible danger all their lives- & her own family members

1936 EARL LINDSAY no 12 INSISTS 'MISS WINIFRED GET A DOCTOR TO REMOVE Greetha's MEMORY - or she cannot learn at school after this year running about the & WE WILL SEE WHEN SHE IS 21 YEARS OR world-25 YEARS IF SHE CAN HAVE SOME PART OF THIS INHERITANCE OF THE OLD ESKIMO. MISS WINIFRED...!`

This filthy old monster has stuck its son aged 12 down a hole in the sea- left the child to drown & with his brother tried claim the Insurance-I Miss Win does hear the newspapers on the trial are kept by several people she knows !

1938 LIR diary...LINDSAY EARLS... `Do you remember we were walking along the Valley Road Clacton-on-Sea...we` d call at the Cemetery to see them all-1 sit & talk & put some flowers...a beautiful place Auntie Esther told you...Granny Gordon came on her own to

her husband gone to Heaven last year...

Then we

could go if time down to JO's beach...you wanted to sit & tell me about last summer...'Oh they would come back anytime...'

WE WERE HALF WAY ALONG THE VALLEY ROAD...he reined in our face-the poor horses looked as if they` d like to take him to HELL...He hollered at you LEN...blazed eyes at me...`GET ME THAT MONEY YOU TWO OR I WILL NAIL YOU TO *THEE*

DOOR...a nasty PLUTO come from HELL...not at all like the painting by the man with the blue tiles in his hall...`

LIR says..." He has 5 children grown-up & he has raised them to be as EVIL as he..." (Divinor um Salvia Scotland pellets)

(1960...`HE WENT KILLING the Grote children in the war`00 Detectives Colleagues of Andre Malraux)

1960/1970s....Lennie say`s...`you & we have 60 Mansions round the globe -they had squatted on them- trashed them-pulled them down for Concrete blocks

Another voice...` you & Andre could travel & administer the Estate...kind tenants...we all go to see the HOMES are safe... distinguished persons helped your father after the War secure a third of the Estate when the children had been killed...keep it in purity & humanism

... When

Andre

went to Ecuador he arrived ill from being poisonedyou not with him...Len got to him to keep him safe...he could have died-`

1940s- Wartime Britain....`The woman Angela was given my school books after I was sent in to class or exams doped! B She was seen waving them about and talking of apes and Eskimos-being stupid- JIM was always in attendanceIt was the great geography teacher Armstrong of Cambridge who found this trick was being played on Greta Ransom age 10 & 11 years- and the Humperdinck family saw this was so-then others from the Universities who teach us- THEY TRIED EXPLAIN TO ANDR E MALRAUX summer 1945 what Teresa was capable of-but he did not seem to grasp that it was because of an I NHERITANCE -All his POST/mail is stolen by the British Government & Crown from 1937-38 winter-JOSETTE died because they have done this-Andre will not know of this British Nobles obscene evil until 1960....

1959 MISS TERESA- Terry BUTLER 17-19th December-

has exposed the violence against her family on several cousin lines from time of Great War-II & after the Ransom marriage of 1932 the violence horribly increased *because many knew of the fraud- theft-murders against the Ransom family from the marriage of Millie & John Ransom & the horrible interference to get the lands & moneys by the EARLS of LINDSAY creatures gone mad in Scotland-*

It became swiftly understood by G. B Government Lords that the INHERITANCE to GROTE HOMES RANSOM ESTATE GUARDIAN ANDRE MALRAUX could not be trampled upon IF FRANCE GOT TO KNOW.... So it had to be kept from MALRAUX since winter 1937/8-THE BRITISH GOVERNMENT & Crown removed all his Post/mail & had spies-traitors about him-Miss Butler had written to Malraux 3 times -but not given away too much - she had never received an answer from him - but as Guardian he should have known the name BUTLERtwo of Mary Gordon's sisters married 2 Butler brothers Manchester late 19 th century... a son becomes Mayor of Manchester...

1959 December 17th-19th- Miss Teresa Butler/Arthur Malone & Andre Malraux Thorpe-le-Soken/ Notebooks

1933 JUNE 11 "...ARRAN Western Hebrides-where the Aunt- I think she was a Margaret but she is a MISS RANSOM- HAD A HOUSE- my Aunts Bessie & Annie whom MALRAUX

knows very well & have praised to other members of the family-

Win Esther-Harry-my cousin Arthur Gordon who has been deceived by one of my cousin Teresa's bastards-an Edward now a true-blue ...

. Well Aunts Bessie & Annie called on Margaret Ransom a Mrs Grote I think she was - its all over there in that pile of papers

... but her husband had these good Orphanages all over the world where the children were all religions but travelled & stayed with one another-they got a good education to 18 years & worked in everything that is needed-

It was 1934- and she a former Miss RANSOM-I have all the details in the papers over there- (she pointed to a pile of flat boxes)...` I think her name is Margaret-or very like that- she gave them the key to her Welsh cottage to use when they would like to take a holiday-she did not go there-she had not the time

...(

nota bene: Bessie & Annie called this holy woman Margarethia-who called by invitation to tell Popes about the globe A to Z -)

MARGARETH`IA A HOLY WOMAN- holy women themselves are Mary Gordon's sisters Bessie & Annie artist- with a smaller but same piece of philanthropy when they were young- THEY HAD NEVER BEEN IN THE PRESENCE OF ANYONE WHO HAD SAT AT LUNCHEON & teas: WITH SO MANY POPESin the Vatican Gardens

Miss Teresa Mary Butler continues : `IT IS THE MATTER OF MY NIECE *Greetah*- Greta Ransom-I It began I believe in sometime June 1933-I I did not know until the autumn-I then I went up there-I sat on the Island October-I a lovely place that month-I her mother my cousin Teresa & the true blues tried kill the child made heir by the old lady...when she was born-II They needed a figurehead to train the family ...those who took care of the Estate - then the boy her Uncle was chosen too-II he was a great favourite & comfort to my Aunts -Bessie & Annie...II He could draw & speak languages - so they always welcomed him coming to the seaside after the marriage of Teresa to young Fred RANSOM-

1932 that was...`

1933- I went to the Police & to the Solicitor- I explained I was the eldest of us & the trouble my young Aunt Mary had from the end of the War... this is what I heard `□` Police were called but by then the Party had left the island & the babe had been discovered under the floor boards-

Greta Ransom first child of the marriage-

The house had been prepared for winter- nobody would come by again-perhaps in November to check outside-I The unwelcome visitors- there had been damage & a fire outside- things carried out & burned- the marble dog was broken in pieces beside the pump- & Mrs Grote's jewel box- it was of lead- there was a fashion for this/Shakespeare...it was empty & broken

-1 (The dog is Rienzi- Jacopsholmen Island that F.R.1 got to keep Tiggy in the playground & not wandering off into the snows

for they had lost their first born FREDERICK RANSOM & Greenland cousins down a crevass...)

`It was said two local women had first found the child in a privy- in a bucket- it had no clothes on- it was not fed- they crept back when they knew the true blues-Noble familieswere away & fed the child-sometimes it was in a bowl...Newspapers were used to clean the child- A collection of bibles & holy books were wheeled to the jetty & tipped in the sea-Mrs Grote's husband had made this collection- every tongue in the world-Some paintings were taken to a shop-but they could only be given a few pounds-so they were burned on the fire outside the house- they were paintings by Gericault- Mrs Grote's father knew him...`
