Christmastide 1967/1968... Whitehead is being made `a sucker` :

He has been swiftly lead into a matter he is told is a storm in a teacup & the Estate had no legal WILL & the Ransoms had never known Mrs Grote & they were of no standing in the society & the British Nobles had to go shoeless to pay off the great debts on this vast Estate - PJPW is directed by obscene criminally insane dope fiends-dope-soaks...sub-apes who have squatted on Ransom *et al* all the 20th century, & now a Kenya trendy cometh from a side door Buckingham Palace to take PJPW to dinner with scum

- I'm not to know this for some years- by then matters of an alarming nature were being discovered by solid rural Tory voters- some knew of the slaying or some part of the disappearance of the wonderful children of the Grote Homes- A witness had been kept safe close by Didcot but in 1971 after speaking briefly with PJPW he then disappeared-I fear not to safety -

A world of deceit was about Greta Ransom-ANDRE MALRAUX & only the support of those poor souls who saw that

Andre & Greetha
had been denied a life -

(
even though the GREEDY had taken a fortune to themselves)

-

had me hold my head high ~!

Again the insistence that

ANDRE MALRAUX

was the property of whores & their bedfellows the criminally insane

- It is all covered by records & perplexing accounts of matters-

Brutality-deceit-treachery-GREED-insanity ruled-

All the evil creatures have a habit in common- THEY USE MASSES OF DOPES-

1957 Autumn Miss Win Gordon cousin to Miss Teresa Butler :

SHE PUT the WILL & BUNDLE OF PAPERS IN THE POST/mail Addressed to Andre Malraux to St Edmund`s House, 50 Lancaster Gate Square, London, where Mr *Mengele* Harrington`s RN naval intelligence & other bilge rats were maintaining the round-the-clock...& picked it off October 1957 as the *triple-pay squad* rota went over the Catholic household post/mail- Phone calls our rooms checked -all persons we speak to during the day where we go- THUS the 2 family men MI5 gave me cover daily outside-

1957 end October- **Doctor Mengele** Harrington swiftly had the telephone in Greta`s room removed .

He had been on luxury holiday with his boy friends all summer-using Grote RANSOM Estate moneys

. I G.R. pay 20 pounds a month for the room & this was my answer to

dirty JIM

late October demanding I get out one evening

when ANDRE MALRAUX was away.

The American General came in to No 50 hearing NOBLE HIGH CLASS SIN were harming Andre & Greta- He had no idea Andre Malraux did not know of GROTE HOMES RANSOM ESTATE- he had spoken with FJR earlier & Ivy-

(

possibly he is of the 29

He now handed Greta a gun- taught me how to fire it in the room/bullet hole by the window that

Mengele

Harrington

immediately had removed-

I AM TO HAVE NO MEMORY...he plots to remove my memory every day- have me staggering about London- push me into a private clinic & kill...
